A Journey Matched to Your Interests, Your Style and Your Budget

Every traveller is different — and so is every North American Luxury Tailor Made Journey. Create a journey based on one of these themes, mix and match them, or make up your own for a journey that's just right for you.

Food & Wine

America boasts some of the most innovative chefs — and some of the finest wines — in the world, so it's no surprise that food and wine are often the most memorable part of a North American journey. Take a culinary tour of Carmel or spend a day tasting the fruits of the Sonoma vineyards.

Cultural Encounters

For many travellers it's people, not places, that make a journey worth remembering. A&K connects you to local people and events that make your journey come alive, and that embody the extraordinary richness and diversity of North America.

Family Journeys

Luxury Tailor Made Travel offers the freedom to travel solely on your own schedule, with no conflicts with school or work. It also offers the chance to tailor the experience with every family member in mind, and A&K guides are masters at keeping all ages interested and engaged, even if it means rearranging a day's activities on the fly.

Active Adventures

For travellers who relish being out in nature, there's no better place to be than North America. A&K can create an active adventure chock-full of your favorite outdoor activities, whether exploring on horseback in Grand Teton National Park or fishing for salmon on a private boat in Alaska.

Art & Architecture

Art museums, theater tickets, tours of historic sites — when it comes to art and architecture, some travellers can't get enough. Luxury Tailor Made Journeys connect you with local artists for private visits to their studios, or show you museum collections off-limits to the public.

Celebrate with Travel

A birthday, anniversary or retirement — whatever the milestone, a Luxury Tailor Made Journey is the perfect way to commemorate it. Celebrate your birthday with a picnic in a California vineyard, or start your retirement with a heli-hiking excursion in the Canadian Rockies.

Expert-Selected Accommodations

You can spend countless hours reading hotel reviews online — or you can leave it to the experts in A&K's local offices, who have established preferred relationships with the most authentic and luxurious properties in every locale we visit.

The Best Hand-Selected Luxury and Boutique Hotels

Our experts have inspected hundreds of hotels, including five-star luxury properties; charming, one-of-a-kind boutiques; and family-friendly hotels full of all-ages amenities. This firsthand knowledge allows us to recommend the perfect fit for you and your itinerary, and the hotels mentioned in this brochure are just a small sample of the many properties we can offer.

Wilderness Lodges that Immerse You in the Wild

North America's scenic wilderness is second to none, and offers great opportunities for spotting wildlife, exploring on horseback and other outdoor activities. We pick lodges that combine contemporary comforts with proximity to the most unspoiled and unforgettable locales on the continent, with plenty of options for guided and solo excursions.

Getting There in Style

Take your journey to the next level with chic transportation reserved for your exclusive pleasure, arranged to work with your itinerary: private helicopters that give you more time to explore and luxury yachts that let you cruise in style along America's scenic coastlines.

Creating the Perfect Journey, Just for You

When it comes to planning a journey that is just right for you, there is no substitute for working alongside an expert — and A&K has the best.

Leave the Planning to the Experts

Our experts understand travel planning at a level most travellers never imagine. Creating a Luxury Tailor Made itinerary isn't just about choosing hotels and arranging visits to museums or knowing the best time to visit a winery — it's about giving you the kinds of uniquely inspiring experiences you didn't even know existed, local encounters made possible only by A&K's longstanding connections around the world.

No Substitute for Working One on One

Whether working with your travel professional or directly with you, our Travel Consultants learn how you like to travel and what kinds of activities make your vacation meaningful to you. Whatever way you like to travel, we create a journey to match, with as much or as little oversight as you want to provide. And when the time comes to book your next journey, we're ready to provide the exact same personal, one-on-one service.

A&K's Travel Consultants

Our more than 30 top-notch Travel Consultants have an average of 10 years' experience, and each is a proud expert in their chosen region of the world. They're also born adventurers, and they can advise you on the best places to visit because they've usually been there themselves. Your consultant gets to know you as an individual, one traveller to another, in order to make your journey everything you want it to be.

A&K reserves the right to decline acceptance of anyone whom it considers unsuitable due to fitness level. The guest represents that neither he nor she nor anyone travelling with him or her has any physical or other condition or disability that could create a hazard to himself or herself or other members of the tour. A&K reserves the right to decline acceptance of anyone whom it considers unsuitable due to fitness level. A&K also reserves the right to remove from the trip, at the participant's own expense, anyone whose physical condition or conduct negatively impacts the enjoyment of the other guests or disrupts the tour.

A&K'S GUEST PROTECTION PROGRAM

Our Guest Protection Program, which provides cancellation coverage, medical coverage and protection against lost or damaged luggage, is not included in the program price and is recommended. The plan must be purchased within 14 days of deposit in order to waive the pre-existing medical condition exclusion. Call A&K for details.

PASSPORTS AND VISAS

It is the guest's sole responsibility to obtain, and have available when necessary, the appropriate valid travel documents. All guests are advised to check with the appropriate government authority to determine the necessary documents. A valid passport is required for U.S. citizens travelling to all international destinations. Passports must be valid for six (6) months after the return of your journey and should also have sufficient blank visa pages for entry and exit stamps. Many destinations also require a visa for U.S. citizens; this will be indicated in your Pre-Travel Documentation. Non-U.S. citizens should contact the appropriate consular office for entry requirements pertaining to their journey. You may be refused boarding or disembarked from a vessel without liability for refund, payment, compensation or credit of any kind if you do not have proper documentation, and you will be subject to any fine or other costs incurred by A&K which result from improper documentation or noncompliance with applicable regulations.

RESERVATION AND PAYMENT SCHEDULE

Deposit per person required at time of booking: A deposit of \$1,000 per person for Signature Series and 25% of the program price for Tailor Made is required at the time of booking. Final payment is due 120 days prior to departure. If your reservation is made within 120 days of departure, the entire cost of the trip must be paid at the time of the request

in order to secure confirmation. Additional deposits may be required for planes, vessels and trains, including private charters; exclusive, private use of accommodations or venues; and groups of 15 or more. An additional nonrefundable permit fee is required at the time of booking for Uganda (\$1,350 per person).

Changes to the Itinerary: The guest will be responsible for any changes or cancellations made to the itinerary at their request or beyond their control, before or during travel, including expenses incurred due to a change, delay or cancellation of any flights. If a guest cancels or leaves a journey and a roommate remains, an additional supplement may apply to the price for the remaining guest.

CANCELLATION CHARGES FOR INTERNAL AIR

All internal air is 100% non-refundable at time of final payment (some exceptions may apply).

CANCELLATION CHARGES FOR EXTRA SERVICES

Additional hotel nights and other extra services booked in connection with A&K programs are subject to specific cancellation penalties. These will be provided at the time of booking and noted on the invoice.

CLAIMS AND REFUNDS

Refunds are not made for any missed services, except for verifiable, extenuating circumstances. Please see our Limits on A&K's Responsibility clause below. For verifiable claims to be considered, they must be received in writing within 30 days of the termination of the program and be accompanied by supporting documentation and/or a statement from the local destination company verifying the claim. Any adjustment consideration will be based on the actual price of the services involved and not on a per diem basis. Adjustments will not be made for unused sightseeing trips or meals. A&K will not accept any liability for any claims that are not received within 30 days of the termination of your travel program.

PHOTOGRAPHY DURING TRAVEL

A&K reserves the right to take photographs and video during the operation of any program, or part thereof, and to use them for promotional purposes during the program and thereafter. By booking a program with A&K, guests agree to allow their images to be used in such photographs and video. Guests who prefer that their images not be used are asked to identify themselves to their Local Guide at the beginning of their program.

LIMITS ON A&K'S RESPONSIBILITY

A&K, its employees, shareholders, officers, directors, successors, agents and assigns, does not own or operate any property or entity which is to or does provide goods or services for your trip. It purchases transportation (by aircraft, coach, train, vessel or otherwise), hotel and other lodging accommodations, restaurant, ground handling and other services from various independent suppliers (including from time to time other affiliated A&K companies). All such persons and entities are independent contractors. As a result, A&K is not liable for any negligent or willful act of any such person or entity or of any third person. In addition and without limitation, A&K is not responsible for any injury, financial or physical loss, death, inconvenience, delay or damage to personal property in connection with the provision of any goods or services whether resulting from but not limited to acts of God or force majeure, illness, disease, acts of war, civil unrest, insurrection or revolt, animals, strikes or other labor activities, criminal or terrorist activities of any kind, overbooking or downgrading of services, food poisoning, mechanical or other failure of aircraft or other means of transportation or for failure of any transportation mechanism to arrive or depart on time.

There are many inherent risks in adventure travel of the type involved here, which can lead to illness, injury, or even death. These risks are increased by the fact that these trips take place in remote locations, far from medical facilities. Guest assumes all such risks associated with participating in these trips.

If you decide to participate in any activities including, but not limited to, any excursions involving animals, riding on animals, SCUBA diving, snorkeling, hot air ballooning, ziplining, high altitude treks, climbing, whitewater rafting, primate tracking and any activity which A&K considers to carry inherent risk of serious illness, injury or death ("Activities"), then you fully understand and acknowledge that Activities carry with them various inherent risks, including serious illness, injury or death and you take complete responsibility for your own health and safety and agree to assume all risks of injury, illness or death, whether foreseen or unforeseen, that may befall you as a result of participating in any Activities and agree to release A&K and its affiliates, their agents, employees and representatives from any liability whatsoever related thereto.

Further, as consideration for being permitted to participate in the Activities, you release A&K, whether known or unknown, from, and agree not to sue or make claim against A&K for, property damage, cancellation of any Activities for any reason, illness, negligent rescue operations or procedures, personal injury, or death arising out of your participation in the Activities, and any activity related thereto, including transportation to and from the site of the Activities, regardless of whether such property damage, illness, personal injury, or death results from the negligence of A&K (but not

its reckless, willful, or fraudulent conduct), and/or from any defect in equipment. You further agree to indemnify and hold A&K harmless with respect to any claim made against A&K by anyone else which (a) related to your participation, or (b) which would be subject to the above release and covenant not to sue if you had made the claim directly yourself.

TRAVEL ADVISORIES AND WARNINGS

It is the responsibility of the guest to become informed about the most current travel advisories and warnings by referring to the U.S. State Department's travel website at travel.state.gov or by phone at 888 407 4747. In the event of an active State Department Travel Warning against travel to the specific destination location(s) of the trip, should the guest still choose to travel, notwithstanding any travel advisory or warning, the guest assumes all risk of personal injury, death or property damage that may arise out of the events like those advised or warned against.

ARBITRATION AGREEMENT

Any controversy or claim arising out of or relating to these **Terms and Conditions**; to the **Limits on A&K's Responsibility** clause; to any A&K brochure; to any information regarding any A&K trip, service or package; or to any A&K related trip, activity, service or package shall be submitted exclusively to and resolved in binding arbitration in Chicago, Illinois under the CPR International Non-administered Arbitration Rules (which can be found at cpradr.org), before a single arbitrator appointed by CPR. Any party or their representative may appear for the arbitration by telephone or video conference. Each party shall bear its own fees, costs and expenses and an equal share of any arbitrator and administrative fees.
