

ESSENTIAL INFORMATION SEYCHELLES

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of two (2) blank visa page for entry and exit stamps.

Holders of U.S. and Canadian passports are not required to obtain a tourist visa for entry into Seychelles for stays of up to 30 days.

A tourist entry permit is issued free of charge upon arrival provided that the traveller in question has a return airline ticket, pre-paid hotel accommodations and sufficient funds for their entire stay.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

COVID-19 COUNTRY ENTRY REQUIREMENTS & TRAVEL ADVISORIES

Seychelles currently has no COVID-19 vaccination or testing requirements for entry for U.S. and Canadian residents. Visit the U.S. Department of State at travel.state.gov or the Government of Canada at travel.gc.ca/travelling/advisories for up-to-date information and travel advisories. All requirements are subject to change.

- All travellers must receive pre-approved Health Travel Authorization to enter Seychelles. To apply for your Health Travel Authorization, visit seychelles.govtas.com. When applying make sure you have your passport details, a passport photo or selfie, flight itinerary and your travel itinerary for the Seychelles, including the address of where you are staying, as you will need to upload these documents to complete the application process. Fees range from USD \$11.50 to \$78.00 depending on the return processing time selected.
- Travellers are subject to medical screening on arrival in Seychelles, including a temperature check, questionnaire and visual assessment.

YELLOW FEVER VACCINATION

A yellow fever vaccination is only required to enter Seychelles if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

CASH & CREDIT CARDS

Cash transactions should be made in U.S. dollars. Local currency is of limited use to tourists. U.S. dollars should be recently issued bills in smaller denominations. Major credit cards are accepted at hotels and lodges and larger shops and restaurants. Access to ATM machines is available in larger cities such as Mahe, but limited in rural areas.

Effective April 1, 2023, all guests staying in hotels (and on vessels) in the Seychelles are required to pay an Environmental Levy assessed by the Seychelles Government. The fee varies from USD \$2 to USD \$8 (SCR 25 to 100) per room per night and is based on the number of rooms in the

hotel. The fee will be collected upon checkout and payment must be made in Seychellois Rupee (SCR). The acceptance of any other type of currency for payment is subject to the hotel's discretion. (Fees and payment procedures are subject to change.)

PACKING LIST

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.

Clothing

Choose comfortable and casual clothing in natural, "breathable" fabrics and versatile styles that can be layered as temperatures may vary considerably in the course of the day. Smart casual attire is appropriate for evenings. Formal clothing is not necessary.

- Casual slacks
- Walking shorts
- Polo shirts, casual short-sleeve shirts or blouses
- Long sleeve shirts or blouses
- Comfortable walking shoes with traction
- If you are travelling during Africa's winter months of mid-May through early September, bring a few items of warm clothing to protect against chilly early morning and evening temperatures
- A pair of rubber beach sandals to use as slippers.
- Brimmed hat for sun protection
- Swimwear/cover-up
- Personal garments
- Sports bra for women for bumpy roads
- Sleepwear
- Socks

Other Recommended Items

- Face masks and hand sanitizer
- Insect repellent with high % of DEET to protect against mosquitos *
- Sunglasses / Sun block
- Simple first-aid kit
- Prescriptions and medications (in their original bottles and/or packaging)
- Smartphone
- Extra eyeglasses/contact lenses
- Global travel adapter
- Charging cables for electronics

Optional Items

- Small LED flashlight
- Foldable walking stick
- Lightweight binoculars
- Small daypack or fanny pack
- Inflatable pillow or stadium cushion can make bumpy roads more comfortable
- Low-suds detergent for washing small items of personal laundry

*Note: many properties provide insect repellent in rooms. However you may wish to bring your own preferred brand.

Laundry Service is available at most properties. Because some laundries in Africa do not accept any underclothing, be prepared to wash your own smalls. Laundry techniques may not be

suitable for delicate and/or synthetic fabrics. Check costs and return times before using these services.

TIPPING GUIDELINES

While decisions regarding tipping rest entirely with you, we suggest the following gratuities (noted in U.S. dollars).
