Petra, Jordan

“Without exception, all of the people associated with our Tailor Made Journey were extremely professional and courteous beyond measure. There was not a single aspect of our journey that did not happen exactly as they said it would. Please, on behalf of both my wife and myself, extend to them my heartfelt thanks and gratitude.”

The Finest in Local Expertise

What sets A&K apart from all the rest is our local experts, from the one-of-a-kind guides travelling at your side to the people behind the scenes who keep your trip running smoothly.

An Authentic Local Presence Wherever You Go

A&K has 52 offices and a staff of thousands all over the world — no other travel company compares. That long-established local presence gives us the connections we rely on to grant you access to people and places no one else can, and to offer one-of-a-kind inspiring experiences you won't find listed in any travel guide or search engine. Once your journey begins, every detail is taken care of by a local staff whose round-the-clock efforts ensure a journey that runs without a hitch from beginning to end.

The Best Local Experts at Your Side

Your hand-picked, English-speaking A&K local guides join you at each step on your Luxury Tailor Made Journey; you may even arrange for a single guide to travel with you for the entire itinerary. A&K guides bring your destination to life through authentic, firsthand knowledge — usually because they've lived there for decades, if not a lifetime.

Equally adept at planning and improvisation, they can tailor your journey on the spot to take advantage of any sudden inspiration. They're educated, exceptionally well-travelled and have a true love for their native country or region — exactly who you want at your side as you discover a new destination.

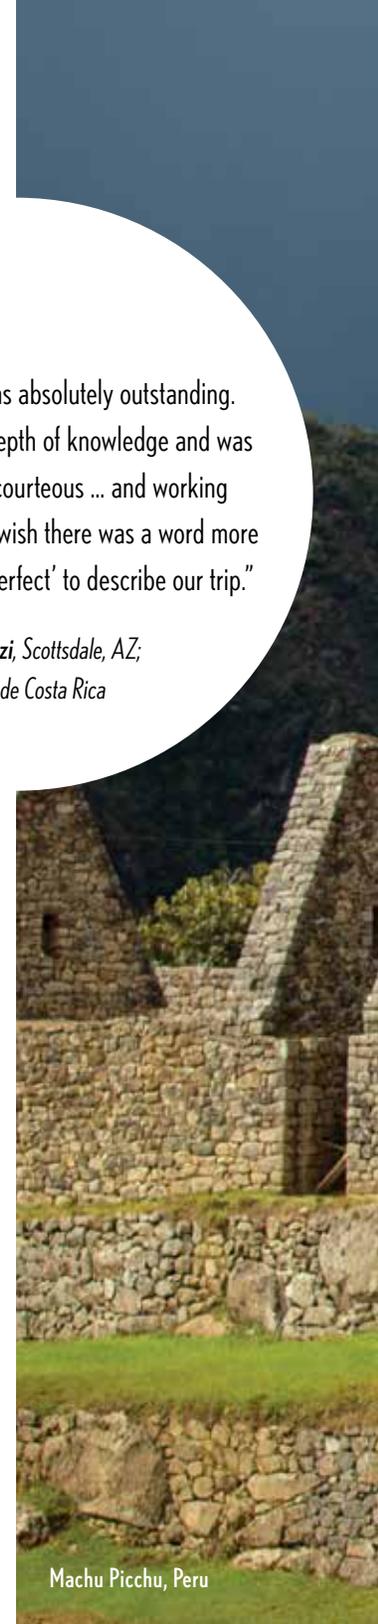

A&K's Local Guides

Our guides come from all walks of life. One thing they have in common: a passion for sharing the wonders of their homeland with each and every guest.

“Our private guide was absolutely outstanding. He had an incredible depth of knowledge and was always friendly and courteous ... and working behind the scenes! We wish there was a word more complimentary than ‘perfect’ to describe our trip.”

A Journey Matched to Your Interests, Your Style and Your Budget

Every traveller is different — and so is every Luxury Tailor Made Journey. We consider what you want to do and how you like to travel, and then put that knowledge to work to make a journey uniquely yours.

A&K works to make every hour of your vacation neatly suited to you — whether you prefer to hike up the mountain, see it painted in a museum or gaze on it from your table at an al fresco restaurant, we make sure you experience your destination just the way you want.

We also recognize that how and why you travel can be just as important as where. Travel with a group of extended family or a small party of friends, to celebrate a milestone or just because — we can create a journey that works for your unique style.

Create a journey based on one of these themes, mix and match them or make up your own for a journey that's just right for you.

Food & Wine

So many destinations are synonymous with their cuisine that it's no surprise that many travellers experience a place best through its food. Browse a market with a local chef, and then prepare lunch together, or dine with a local family in their home for a taste of authentic hospitality.

Active Adventures

For travellers who relish being out in nature, A&K can create an active adventure almost anywhere in world, chock-full of your favorite outdoor activities, from kayaking along the coast to mountain biking on a breathtaking trail.

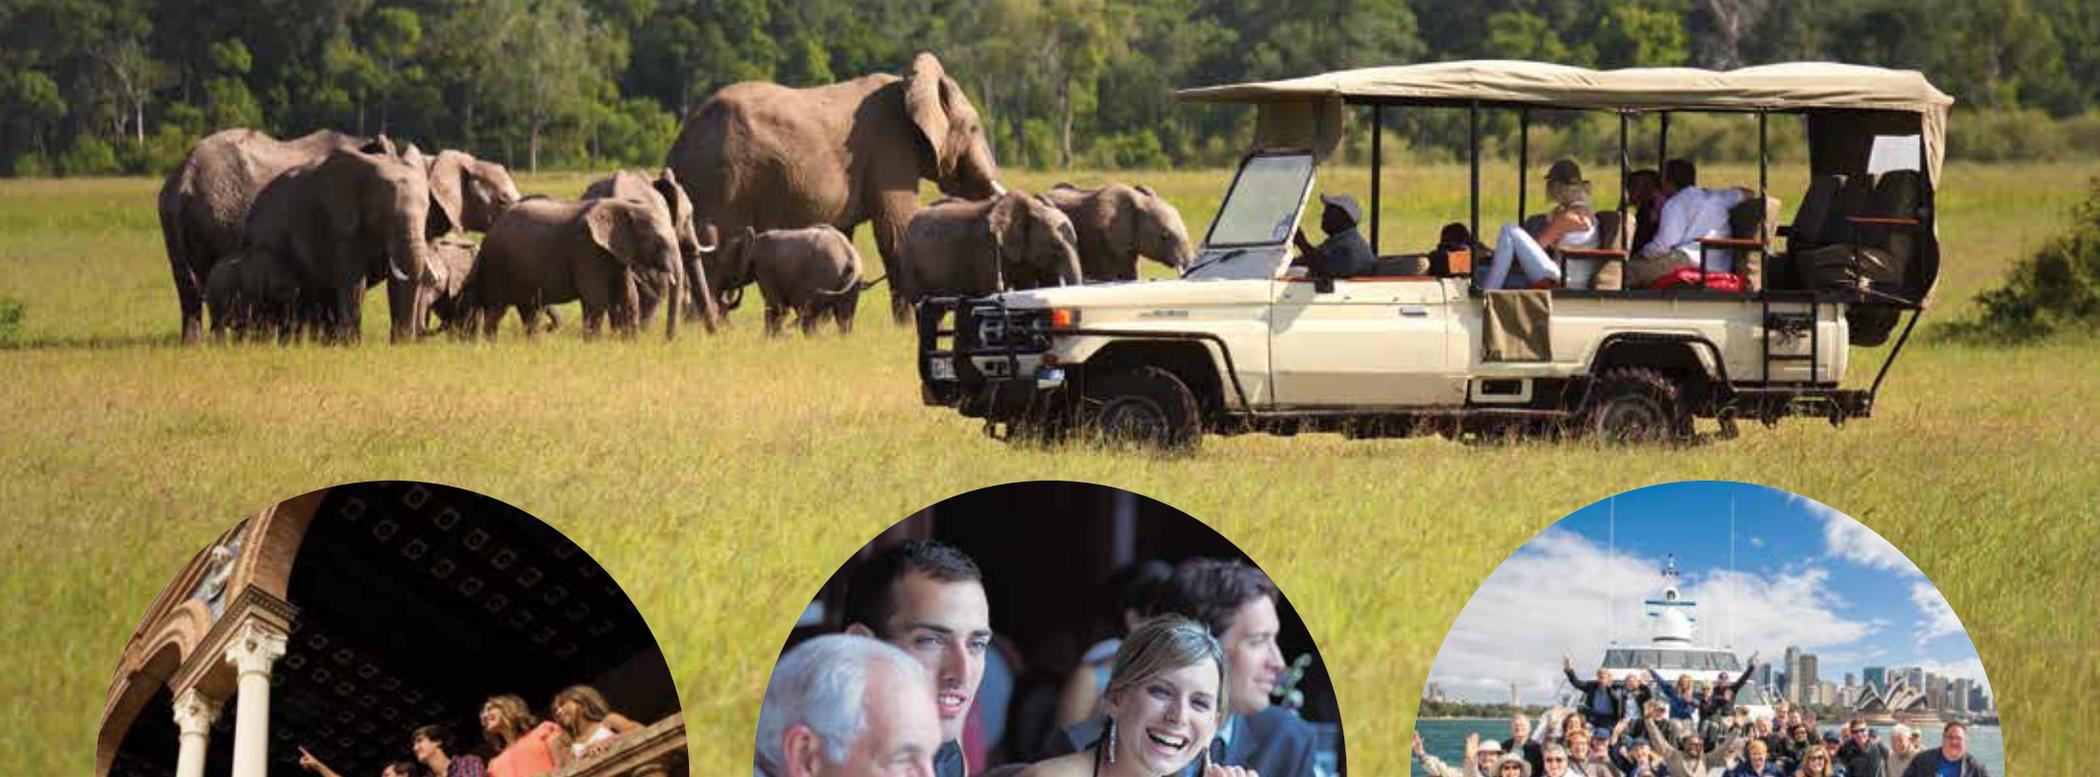

Cultural Encounters

For many travellers it's people, not places, that make a journey worth remembering. A&K connects you to local people and practices that reveal your destination from a uniquely personal point of view. Give gifts of rice to monks, visit a group of local women weavers or receive your own personal Buddhist blessing.

Art & Architecture

Art museums, theater tickets, tours of cathedrals and temples — when it comes to art and architecture, some travellers can't get enough. Luxury Tailor Made Journeys connect you with local artists for private visits to their studios, or with collectors who take you on a guided tour of their favorite galleries.

Family Journeys: Inspiration for Every Generation

Luxury Tailor Made Travel offers many advantages that particularly benefit the family. For one, there is the simple freedom to travel solely on your own schedule, free of conflicts with school or work. It also offers the chance to tailor the experience with every family member in mind, and A&K guides are masters at keeping all ages interested and engaged, even if it means rearranging a day's activities on the fly.

Celebrate with Travel

A birthday, anniversary or retirement: Whatever the milestone, a Luxury Tailor Made Journey is the perfect way to commemorate it. Celebrate your birthday with a private dinner with friends and family in the ancient library of Ephesus, reserved exclusively for you, or start your retirement with an artist's tour of Paris, exploring the Louvre with an expert guide and visiting an artist in his own *atelier*.

Group Travel

A&K excels at planning travel for custom groups, whether a professional or alumni association, museum society or a local seniors' group. We create an itinerary packed with sightseeing, activities and guest speakers that all reflect your group's focus and interests. Our dedicated staff has decades of experience in creating journeys for groups of all sizes, all ages and all interests.

“The projects that A&K are doing in the countries we visited were so impressive. It was incredibly eye-opening. Thank you for all of your efforts in providing us a once-in-a-lifetime opportunity. We will be forever grateful.”

At the headquarters of Champagne de Telmont, blend your own Champagne under the guidance of the vineyard's owner. The result is an utterly unique blend perfectly suited to you — the ideal memento of a Luxury Tailor Made Journey.

Backstage at the Bolshoi Moscow, Russia

Why just see a performance at the world-famous Bolshoi Theater when you can discover the venue's history on an exclusive guided backstage tour? You can even meet one of the company's ballerinas for a lesson.

Maasai for a Day Masai Mara, Kenya

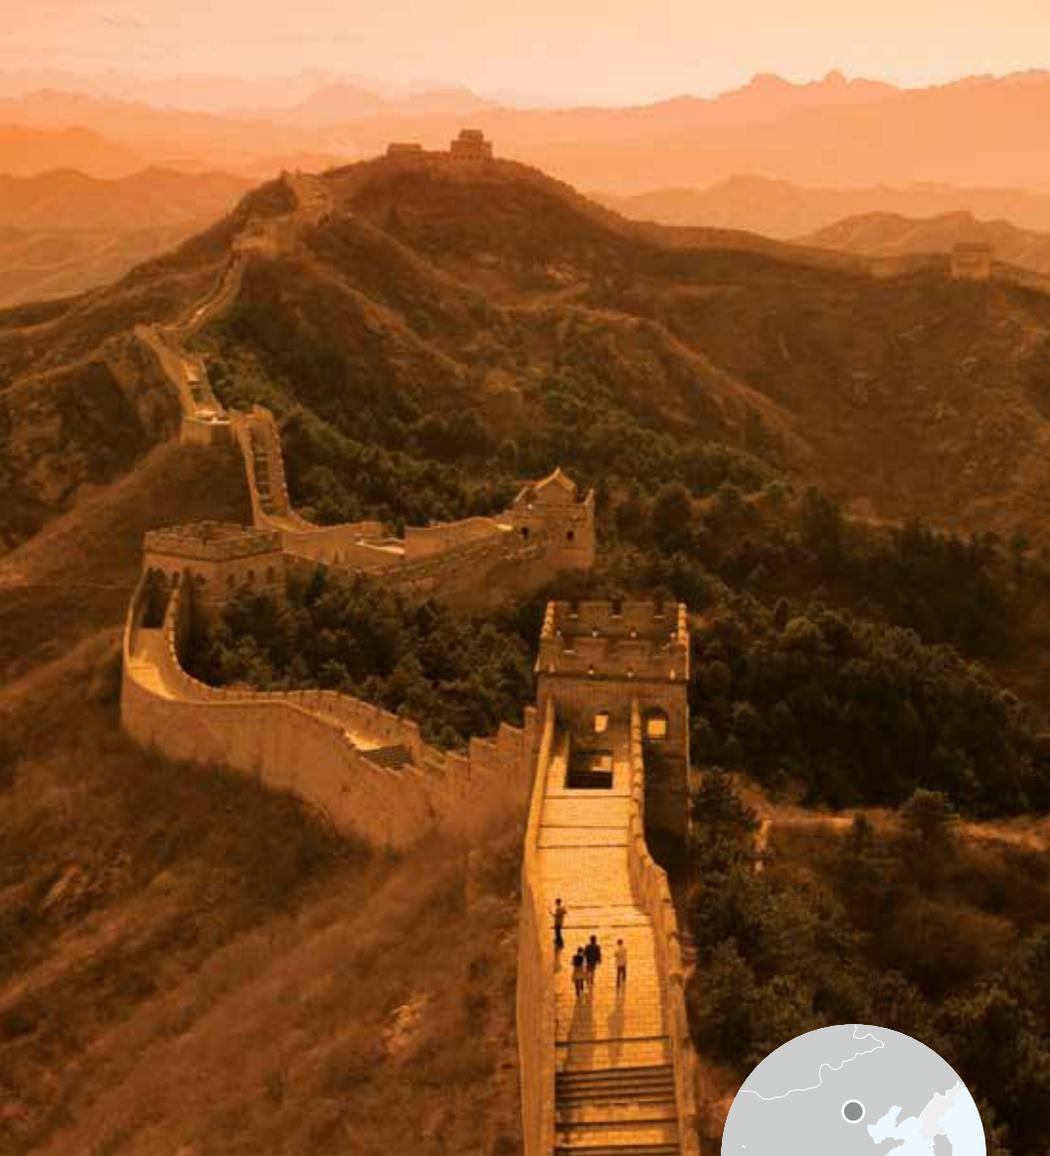

East Africa's famous nomadic herdsmen the Maasai have mastered the art of living in harmony with nature. Learn their ways on an immersive encounter with a local tribe, who teach you a few of their many skills, including tracking animals and making and firing a bow.

Witness the Making of a Monk Myanmar

The first time a Burmese boy enters the monastery and becomes a novice monk is one of the most important milestones for his family. Help a deserving Myanmar family honor this tradition by sponsoring the novitiation ceremony for their son, and then partake in the celebrations.

Tai Chi atop the Great Wall

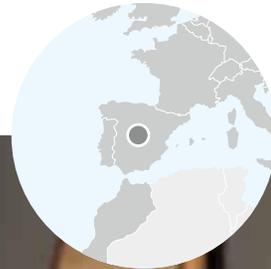

Beijing, China

“You are not a hero,” Mao Zedong once said, “until you have climbed the Great Wall.” Ascend the wall’s best-preserved section in the morning or late afternoon, when the light is best and before the crowds arrive, and experience this serene setting during a private lesson with a tai chi master.

Go “Behind the Strings” in Spain

Madrid, Spain

The timeless sound of the Spanish guitar enchants listeners all over the globe. See how these instruments are crafted on a private visit to the workshop of master luthier Angel Benito Aguado, who has built guitars for some of the world’s most noted concert players.

Fly-Fishing in a Mountain Lake Mount Kenya, Kenya

Depart by private helicopter for Africa's second-highest mountain, landing at a spectacular lake that serves as your private fishing spot. After a picnic breakfast, cast your line and enjoy several blissful hours fishing for rainbow trout in a spectacular, rarely visited mountain setting.

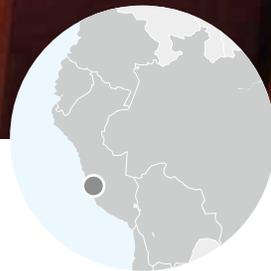

Learn the Ins and Outs of Aussie-Style Football Melbourne, Australia

In Australia, football is much more than a sport — it's a way of life. While visiting football-mad Melbourne, head to the stadium for some private coaching from the players, followed by watching the day's game from reserved seats.

Sit Down to a Private Dinner in an Architectural Treasure Lima, Peru

Aliaga House is the oldest continually inhabited residence in the Americas, with the same family occupying it for 18 generations. For one evening, this stately mansion becomes your personal haven for an unforgettable private dinner.

Biking in Botswana: A Philanthropic Experience Botswana

Pay a family visit to a village in Botswana, where A&K Philanthropy has helped establish a bike shop to provide transport for locals, as well as a sustainable business for the community. Meet the women who run the shop, and then borrow a few bikes for a family ride through the village, observing local life firsthand as welcoming villagers smile and wave in greeting.

Expert-Picked Accommodations

You can spend countless hours reading hotel reviews online — or you can leave it to the experts in A&K’s local offices, who have established preferred relationships with the most authentic and luxurious properties in every locale we visit.

The Best Hand-Selected Luxury and Boutique Hotels

A great hotel is more than a place to sleep at the end of the day. It's an extension of your destination, a place where authentic style, modern conveniences and warm hospitality come together. Our experts have inspected hundreds of hotels ranging from cutting-edge contemporary high-rises to charming, one-of-a-kind boutiques, allowing us to recommend the perfect fit for you and your itinerary.

Four Seasons Hotel Cairo at the First Residence, Egypt

Camps and Lodges that Immerse You in the Heart of Authentic Nature

Anyone who thinks of camping as “roughing it” has never travelled with A&K. From an exclusive Moroccan desert camp to luxury lodges in Africa’s best game parks, we help you experience nature at its finest, and in the finest comfort.

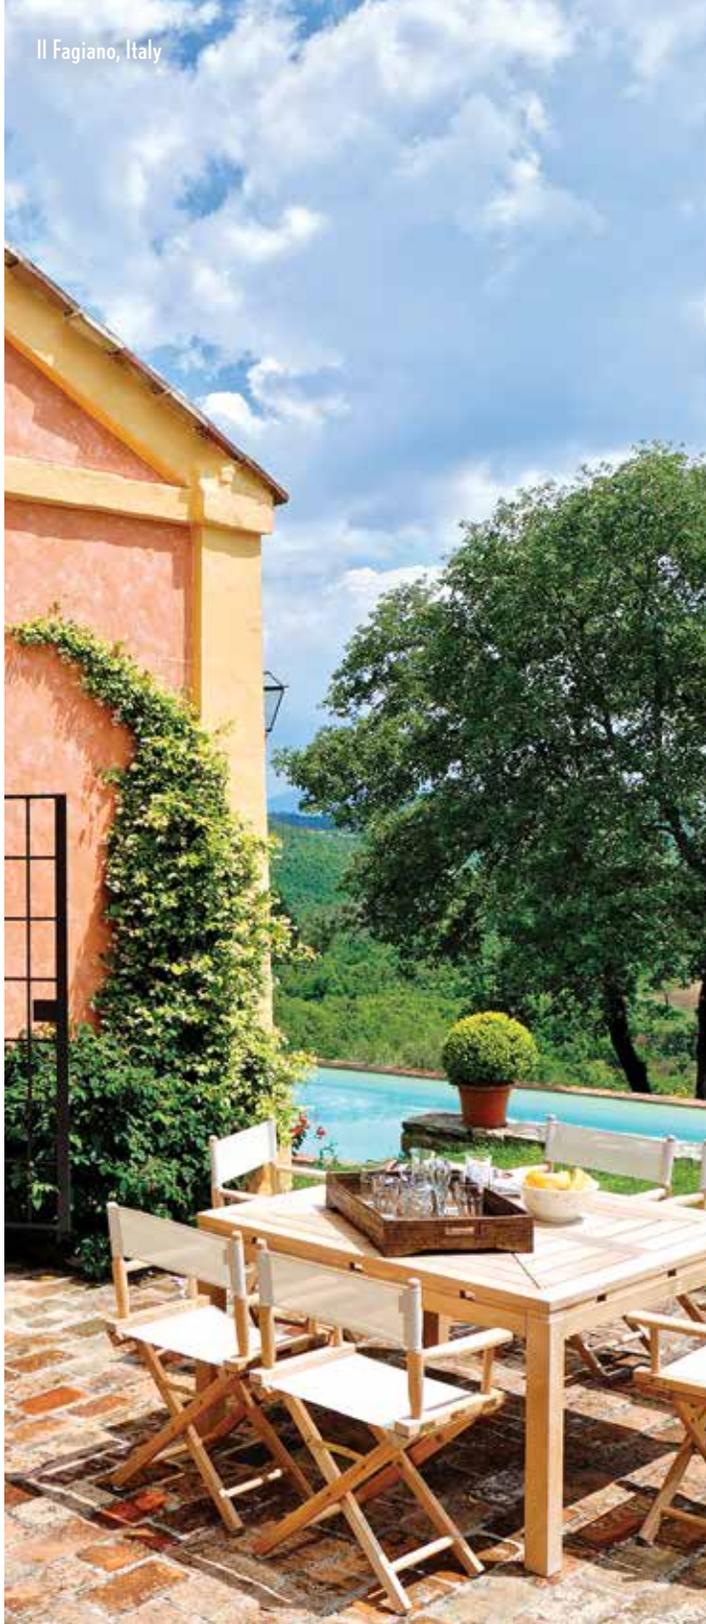

Exploring in Style by Small Ship

Whether it's the placid Nile River or the wildlife-rich Galápagos Islands, some destinations demand to be explored by water. Add a river or sea cruise on a vessel that combines luxury, intimacy and safety and enjoy a small-ship cruising experience second to none.

Elegance by Rail: Luxury Trains

When it comes to travel by luxury train, getting there is just as much fun as being there. Step back into a more refined and elegant era on board a stylishly appointed train, enjoying fine dining, wonderful views and impeccable service.

Villas: The Ultimate Luxury Haven

Luxurious, intimate and chock-full of authentic local flavor and charm, villas are often the best way to experience Europe. Leave the hotels behind for a stay in a one-of-a-kind property on a sun-drenched estate in Burgundy or Tuscany, with A&K providing the extra amenities — from babysitting to watercolor lessons to a guided local excursion — needed for a truly memorable experience.

Getting There in Style: Helicopters, Jets and Yachts

You've created the itinerary of your dreams — now take it to the next level with some chic transportation reserved for your exclusive pleasure.

Air Travel as It Was Meant to Be: Private Jets

For the ultimate in luxury and convenience, there's no beating a private jet. Arrange flights to suit your timetable, not an airline's; bypass long check-in lines; and enjoy a relaxed, stylish experience in the air while saving more time for exploring your destination. Arrive in stunning Ha Long Bay by seaplane for an unforgettable day trip, or charter a jet for your entire journey.

Getting There Is More than Half the Fun: Private Helicopters

Flying by helicopter is more than just a fun way to travel — it allows you to spend time exploring and meeting people that would otherwise be spent on long drives. Imagine touring the tasting rooms of the Cape Winelands by helicopter, enjoying spectacular views from the air while easily doubling your time on the ground.

Exclusive Luxury on the Seas: Private Yachts

For the ultimate in luxury and exclusivity, talk to A&K about chartering your own yacht, and exploring the dazzling coastal waters of the Mediterranean in five-star style. Alternately, take a private cruise to the Galápagos, embarking on daily shore excursions with your own crew of naturalist guides.

Creating the Perfect Journey, Just for You

When it comes to planning a journey that is just right for you, there is no substitute for working alongside an expert — and A&K has the best, from the Travel Consultants in our North American office to the A&K team members in our offices around the world.

Leave the Planning to the Experts

Our experts understand travel planning at a level most travellers never imagine. Creating a Luxury Tailor Made itinerary isn't just about choosing hotels and arranging visits to museums or knowing the best time to see a cathedral — it's about giving you the kinds of uniquely inspiring experiences you didn't even know existed, local encounters made possible only by A&K's longstanding connections around the world.

No Substitute for Working One on One

Whether working with your travel professional or directly with you, our Travel Consultants get to know you as an individual. We learn how you like to travel and what kind of activities make your vacation meaningful to you. Do you go with friends or with family? Are you a museum person, a food and wine lover or an outdoor adventurer? How much free time is just right? Whatever way you like to travel, we create a journey to match, with as much or as little oversight as you want to provide. And when the time comes to book your next journey, we're ready to provide the exact same personal, one-on-one service.

A&K's Travel Consultants

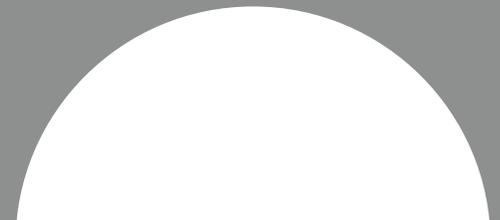

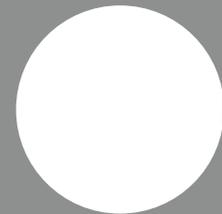

Our more than 30 top-notch Travel Consultants have an average of 10 years' experience, and each is a proud expert in their chosen region of the world. They're also born adventurers, and they can advise you on the best places to visit because they've usually been there themselves. Your consultant gets to know you as an individual, one traveller to another, in order to make your journey everything you want it to be.
