# THE ADVANTAGE OF ACCESS

With more than 50 years of experience, 52 offices worldwide and our passionate local guides, Abercrombie & Kent's Signature Series journeys take you to the heart of a destination with the privilege of authentic local access.

## Why Local Access Matters

When you travel independently with A&K, we don't just take you to the front of the line; we take you to the rooms in the palace not typically open to visitors on an exclusive tour with the best historian in the region. This kind of unfettered access to the authentic heart and soul of a place — to the people and sites that exist far beyond the reach of the average traveller — is something we pride ourselves in delivering on every Signature journey we create, whether to the world's most iconic or faraway destinations.

It is unequivocally what sets A&K apart from any competitor. And it has everything to do with our extensive and long-established connections within every locale in which we operate.

## An Unmatched Local Presence

Our 52 offices around the world work tirelessly to design experiences you won't find anywhere else and provide the most robust tour operator support network in the world. Unlike our competitors, we train and manage our own full-time staff, orchestrating every aspect of your independent journey with precision and flexibility down to the last detail. Whether it's the seamless flow of an A&K itinerary or the prompt attention paid to an unanticipated request, you can be sure that our extensive global presence is the driving force behind it.

## A&K's Expert Local Guides

Imagine strolling the market of a little-known village alongside a friendly local — your knowledgeable A&K local guide — who grew up just down the street and has known some of the vendors her whole life. She makes warm introductions and suddenly you are taking a bite of some exotic fruit picked just that morning.

Not only have our guides lived for decades — or even their entire lives — in the places you visit, they are year-round residents with the kind of insight into local culture that can only come from being a local themselves. Their expertise is unmatched and their excitement contagious.

They accompany you on your independent adventure every day, sharing a beyond-the-guidebook understanding of daily life and introducing you to everything from temples in their best light to museums' precious artifacts with early entry — before crowds arrive. The result is an incomparable journey that reveals the real spirit of a place, connecting you to the people, places and wildlife you encounter in a way you'll never forget.

## Safety You Can Trust

Your well-being and safety is always our first priority. Our network of local offices and long-established relationships in every region in which we operate allow us to keep our finger on the pulse of local dynamics and to manage your safety and security. Should a situation arise, A&K has resources at the ready to allow you to safely continue on your journey.

# THE IDEAL INDEPENDENT ITINERARY, READY TO BOOK

Designed by A&K experts to reveal your destination authentically, our Signature Series portfolio is priced and ready to book, with independent journeys that showcase the must-see sites, furthered by expert local guidance and luxury accommodations every step of the way.

## Inside the Signature Series

"I've never been here before. What are the best places to visit?" So many travellers have asked us this that we created the Signature Series: the ideal independent itinerary, featuring A&K's recommended must-sees at each destination. Signature Journeys include the best hotels from A&K's portfolio of luxury properties and expert local guides at every point on the itinerary.

## A World of Expertise: Planning Your Journey

When it comes to creating a journey that shows each destination at its best, there is no substitute for the insights of a local expert — and A&K has hundreds around the world. Whereas other travel companies rely on third-party guides and suppliers, A&K maintains 52 offices worldwide, whose experts work tirelessly so that every aspect of your journey meets Abercrombie & Kent's rigorous standards of quality and service.

## Travel on Your Own — But with Experts Always on Hand

Signature Series Journeys are private; they include just you and your companion(s), as well as an A&K local guide, who joins you at each stop on your itinerary to help you get the most from your

sightseeing. Beyond your local guides, your journey is supported by a host of dedicated A&K personnel who you may encounter briefly or never meet at all, from the representative who greets you at the airport (your transfers are always included) to the staff members behind the scenes who make your journey run without a hitch.

## Travelling on Your Own Timetable

The Signature Series departures in this brochure are ready to book with one phone call — the easiest way to book your independent A&K journey. Alternately, you can name your date, and, subject to availability, we'll confirm it at the same price as the published departures that month (excluding holidays and festival dates).

“We could not be more pleased with the way everything was taken care of. A&K will be at the top of the list when it comes to planning our next adventure.”

— Janet; Littleton, CO

Embark on an afternoon game drive in search of giraffes, waterbucks, wildebeest, zebras and elephants. ### DAY 1: Arrive Split, Croatia

Arrive in Split after an overnight flight. You are met and driven to your hotel in the heart of the Old Town. The balance of your day is at leisure. *Hotel Park*

### DAY 2: Split | *The Palace of Diocletian*

Join your guide to see the sights of lively Split, including the imposing Palace of Diocletian and its synagogue. Built in the third century on the shores of the Adriatic, this looming building with its cavernous interior is a unique remnant of the Roman Empire. Also see the octagonal Cathedral of Saint Domnius next door. Visit the daily market and then stop at Meštrović Gallery, to view works by sculptor Ivan Meštrović, whose art can be found on display around the world. Anyone familiar with Chicago's Grant Park knows Meštrović's bronze masterpieces, *The Bowman* and *The Spearman*. Later, stroll through Split's Old Town and along the palm-lined harbor-front promenade. The remainder of the day is at leisure.

*Hotel Park | Meals: B*

### DAY 3: Hvar | *Medieval City*

This morning, transfer to the port and board a ferry to cruise along the stunning Dalmatian coastline. Arrive at Stari Grad and drive to nearby Hvar Town. Enjoy midday time at leisure in this charming community before setting out on a walking tour of its medieval buildings — legacy of four centuries of Venetian rule — led by an expert local guide. Then, visit the 14th-century Cathedral and the formidable stone-block Arsenal.

*Adriana Hvar Spa Hotel | Meals: B*

Enjoy a guided walking tour of charming, medieval Hvar Town

### DAY 4: Hvar | *Winery Tour & Tasting*

Today, continue your exploration of this extraordinarily lush, green island with a visit to a local winery for a tour and tasting. Discover a warm environment filled with lavender, pines and aromatic Mediterranean flora, where the local people have cultivated their vineyards with great skill and care for centuries. Return to Hvar Town, stopping en route at the Spanjol Fortress to enjoy breathtaking views of the Adriatic Sea, before enjoying the rest of your day at leisure. *Adriana Hvar Spa Hotel | Meals: B*

### DAY 5: Dubrovnik | *Pearl of the Adriatic*

Depart Hvar by public ferry to the mainland and then head south to Dubrovnik. Nicknamed the "Pearl of the Adriatic," it is among the best preserved medieval walled cities in the world. As you travel along the coast, stop in the fishing town of Ston on the Pelješac Peninsula. Historic Ston has beautiful examples of medieval architecture and fortified walls, as well as numerous monuments. The town is also known for its oysters and salt works. You may wish to have lunch here in a typical Dalmatian restaurant, and sample the famous mollusks. On arrival in Dubrovnik, check in to your hotel, which overlooks the old city. The remainder of today is at leisure to begin your exploration of what is arguably the loveliest city in Croatia. Once a medieval center of maritime trade that rivaled Venice, Dubrovnik was heavily damaged by military conflicts in the 1990s. Today,

however, its old city — since restored to its former glory — is a UNESCO World Heritage Site.

*Hotel Excelsior Dubrovnik or Villa Orsula | Meals: B*

#### DAY 6: Dubrovnik/Konavle Valley | *Tranquil Seaside Village*

Walk through Dubrovnik with your local guide to see the Franciscan and Dominican monasteries, the Rector's Palace and Dubrovnik Cathedral. Ascend Mount Srd by cable car for stunning views of Dubrovnik City, the Elaphiti Islands and Montenegro. Journey outside Dubrovnik to the beautiful Konavle Valley, travelling through vineyards, orchards and fields of grain. Once there, witness the traditional ways of weaving silk, performed by local artisans using skills handed down for the past 500 years. Then, return to Dubrovnik.

*Hotel Excelsior Dubrovnik or Villa Orsula | Meals: B*

#### DAY 7: Kotor, Montenegro/Dubrovnik | *Towers & Cathedrals*

Travel to the small country of Montenegro, enjoying stunning scenery en route. With its rugged mountains that sweep down to the glittering blue Adriatic Sea, Montenegro features dynamic topography dotted with picturesque villages and fortified towns. Stop by the sea and embark by boat to Our Lady of the Rocks, a tiny church built on an island that dates back to 1452. Back on the mainland, visit the coastal town of Kotor, a UNESCO World Heritage Site. Situated on the Bay of Kotor — a submerged river canyon — the town is surrounded by fortifications built during the Venetian period. Later, return to Dubrovnik.

*Hotel Excelsior Dubrovnik or Villa Orsula | Meals: B*

#### DAY 8: Depart Dubrovnik

After breakfast, transfer to the airport and depart. *Meals: B*

By booking a program with A&K, guests agree to allow their images to be used in such photographs and video. Guests who prefer that their images not be used are asked to identify themselves to their Local Guide at the beginning of their program.

#### LIMITS ON A&K'S RESPONSIBILITY

A&K, its employees, shareholders, officers, directors, successors, agents and assigns, does not own or operate any property or entity which is to or does provide goods or services for your trip. It purchases transportation (by aircraft, coach, train, vessel or otherwise), hotel and other lodging accommodations, restaurant, ground handling and other services from various independent suppliers (including from time to time other affiliated A&K companies). All such persons and entities are independent contractors. As a result, A&K is not liable for any negligent or willful act of any such person or entity or of any third person. In addition and without limitation, A&K is not responsible for any injury, financial or physical loss, death, inconvenience, delay or damage to personal property in connection with the provision of any goods or services whether resulting from but not limited to acts of God or force majeure, illness, disease, acts of war, civil unrest, insurrection or revolt, animals, strikes or other labor activities, criminal or terrorist activities of any kind, overbooking or downgrading of services, food

poisoning, mechanical or other failure of aircraft or other means of transportation or for failure of any transportation mechanism to arrive or depart on time.

There are many inherent risks in adventure travel of the type involved here, which can lead to illness, injury, or even death. These risks are increased by the fact that these trips take place in remote locations, far from medical facilities. Guest assumes all such risks associated with participating in these trips.

If you decide to participate in any activities including, but not limited to, any excursions involving animals, riding on animals, SCUBA diving, snorkeling, hot air ballooning, ziplining, high altitude treks, climbing, whitewater rafting, primate tracking and any activity which A&K considers to carry inherent risk of serious illness, injury or death ("Activities"), then you fully understand and acknowledge that Activities carry with them various inherent risks, including serious illness, injury or death and you take complete responsibility for your own health and safety and agree to assume all risks of injury, illness or death, whether foreseen or unforeseen, that may befall you as a result of participating in any Activities and agree to release A&K and its affiliates, their agents, employees and representatives from any liability whatsoever related thereto.

Further, as consideration for being permitted to participate in the Activities, you release A&K, whether known or unknown, from, and agree not to sue or make claim against A&K for, property damage, cancellation of any Activities for any reason, illness, negligent rescue operations or procedures, personal injury, or death arising out of your participation in the Activities, and any activity related thereto, including transportation to and from the site of the Activities, regardless of whether such property damage, illness, personal injury, or death results from the negligence of A&K (but not its reckless, willful, or fraudulent conduct), and/or from any defect in equipment. You further agree to indemnify and hold A&K harmless with respect to any claim made against A&K by anyone else which (a) related to your participation, or (b) which would be subject to the above release and covenant not to sue if you had made the claim directly yourself.

#### TRAVEL ADVISORIES AND WARNINGS

It is the responsibility of the guest to become informed about the most current travel advisories and warnings by referring to the U.S. State Department's travel website at [travel.state.gov](http://travel.state.gov) or by phone at 888 407 4747. In the event of an active State Department Travel Warning against travel to the specific destination location(s) of the trip, should the guest still choose to travel, notwithstanding any travel advisory or warning, the guest assumes all risk of personal injury, death or property damage that may arise out of the events like those advised or warned against.

#### ARBITRATION AGREEMENT

Any controversy or claim arising out of or relating to these **Terms and Conditions**; to the **Limits on A&K's Responsibility** clause; to any A&K brochure; to any information regarding any A&K trip, service or
