PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of three (3) blank visa pages for entry and exit stamps.

Beginning April 10, 2025, an Electronic Tourist Visa (eVisa) will be required for U.S. and Canadian passport holders for entry into Brazil. To apply for an eVisa, visit brazil.vfsevisa.com/. The announced fee is to be USD \$80.90 (subject to change without notice). During the application process you may be required to upload electronic copies the following:

- Scanned photocopy of your passport (photos not accepted).
- Passport-style photograph (2" x 2" with a white background).
- PDF of one of the following: Confirmation of international flight reservations showing entrance into and exit from Brazil, copy of your day-by-day itinerary or the information page of your passport.
- Bank statement showing an available balance of at least US \$2,000.00 for the last 30 days, to cover travel expenses.

All copies should be clear, legible and file sizes should not and not exceed 1MB. Note: In the application you will see the anagram "OTP," this means one time password.

If asked to provide a local contact on your eVisa application, you may list A&K Brazil:

Abercrombie & Kent Brazil

Ipanema, Rio de Janeiro, Brazil
Telephone: +55 21 3648-3608

Holders of U.S. and Canadian passports are not required to obtain a tourist visa for entry into Chile or Argentina for stays of up to 90 days.

Minors Travelling To/Through Brazil Without One or Both Parents

We recommend that families of minors travelling to Brazil without one or both parents carry documentation that proves their relationship to the child (e.g., birth certificate) and that they have permission to travel with the child (e.g., consent letter). Please contact the nearest Brazilian embassy or consulate for more information.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

COVID-19 COUNTRY ENTRY REQUIREMENTS & TRAVEL ADVISORIES

Argentina, Chile and Brazil currently have no COVID-19 vaccination or testing requirements for entry for U.S. and Canadian residents. Visit the U.S. Department of State at travel.state.gov or the Government of Canada at travel.gc.ca/travelling/advisories for up-to-date information.

LOCAL HEALTH & SAFETY PROTOCOLS

The Andes extend into the Patagonian regions of Chile; however, guests following the Wings Over Argentina, Chile & Brazil itinerary need not be concerned about altitude sickness in the Southern Andes.

CASH & CREDIT CARDS

In Argentina, the U.S. dollar is accepted by many tourist-oriented businesses and shops. Major credit cards such as Visa or Mastercard are accepted at larger establishments although local

merchants may refuse to accept them. ATM access (with payout in pesos) is available in urban areas. If using an ATM, do so during business hours at a location inside a bank, supermarket, or large commercial building.

Although the U.S. dollar is accepted as payment at some tourist shops in Chile, most restaurants and taxi drivers require payment in pesos. Major credit cards are widely accepted in urban areas although some merchants may add a surcharge. ATM access is common and the easiest way to obtain cash is by using the ATM's, which operate under the "Redbank" sign.

In Brazil, major credit cards are widely accepted in urban areas. ATM machines are easily accessible. When using credit cards or ATMs in Brazil, exercise caution when using these payment methods and carefully monitor your banking online for non-authorized charges during the course of your visit.

OF SPECIAL NOTE

In addition to the general safety advice on keeping valuables secure, visitors should be alert and mindful of their surroundings and take extra caution in crowds. Beginning with your arrival at the airport, avoid having items of value visible and safeguard personal items at all times. Don't wear expensive jewellery or watches and only carry with you what you need for the day.

PACKING LIST & BAGGAGE RESTRICTIONS

On charter air flights, each passenger is limited to 1 piece of checked luggage with a maximum weight of approximately 37 pounds (16.7 kilograms). For carry-on baggage, each passenger is limited to 1 piece of luggage with a maximum weight of approximately 10 pounds (4.5 kilograms). Total weight of both pieces must not exceed 47 pounds (21.3 kilograms). All checked and carry-on luggage must be soft-sided.

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to find and manage your luggage for you.

Clothing

Choose versatile, casual clothing that can be layered if the weather (or level of air-conditioning) requires. Temperatures will change as altitudes and time of day change. Smart casual attire is appropriate for evenings. In Buenos Aires, residents are very fashion conscious and it is customary to dress for dinner. Formal clothing is not necessary.

When exploring Patagonia, pack a lightweight parka or windproof jacket (preferably water resistant) and windproof slacks, made of fabric such as Gor-Tex®. Functional, warm, quick-dry fabrics are recommended. Winds can be fierce; pack earmuffs (or a good hat), a scarf and gloves.
