

ESSENTIAL INFORMATION

BALKAN EXPLORER: GOLDEN EAGLE DANUBE EXPRESS

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of ten (10) blank visa pages for entry and exit stamps.

Holders of U.S. and Canadian passports are not required to obtain a tourist visa for entry into Italy, Slovenia, Croatia, Bosnia and Herzegovina, Serbia, Romania, Bulgaria, Greece, Turkey or North Macedonia.

In Hungary, Slovenia and North Macedonia, local law requires that you carry photo identification, such as your passport, at all times.

If you are a U.S. citizen born in the Republic of North Macedonia, please note that Greek Immigration Officers at all ports of entry (land, air, and sea) will not place entry stamps in passports listing the traveler's place of birth as Macedonia or the Republic of Macedonia. These travelers are required to complete a short form on which the entry stamp will be placed and which the traveler must keep with their passport for the duration of their stay in Greece and present on departure.

It is recommended that children travelling to Bosnia and Herzegovina with one parent, (particularly if the parent has a different last name from the child's), carry a notarized letter from the other parent giving permission to travel.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

COVID-19 COUNTRY ENTRY REQUIREMENTS & TRAVEL ADVISORIES

The countries visited on this journey currently have no COVID-19 vaccination or testing requirements for entry for U.S. and Canadian residents. Visit the U.S. Department of State at travel.state.gov or the Government of Canada at travel.gc.ca/travelling/advisories for up-to-date information.

LOCAL HEALTH & SAFETY PROTOCOLS

Bulgaria

Visitors are required to maintain medical insurance that is valid for the cost of emergency care and evacuation for the duration of their stay in Bulgaria. You may be required to show proof of medical insurance upon arrival. Medical care in Bulgaria varies in quality from services provided in the United States and Western Europe. Medical facilities outside of larger cities are limited and the quality of equipment may put elderly travelers and those with existing health problems at risk.

CASH & CREDIT CARDS

With the exception of Romania, Bulgaria, North Macedonia and Bosnia and Herzegovina, which are still largely cash economies, major credit cards are widely accepted (the most popular are Visa and MasterCard, with American Express accepted at high-end shops) and ATM outlets are widespread. You may find it difficult to exchange US\$100 bills in banks and currency exchanges in smaller towns.

PACKING LIST

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to find and manage your luggage for you.

Clothing

Choose versatile, casual clothing that can be layered if the weather (or level of air-conditioning) requires. Cotton and other light fabrics are comfortable choices for summertime. Spring and autumn temperatures dictate medium-weight clothing selections. Formal clothing is not necessary.

Cathedrals, mosques, churches, and other religious sites require conservative dress. Arms, legs and shoulders should be covered – no shorts. This applies to both men and women. For women, barebacked, low-necked dresses or tops or short skirts, are not considered appropriate attire. When visiting mosques, wear or carry a pair of socks, since shoes must be removed before entering. Women must cover their heads with a scarf.
