

ESSENTIAL INFORMATION CRUISING GREECE, TURKEY & SAUDI ARABIA

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends and should have a minimum of eight (8) blank visa pages for entry and exit stamps.

Holders of U.S. and Canadian passports are not required to obtain a tourist visa for entry into **Greece** and **Cyprus**. U.S. and Canadian passport holders typically need a visa for **Turkey** and **Egypt**; however, special arrangements to come ashore without a visa for day visits featured on this journey are made by the ship.

Tourist visas are required for U.S. and Canadian passport holders for **Jordan** and **Saudi Arabia**.

Jordan

An Electronic Visa (eVisa) is required for U.S. and Canadian passport holders for entry into Jordan.

Electronic Visa (eVisa): To apply for an eVisa, visit the Ministry of Interior website, selecting the Electronic Visa option: <https://eservices.moi.gov.jo>. EVisas are valid for entry to Jordan by air and all land border crossings including entering Jordan from Israel via the Allenby Bridge. The current fee for a single-entry visa is 40 Jordanian dinars (approximately USD \$56); subject to change without notice. If required a double-entry visa may be obtained for a 60 Jordanian dinars (approximately USD \$85). Please be aware that eVisas are valid for 90 days after issuance. Therefore, do not apply for your eVisa too far in advance. You will need a valid email address and credit or debit card to apply. Read and follow all instructions carefully to ensure a smooth arrival in Jordan. There is also a 2 Jordanian dinar service fee for standard processing which may take one to two weeks. Once approved, you will receive an email with a QR code, which you will need to present to Jordanian immigration authorities.

Saudi Arabia

To apply for Electronic Visa (eVisa), visit [Saudi Arabia Visa Requirements - Visit Saudi Official Website](#). The current fee for a multiple-entry visa, which is valid for one year, is 535 SAR (approximately USD \$142; subject to change without notice). Read and follow all instructions carefully to ensure a smooth arrival in Saudi Arabia.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

YELLOW FEVER VACCINATION

A yellow fever vaccination is only required to enter Egypt, Jordan and Saudi Arabia if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. In general, if you are travelling from the United States or Canada to join the cruise in Athens you are not required to have a yellow fever vaccination. However, if your travel plans include travelling from a South American or African country that is infected with yellow fever or is located in areas where yellow fever transmission has occurred (endemic areas), then the easiest and safest thing to do is to get a yellow fever vaccination. The CDC and WHO each provide a current list of all

affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation.

LOCAL HEALTH & SAFETY PROTOCOLS

Visits to ancient sites in Turkey, Egypt and Jordan are active excursions that may involve long walks over sand and uneven terrain, steep climbs and exposure to high temperatures and may be challenging for travellers with mobility issues. A robust level of fitness is necessary.

SPECIAL CONSIDERATIONS FOR EXPEDITION CRUISES

Please ensure that we are aware of any physical, medical or other condition that might affect your ability to participate in this journey. You may be required to produce a doctor's certificate prior to travel. Due to ship restrictions, women who will be at least twelve (12) weeks pregnant at the start of the cruise, or any time during the sailing will not be permitted to travel on Expedition Cruises. The ship owner's medical staff and Captain reserve the right to refuse passage to anyone who is deemed unfit for travel either before or during the journey.

Prior to boarding, all guests must complete Ponant's **Mandatory Health Declaration** form, provided to you in Athens.

CASH & CREDIT CARDS

Throughout your cruise, credit cards are widely accepted, although carrying moderate amounts of local currency is advisable, as smaller establishments may only accept cash. Access to ATM machines is widespread in cities and towns, but may be limited in rural areas.

The euro is the official currency on board. Personal expenses incurred on board can be charged to your shipboard account and paid at the end of the expedition by major credit card or cash, including U.S. dollars. There is no currency exchange facility on board.

All onboard transactions made by bank or credit card are processed via the ship owner's home office in Marseille, France, and charges from your onboard account may not be processed until one month after your cruise. Call your bank or credit card company to advise about your travel plans.
