Discover a Wild Australian Frontier on the Ultimate Luxury Expedition Cruise

Expertise in the Extraordinary

In 1991, we launched our first Luxury Expedition Cruise to Antarctica on a cutting-edge vessel, inviting only the top experts in their fields to join our Expedition Team. More than 300 voyages later, A&K continues to set the standard in modern-day luxury expedition cruising, creating the most exclusive adventures to the wildest places on earth, including the spectacular Kimberley.

Luxurious, All-Inclusive Cruising

Our Luxury Expedition Cruises are all-inclusive, the A&K way. That means we take care of everything so that you can fully enjoy every breathtaking moment of your voyage. Look forward to engaging lectures and activities led by our award-winning Expedition Team, including Zodiac excursions through the Kimberley's jaw-dropping geological features, guided hikes to caves cloaked in ancient rock art and a helicopter tour over Mitchell Falls. Enjoy everything from an elegant culinary program and open bar to included gratuities, Wi-Fi and our exclusive A&K Traveller's Valet® service, which provides laundry service for up to eight items during your cruise. Even before you set sail, explore the beachfront city of Broome during a two-night stay. All of it's included and just a sampling of what A&K provides.

Active Exploration with All-Inclusive Shore Excursions

Unlike typical cruising, A&K Luxury Expedition Cruises are an invitation to explore. Our unique voyages reflect active and expertly orchestrated itineraries, such as you experience in the Kimberley, as well as a number of opportunities to personalize your adventure with Design Your Day®. Several times throughout your voyage, choose from expertly curated — and always included — excursions, each appealing to a spectrum of travel interests.

Experience Unrivaled Passion and Expertise with the Best Modern-Day Explorers

Our Experience Sets Us Apart

Before you even step aboard your ship, every aspect of your voyage has been designed and arranged from top to bottom by A&K's luxury expedition cruising staff, which boast more than 50 years of cruising experience. You'll also feel A&K's unmatched local presence alongside our passionate local guides, who lead our exciting all-inclusive excursions in Broome.

The Best Expedition Team – and Service – at Sea

Executing on this itinerary is something we delegate only to the members of our Expedition Team — a cast of accomplished real-life explorers ranging from award-winning scientists and seasoned field naturalists to cultural experts and photographers, each with an average of 16 years of experience sailing with us, and representing a fantastic A&K staff-to-guest ratio of 1 to 12. This team joins an already robust and skilled ship staff and crew, allowing us to deliver an unprecedented level of service at sea.

Dedicated Photo Programming for All Levels

Sharpen your photography skills in a stunningly photogenic region brimming with natural wonders, with included programming designed by A&K's very own photo coaching team. Look forward to lectures geared toward both experts and budding enthusiasts, hands-on workshops in the field, and tips and tricks for shooting on everything from mobile devices to professional SLRs.

The largest city in the Kimberley, Broome is home to over 14,000 residents, yet every bit as daring as its more sparsely populated counterparts. In the evening, meet your fellow guests at a welcome dinner.

JUN 27: Broome | Jewel in the Wilds

A day of adventure awaits with A&K experts who take you beyond the surface in splendid Broome. Enjoy a choice of preselected excursions that include a city tour revealing Broome’s historic pearling industry and rich multicultural past, and a birding walk on Roebuck Bay. Later, your

adventure moves from the shore to sea when you board ‘Le Laperouse,’ your luxury expedition cruiser for the next 10 nights. *‘Le Laperouse’ | Meals: B L D*

JUN 28-JUL 2: Kimberley’s Wild Coast |

Extraordinary Tides

For the next five days, enjoy privileged insight and access to one of the most rarely visited regions in Australia. Each day, inspiring lectures, briefings and stimulating conversations with your Expedition Team elevate your discoveries in the Kimberley, bringing this vast wonderland into focus in a most enriching way. Grasp the tremendous benefit of exploring with our experts as luxury ‘Le Laperouse’ cruises through archipelagos and along the Kimberley coast. Your Captain and Expedition Team determine the best daily excursions, which may include these stunning regions:

Lacepede Islands: Set atop a coral reef, these four low-lying cay islands are separated from mainland Australia by

the Lacepede Channel. The “Lacepedes,” as they are often called, are an important nesting site for green sea turtles and several species of seabirds, including brown boobies, red-chested frigate birds, crested terns and speckled ruddy turnstones.

Horizontal Falls: An exciting visit awaits at Horizontal Falls, described by David Attenborough as “one of the greatest natural wonders of the world.” Set within Talbot Bay, the horizontally flowing waterfalls are created when massive tidal currents squeeze through two narrow gorges. Experience the phenomenon on a boat excursion to these unique falls.

Montgomery Reef: The Kimberley’s theme of extreme tides continues at Montgomery Reef, Australia’s largest inshore reef. Board Zodiacs to explore the reef system’s lagoons, islets and rushing channels. The denouement comes at low tide, when water dramatically cascades off the reef’s emerging sandstone platform covered in coralline and algae, perchance revealing astonishing sea life.

Freshwater Cove: Enjoy a guided bushwalk that leads to a cave depicting indigenous rock art. A magnificent display of sacred Wandjina figures, these ancient paintings reveal the ways of the Worrorra people, their myths, traditions and powerful connection to the sea.

Mitchell Falls: Take off on an included, thrilling helicopter flight over the vast Mitchell Plateau to sandstone-carved Mitchell Falls. Explore the area on foot and perhaps enjoy a refreshing swim in the emerald-colored, freshwater pools formed by the falls.

Hunter River: Join your naturalist guides and navigate by Zodiac through the river’s small tributaries fringed by mangroves and tidal mud flats, searching for crocodiles, mud skippers and fiddler crabs, and the many bird species that nest in the dense vegetation. *‘Le Laperouse’ | Meals: B L D*

JUL 3: Swift Bay | Sacred Art of the Mowanjum
Philip Parker King named Swift Bay after the author of *Gulliver’s Travels*, Jonathan Swift. Located in the Bonaparte Archipelago and sacred to the Worrorra people for centuries, Swift Bay is home to an incredible array of

Saltwater Crocodile

The Elusive Dugong

Believed to have inspired tales of mermaids and sirens, this protected relative of the manatee can be found in the shallow coastal ecosystems of the Kimberley.

Brown Boobies

Spot exotic birds across the Kimberley coast, including the eye-catching brown booby, one of three species of booby found in the region.

Horizontal Falls

Experience an exciting excursion to the narrow gorges of Talbot Bay, where tidal currents forge the spectacular two-way Horizontal Falls.

Sacred Rock Art

At Freshwater Cove and Swift Bay, discover indigenous rock paintings found only in the Australian Kimberley.

'Le Laperouse' | Meals: B L D

JUL 5: Wyndham | Gateway to Natural Wonders

It is the guest's sole responsibility to obtain and have available when necessary the appropriate valid travel documents. All guests are advised to check with the appropriate government authority to determine the necessary documents. A valid passport is required for U.S. and Canadian citizens travelling to all international destinations. Passports must be valid for six (6) months after the return of your journey and should also have sufficient blank visa pages for entry and exit stamps. Many destinations also require a visa for U.S. and Canadian citizens; this will be indicated in your Pre-Travel Documentation. Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey. You may be refused boarding or disembarked from a plane, vessel or train without liability for refund, payment, compensation, or credit of any kind if you do not have proper documentation, and you will be subject to any fine or other costs incurred by A&K which result from improper documentation or noncompliance with applicable regulations.

LIMITS ON A&K'S RESPONSIBILITY

A&K, its employees, shareholders, officers, directors, successors, agents and assigns, does not own or operate any property or entity which is to or does provide goods or services for your trip. It purchases transportation (by aircraft, coach, train, vessel or otherwise), hotel and other lodging accommodations, restaurant, ground handling and other services from various independent suppliers (including from time to time other affiliated A&K companies). All such persons and entities are independent contractors. As a result, A&K is not liable for any negligent or willful act of any such person or entity or of any third person. In addition and without limitation, A&K is not responsible for any injury, financial or physical loss, death, inconvenience, delay or damage to personal property in connection with the provision of any goods or services whether resulting from but not limited to acts of God or force majeure, illness, disease, acts of war, civil unrest, insurrection or revolt, animals, strikes or other labor activities, criminal or terrorist activities of any kind, overbooking or downgrading of services, food poisoning, mechanical or other failure of aircraft or other means of transportation or for failure of any transportation mechanism to arrive or depart on time.

There are many inherent risks in adventure travel of the type involved here, which can lead to illness, injury, or even death. These risks are increased by the fact that these trips take place in remote locations, far from medical facilities. Guest assumes all such risks associated with participating in these trips.

If you decide to participate in any activities including, but not limited to, any excursions involving animals, riding on animals, scuba diving, snorkeling, hot air ballooning, helicopter flights, ziplining, high altitude treks, climbing, whitewater rafting, jet boat rides, snowmobiling, primate tracking and any activity which A&K considers to carry inherent risk of serious illness, injury or death ("Activities") then you fully understand and acknowledge that Activities carry with them various inherent risks, including serious illness, injury or death and you take complete responsibility for your own health and safety and agree to assume all risks of injury, illness or death, whether foreseen or unforeseen, that may befall you as a result of participating in any Activities and agree to release A&K and its affiliates, their agents, employees and representatives from any liability whatsoever related thereto.

Further, as consideration for being permitted to participate in the Activities; you release A&K, whether known or unknown, from, and agree not to sue or make claim against A&K for, property damage, cancellation of any Activities for any reason, illness, negligent rescue operations or procedures, personal injury, or death arising out of your participation in the Activities, and any activity related thereto, including transportation to and from the site of the Activities, regardless of whether such property damage, illness, personal injury, or death results from the negligence of A&K (but not its reckless, willful, or fraudulent conduct), and/or from any defect in equipment. You further agree to indemnify and hold A&K harmless with respect to any claim made against A&K by anyone else which (a) related to your participation, or (b) which would be subject to the above release and covenant not to sue if you had made the claim directly yourself.

TRAVEL ADVISORIES

It is the responsibility of the guest to become informed about the most current travel advisories by referring to the US State Department's travel website at travel.state.gov or by phone at 888 407 4747. In the event of a State Department Travel Advisory against travel to the specific destination location(s) of the trip, should the guest still choose to travel, notwithstanding any travel advisory, the guest assumes all risk of personal injury, death or property damage that may arise out of the events like those advised or warned against.

ARBITRATION AGREEMENT

Any controversy or claim arising out of or relating to these **Terms and Conditions**, to the **Limits on A&K's Responsibility** clause, to any A&K brochure, to any information regarding any A&K trip, service or package, or to any A&K-related trip, activity, service or package, shall be submitted exclusively to and resolved in binding arbitration in Chicago, Illinois under the CPR International Non-administered Arbitration Rules (which can be found at cpradr.org), before a single arbitrator appointed by CPR. Any party or their representative may appear for the arbitration by telephone or video conference. Each party shall bear its own fees, costs and expenses and an equal share of any arbitrator and administrative fees.
