INSIDER ACCESS ONLY A&K CAN DELIVER

With its more than five decades of experience, over 55 offices worldwide and renowned Resident Tour Directors, only Abercrombie & Kent can take you to the heart of a destination with the privilege of authentic local access.

Why Local Access Matters
When you travel with A&K, we don’t just take you to the front of the line; we take you to the rooms in the palace not typically open to visitors on an exclusive tour with the best historian in the region. This kind of unfettered access to the authentic heart and soul of a place — to the people and sites that exist far beyond the reach of the average traveller — is something we pride ourselves in delivering on every journey we create, whether to the world’s most iconic or faraway destinations.

It is unequivocally what sets A&K apart from any competitor. And it has everything to do with our extensive and long-established connections within every locale in which we operate.

An Unmatched Local Presence
A&K works tirelessly to design experiences you won’t find anywhere else and provide the most robust tour operator support network, including over 55 offices in more than 30 countries around the world. Unlike our competitors, we train and manage our own full-time staff, orchestrating every aspect of your journey with precision and flexibility down to the last detail. Whether it’s the seamless flow of an A&K itinerary or the prompt attention paid to an unanticipated request, you can be sure that our extensive global presence is the driving force behind it.

Experienced Resident Tour Directors
Imagine strolling the market of a little-known village alongside a friendly local — your A&K Resident Tour Director — who grew up just down the street and has known some of the vendors her whole life. She makes warm introductions and suddenly you are taking a bite of some exotic fruit picked just that morning.

Not only have our Resident Tour Directors lived for decades, or even their entire lives in the places you visit, they are year-round residents with the kind of insight into local culture that can only come from being a local themselves. Small wonder our guests rated them as “Excellent” more than 95% of the time in 2017. Their expertise is unmatched and their excitement contagious.

Overseeing your entire journey, they accompany you every day, sharing a beyond-the-guidebook understanding of daily life that stems from their own genuine curiosity and introducing you to everything from temples in their best light to wild savannas at their most authentic hour. The result is a journey that reveals the real spirit of a place, connecting you to the people, places and wildlife you encounter in a way you’ll never forget.

Safety You Can Trust
Your well-being and safety is always our first priority. Our network of local offices and long-established relationships in every region in which we operate allow us to keep our finger on the pulse of local dynamics and to manage your safety and security. Should a situation arise, A&K has resources at the ready to allow you to safely continue on your journey.
A SMALL-GROUP TRAVEL EXPERIENCE LIKE NO OTHER

We set the stage for the extraordinary by limiting our Luxury Small Group Journeys to no more than 18 guests — attracting like-minded people with an abiding love of travel.

An Ideal Group Size
A&K’s small group size of just 18 opens up a world of insider-access opportunities for you and your fellow guests, from private museum openings to visits with local people in their own homes. It means more one-on-one interaction with your Resident Tour Director and also allows A&K to reserve splendid hotels that can’t accommodate the typically larger groups of 40-plus that travel with other companies.

Itineraries You Won’t Find Anywhere Else
With our ideal small group size and unrivaled access, A&K experts are uniquely positioned to create journeys that feature iconic destinations and perfect pacing, all seamlessly orchestrated for the luxury traveller. That means you get to enjoy benefits that include unique flight routings to allow for extra time on safari, longer stops in the places you most want to see, and even multiple stops, perhaps to experience the magical luminosity of the Taj Mahal both at sunrise and sunset.

Intimate Groups of Like-Minded Travellers
Seasoned travellers say the best part of a journey is often the people you meet. On an A&K Luxury Small Group Journey, this extends not just to the fascinating locals you encounter, but to the new friends you meet within your group. Each shares in countless inspiring local encounters with you, ultimately bringing their own unique perspectives and histories, and adding to the brilliant tapestry that becomes your journey. Many a lasting friendship has been forged travelling with A&K, and guests who meet on one journey are often fast making plans together for their next.
“This was our first time with A&K. We were drawn by the small maximum group size of 18. Our journey exceeded expectations. Our Resident Tour Director inspired confidence and we felt relaxed in A&K’s hands.”

— Margaret; Langley, British Columbia, January 2017
LUXURY DOWN TO THE LAST DETAIL

Ever since serving our first ice-cold drink on the plains of Africa, we have always gone beyond the ordinary. This translates to an impeccable attention to detail and every unexpected amenity, transforming your journey into a true luxury experience.

Exclusive Moments Designed Just for You
On every A&K journey, experience locally inspired moments that are crafted by our experts just for A&K guests. These include the opportunity to explore a charming neighborhood by horse-drawn carriage or rickshaw when you Ride Like a Local, and to end the day with a refreshing cocktail — our Scenic Sundowner — which we set in an unforgettable location against a breathtaking sunset.

A Unique & Varied Dining Experience
An authentic taste of local cuisine can be the highlight of any journey. We make it so by providing you with a perfect mix of planned group meals — including celebratory welcome and farewell dinners — and mealtimes left unscheduled. You’ll also experience favorite local restaurants, join in our Chef’s Table — where you may participate in a culinary demonstration and feast on a beautiful menu — and enjoy an à la carte dinner on your own and at your leisure.

Your Luggage Is in Our Hands
With A&K’s exclusive Travelling Bell Boy® service, simply leave your packed bags behind in your room as you walk out the door; find them waiting inside your room at your next accommodation.

Breakfast in Bed
Sometimes it’s just nice to relax in the morning, so twice during your Luxury Small Group Journey you can opt for continental breakfast, served to you in the comfort of your hotel room.

Complimentary Laundry Service
A good traveller always packs light and we make it easier for you with our Traveller’s Valet® service. Offered only by A&K, this exclusive amenity provides complimentary laundry service for up to eight items at the midpoint of your journey.

Complimentary Connectivity
Getting away from it all doesn’t have to mean leaving everything behind. Enjoy complimentary Internet access during hotel stays and cruises with overnight stays on Luxury Small Group Journeys. Don’t wait for your trip to end to share photos and stories with the folks back home. Internet access subject to availability in some remote regions.

Private Transfers & Gratuities Included
Private arrival and departure transfers are always included with your A&K journey, regardless of when you choose to arrive or depart. Likewise, all of your gratuities are included, except one for your Resident Tour Director, which is at your sole discretion.

Departure Dates & Prices are Always Guaranteed
Book your journey with confidence knowing we won’t cancel. Every A&K Luxury Small Group Journey is guaranteed to depart with a minimum of just two guests. And if the price you pay for your journey drops after you book, we’ll refund the difference.
“Our accommodations were part of what makes A&K a cut above all others. The safari lodge in Kruger National Park was exceptional; it made the entire trip terrific.”

— Stuart; Boca Raton, FL, May 2017

WHY CHOOSE AN A&K SAFARI?

While others may appear to offer a safari experience comparable to Abercrombie & Kent, A&K safaris remain unmatched. What makes A&K the world’s best safari company, year after year?

More than Five Decades of On-the-Ground Experience
From our start in Kenya in 1962, Abercrombie & Kent pioneered the modern luxury African safari. More than five decades later, A&K is still setting the standard for an African journey like no other, delivering authentic, inspiring experiences beyond the usual tourist destinations. Where other safari companies subcontract their services from a continent away, we live and work every day in the very same areas you visit.

A Peerless Local Presence
Our long-standing connections — and 12 permanent, full-time offices in Africa — allow us to offer the most desirable room categories, the best game-viewing locations for lodges and camps, and unmatched service at every stage of your journey.

Simply the Best Safari Guides
A&K’s safari guides are handpicked for their expertise in the culture, flora and wildlife of Africa. In Kenya, every A&K guide has attained a minimum of a bronze-level certification by the Kenya Professional Safari Guides Association; in fact, we have the most of any tour operator.

The Most Successful Kilimanjaro Climbing Operation
How do you achieve a summit rate of 97%? By strictly managing every detail of every climb to give you the best chance at success. See page 30 for more on A&K and Kilimanjaro.

Custom Safari Vehicles We Design, Build and Own
While other safari providers rent or lease their vehicles, A&K owns and maintains its own custom fleet — the finest in East Africa. Our fleet is built to our specifications, with high front and side windows providing great views; air conditioning in most vehicles (a blessing on hot afternoons in the bush); a refrigerator filled with chilled water; and even Wi-Fi access.

Only the Finest Safari Camps and Lodges
Retreat daily to your own authentic, veranda-fronted tent or amenity-laden lodge to enjoy an unexpected haven of five-star comfort in the heart of Africa. From Sanctuary Ngorongoro Crater Camp in Tanzania and Sanctuary Chief’s Camp in Botswana to Four Seasons Safari Lodge Serengeti and renowned Gibb’s Farm, our safaris feature luxurious accommodations expertly positioned away from the crowds and near an abundance of wildlife and scenic views.
A Long-Standing Commitment to Local Communities
Conservation and philanthropy were integral parts of A&K long before they were fashionable. Working hand-in-hand with local tribes and villages, we fund schools and clinics, and generate opportunities for employment that benefit their communities. Grassroots Abercrombie & Kent Philanthropy projects like these are included on several of our Africa itineraries, welcoming our guests to participate in travel that changes lives.

Excellence Recognized by Travellers and Travel Pros
A&K's African safaris have won acclaim from guests and travel professionals alike. We have been named Best Tour Operator in Africa for 12 years running by the readers of Travel Weekly and Best Africa/Middle East Tour Operator by readers of TravelAge West and Recommend. In Africa and throughout the world, A&K sets the standard.

“This trip exceeded expectations. Our guide was outstanding, the food was excellent, and the animals and landscapes were breathtaking.”
— Lisa; Fernandina Beach, FL, Tanzania Safari in Style, September 2017

A Safari Bag Designed by the Pros
Guests on our African safaris receive a complimentary A&K Duffel, designed to the same exacting standards as the journey itself. Our bag is perfectly sized to hold your safari essentials while meeting all baggage size restrictions for your Africa flights.
As you decide which A&K safari journey best suits your travel interests, it helps to understand how the safari experience differs between East Africa and Southern Africa.

**Southern Africa: Dynamic and Diverse**
Southern Africa, an area encompassing Zambia, Zimbabwe, Botswana, Namibia and South Africa, offers dynamic topography. From the upland forests of Botswana to incomparable Victoria Falls, which borders both Zambia and Zimbabwe, and from the stark, stunning sand dunes of the Namib Desert to the bushveld of South Africa’s private reserves, variety abounds.

Southern African wildlife is similarly diverse, with the iconic big cats — lions, leopards and cheetahs — always on the prowl. In Botswana, the lush Okavango Delta draws a profusion of species, including hippos, giraffes, crocodiles, rhinos and baboons, which A&K guests encounter in the uncrowded intimacy of private game reserves.

The nation of South Africa offers first-rate culinary and cultural opportunities, ranging from tastings at award-winning wineries in the ruggedly beautiful Cape Winelands to visits to historical sites and the majestic Table Mountain in the country’s cosmopolitan “Mother City,” Cape Town.

**East Africa: A Classic Appeal**
East Africa (including Kenya, Tanzania and Uganda) is the definition of classic safari country. Home to the vast Serengeti and Masai Mara as well as the teeming Ngorongoro Crater, East Africa has formed the backdrop for legendary safari expeditions since the days of Ernest Hemingway and Isak Dinesen, and served as the birthplace of A&K.

In northern Tanzania, the seemingly endless horizon of East Africa yields to Mount Kilimanjaro — the tallest mountain in Africa, at over 19,000 feet. Those who would conquer it can do so in style with A&K, enjoying the highest summit rate of any operator in Africa.

Wildlife viewing throughout Kenya and Tanzania is reliably spectacular. The famed “Big Five” — lions, leopards, elephants, rhinos and Cape buffalo — are sighted here on a regular basis, along with hundreds of other species, ranging from wildebeests and zebras to antelopes and cheetahs. And up-close encounters with endangered mountain gorillas are available, on an extension with A&K that takes you trekking through Uganda.

East Africa’s wide-open grasslands also bear witness to the Great Migration (see map at left), when millions of wildebeests, zebras, antelopes and other herd animals make their annual trek in search of water and fresh grazing land, stalked by predators every step of the way. One of nature’s most incredible spectacles, the Great Migration vividly illustrates the timeless cycle of life and death in the wild.
CHOOSING THE RIGHT A&K SAFARI

When it comes to an African safari, one size definitely does not fit all. We offer a variety of itineraries to suit every safari-goer.

Safari in Style — Our Flagship Luxury Adventure
From the beginning, A&K has set the standard for the modern-day luxury safari and never more so than with our flagship Safari in Style journeys. Offering you the very best in boutique safari lodgings expressly designed for smaller groups — including our select portfolio of exquisite luxury tented camps — they are the most authentic and luxurious way to experience the African bush. After each thrilling day of exploration, return to camp for cocktails and gourmet meals by a fire, and retreat each night to your plush accommodations under starry African skies.

Wildlife Safari — Ideal for Your First Visit to Africa
Wildlife Safari journeys are a wonderful way to experience Africa for the first time. These safaris take place at spacious, comfortable lodges and camps located in scenic stretches of Africa’s most popular game parks and reserves. Wildlife Safaris journey to prime game-viewing locations, allowing you to take in a panorama of daily life in the African bush.

Family Safari — Featuring Activities Kids Love
Our Family Safaris include age-appropriate activities during your journey, supported by additional A&K staff where needed. Children on a Family Safari may make tribal masks or jewelry and identify animal tracks — unforgettable fun that brings Africa’s culture to life. The accommodations chosen for these journeys also welcome young visitors and feature swimming pools and other family-friendly amenities.

AFTER YOU CHOOSE YOUR SAFARI, COUNT ON A&K

Whichever way you choose to explore Africa, Abercrombie & Kent, with its 12 full-time offices across the continent and more than five decades’ experience in luxury safari travel, is uniquely qualified to make yours the journey of a lifetime.
The Great Migration Safari in Style

14 days from $14,995  
Limited to 18 guests

Visiting Nairobi, Amboseli National Park, Tarangire National Park, Ngorongoro Crater, Serengeti National Park and Masai Mara Game Reserve

Victoria Falls Extension | 4 days from $1,995  
Uganda Extension | 4 days from $2,995

DAY 1: Arrive Nairobi, Kenya
Arrive in Nairobi and transfer to the luxurious Fairmont The Norfolk. Perhaps Kenya’s most famous hotel, it is also, in a sense, the heart of Nairobi, welcoming generations of safari-goers since it first opened on Christmas Day, 1904. *Fairmont The Norfolk*

DAY 2: Amboseli National Park | *At the Foot of Kilimanjaro*
Today, drive to Amboseli National Park at the base of soaring, snow-capped Mount Kilimanjaro, which, at 19,341 feet, is the highest freestanding mountain in the world. Set out in search of the region’s spectacular wildlife — African savanna elephants, leopards, cheetahs and hosts of plains game — all roaming freely amid swamps, springs and a shimmering, dried lakebed. This evening, gather with fellow guests for a welcome dinner celebrating the start of an unforgettable safari adventure. *Tawi Lodge | Meals: B L D*

DAY 3: Amboseli National Park | *A Full Day in the Bush*
Spend a full day exploring wildlife-rich Amboseli National Park, watching for lions and buffalo. Enjoy a morning on safari before breaking for lunch. This afternoon, make another game drive, capped with a refreshing sundowner. *Tawi Lodge | Meals: B L D*

DAY 4: Tarangire National Park, Tanzania | *Game Viewing*
Drive to the Tanzania border, stopping for lunch in Arusha. Board a direct flight from Arusha to Tarangire National Park and settle into your luxurious accommodations. Sanctuary Swala’s large tents are built on raised decks under umbrella acacia trees overlooking the Gurusi flood plains. The layout is very open with resident herds of impalas often grazing in camp. Wide panoramas of wooded savanna stretch in every direction in the park, which is nurtured by the permanent Tarangire River and populated by abundant big game, such as lions, elephants and buffalo. Its dusty red landscape also hosts a large bird population. Tonight, dine in camp. *Sanctuary Swala | Meals: B L D*

DAY 5: Tarangire National Park | *Into the Wild*
Today, embark on morning and afternoon game drives, seated six to a vehicle so that every guest enjoys a window seat. Explore Tarangire National Park backdropped by the spectacular, rust-hued Great Rift Valley. At Tarangire, find a stunning concentration of animals — herds of elephants, impalas and zebras. Look, too, for pythons and the twitching tails of leopards, who hide high above in sausage trees. As dusk falls, you may opt for a night safari, available at an additional cost, to search for nocturnal animals rarely seen by visitors. You may spy an African wildcat, the elusive leopard or the round eyes of a bushbaby. With specialized lighting, look for lions and hyenas
Journey into a “Lost World” of spectacular wildlife in Ngorongoro Crater

and smaller creatures — spotted genets, servals, bat-eared foxes and nightjars. While at Swala, you also partake in a Chef’s Table experience, including a cooking demonstration of local dishes such as ugali, makande and kachumbari, followed by an opportunity to taste them. Sanctuary Swala | Meals: B L D

DAY 6: Ngorongoro Crater | Wildlife-Rich Haven
Learn how Africans live today, exploring in and around the village of Mto wa Mbu, as you Ride Like a Local by tuk-tuk, a major form of transport here. See rice fields and a banana plantation, and try banana beer at a local bar. In the village, enjoy a walk through the local market to see the colorful produce on display. After lunch in the village, head toward Ngorongoro Crater. Arrive at your restful luxury lodge, set near the Ngorongoro Conservation Area, for a tranquil evening and overnight stay.
Gibb’s Farm/The Manor at Ngorongoro | Meals: B L D

DAY 7: Ngorongoro Crater | Maasai Village Visit
Today, set out on a full-day game drive in Ngorongoro Crater, exploring the panoramic, short-grass prairies along the floor of this ancient volcanic caldera, home to rare black rhinos as well as lions, hyenas and gazelles. The diverse and profuse wildlife dwelling within the encircling crater walls led this incredible “Lost World” to be named a UNESCO World Heritage Site. Also see colorfully garbed Maasai herdsmen, who call the stunning landscape home. This afternoon, visit a Maasai village and meet with an elder to learn about local culture and traditions, and witness a traditional beadwork demonstration as part of an artisan visit. Gibb’s Farm/The Manor at Ngorongoro | Meals: B L D

DAYS 8-10: Serengeti National Park | Telling Excavations
Drive to Serengeti National Park, pausing for a privately guided visit at archaeologically rich Olduvai Gorge en route. The vast Tanzanian landscape hosts one of earth’s last remaining wildlife spectacles: the annual Great Migration, when millions of herbivores trek across the Serengeti plains in search of water and fresh grass, with hungry predators awaiting them. Over the next two days, your adventure may reveal giraffes, wildebeests, elephants and far more on morning and afternoon game drives. You may also opt for a hot air balloon ride across the boundless Serengeti, at an additional cost, for an exciting new perspective on the wildlife. Four Seasons Safari Lodge Serengeti/ Lemala Kuria Hills Lodge | Meals: B L D

DAY 11: Masai Mara Game Reserve, Kenya | Crown Jewel
Fly to the Masai Mara, the northern extension of the Serengeti. After settling into your riverside accommodation within the Masai Mara, immerse yourself in the wild during an afternoon game drive. Follow the Mara River to see crocodiles basking in the sun; hippos as they wallow in muddy water; and monkeys,

“The experiences viewing the animals, the lodges, the guides and the overall organization were all as good as we could have ever imagined. It was simply the journey of our lifetime.”
— Rich; Deerfield, IL, January 2017
busy sparkling mischief overhead. Here, too, reside over 500 species of birds, among them eagles who glide effortlessly above the sun-soaked landscape. During your time in the Mara, enjoy the peace of mind that comes with staying at Sanctuary Olonana, hailed since its recent comprehensive rebuild as one of the finest safari lodges in all of Africa. Relax each night in large, spacious suites — complete with generous tubs and rain showers en suite. Each suite also features a private veranda for game viewing or simply absorbing the magical scenery as well as floor-to-ceiling glass doors that fold open to reveal magnificent views of the Mara River. Tonight, join fellow guests for a Scenic Sundowner, followed by an elegant dinner.

Sanctuary Olonana | Meals: B L D

Witness the incomparable phenomenon of the Great Migration, when innumerable wildebeest and zebra herds course through the plains in search of fresh grass and water.

DAYS 12-13: Masai Mara Game Reserve | Unmatched Wildlife
Spend two full days exploring the open savanna, woodlands and tree-fringed rivers of the Masai Mara, where patience is rewarded with unique sightings: leopards, who retrieve kills from acacia branches high above, or elephants protecting their young from opportunistic lions. Game viewing is never dull in the Mara, especially when the dramatic annual Great Migration unfolds. Amid the stunning scenery, watch as Maasai tribesmen traverse the plains or herd goats and cattle. During one of your mornings here, enjoy another opportunity for an optional hot air balloon ride over the sprawling Mara (at an additional cost). Connect with local residents when you visit a village and primary school supported by A&K Philanthropy. Observe and learn firsthand how AKP’s e-reader program is improving literacy rates here by providing students greater access to books.

Sanctuary Olonana | Meals: B L D

After stopping for lunch in Arusha, continue to the village of Mto wa Mbu, where you Ride Like a Local on a tuk-tuk, viewing rice fields and the local community as you go. Afterward, browse the colorful stalls of the village market, as merchants display locally grown rice and bananas in a variety of colors. Along a narrow belt of acacia woodland, you may even spot the region’s storied tree-climbing lions, who ascend branches for a cool breeze. After a farm-fresh lunch, travel to the Ngorongoro Crater, ascending its outer wall through dense vegetation. Visit the small museum, take in views from the lookout point and examine the excavations, which revealed 3.7-million-year-old footprints and the skull of a 1.8-million-year-old man. Continue to your lodge, which is framed by commanding views of this land of lions, leopards, hyenas, cheetahs, giraffes and topi. Climbing Kilimanjaro with A&K

With a successful summit rate of 97% (compared to the average of 60-70%), A&K’s Mount Kilimanjaro expeditions give you an outstanding chance of reaching “the roof of Africa.” Our experienced climbing team oversees every factor that contributes to a successful climb.

Guides and Porters
Every A&K guide is a certified Wilderness First Responder, trained in mountain craft, natural history and ecological awareness. Our guides are also trained in first aid and fluent in English, and most have completed over 200 summits. A founding member of Kilimanjaro Porter Assistance Project and a proud Partner for Responsible Travel with the International Mountain Explorers Connection, A&K is an advocate for the welfare of our team of porters. Their hard work and dedication are what make every A&K trek possible.

Comforts on the Mountain
Summiting Mount Kilimanjaro comes easier to those who are well rested — and A&K campsites are famous for their comforts. Our customized sleeping tents are the largest and most luxurious on the mountain, designed for two people with raised cots and tall ceiling heights. Solar-lit dining tents with comfortable tables and chairs allow you to relax out of the elements and rejuvenate during the trek. Hygienic private toilets are also exclusively available to A&K trekkers.

Safety on the Mountain
A&K climbs use the finest climbing and camping apparatus, safety equipment and communications network. On every climb, we supply and carry all safety and emergency equipment, including: emergency oxygen, a portable altitude chamber, a defibrillator, pulse oximeters, a stretcher, an extensive first aid kit and three means of communication (cellphone, two-way radio and satellite phone).

Food and Nutrition
Another key element to conquering Kilimanjaro is to maintain proper nutrition throughout your entire trek. Every meal is designed to provide the nutrition you need to reach the summit. Unlike many other companies, A&K provides fresh food throughout the entire trek, including abundant snacks between meals as well as unlimited, purified water. Special diets can also be accommodated.

Acclimatization
While most trekkers spend a total of five days on the mountain, we schedule seven days (six nights) to allow more time for premium altitude acclimatization, giving A&K a successful summit rate of 97%.

Sustainable Treks
A&K leaves no trace on the mountain and takes pride in operating green campsites. Every A&K camp is completely portable with no fixed ground structures or plumbing, and we remove all waste and trash from our treks.

The park’s beautiful wetlands also lure a wealth of birdlife to the region and you may

The next morning, continue with your choice of activities. Widely acknowledged as the “Predator Capital of the World,” this area offers some of the most exciting game viewing in Africa and is one of the best places in Botswana to see the country’s “Big Five” — lion, leopard, rhino, elephant and Cape buffalo — drawn here from surrounding regions by the lush delta. Predators include cheetahs, spotted hyenas and, at the very top of the food chain, large resident prides of lions. White and black rhinos are also found here. This afternoon, take advantage of game-viewing activities led by experienced driver-guides or enjoy the vistas from your own private viewing deck. *Sanctuary Chief’s Camp/Belmond Eagle Island Lodge | Meals: B L D*

**DAY 9: Okavango Delta | Remarkable Game Drives**

Depart on another spectacular early morning game drive. Beyond predators, the Okavango Delta draws large concentrations of elephants, buffalo, red lechwes, giraffes and impalas. Enjoy a seasonal mokoro ride for a rare safari opportunity across deceptively quiet marshlands alive with

WITNESS THE STUNNING PYRAMIDS OF THE GIZA PLATEAU

DAY 4: Luxor | Karnak and the Valley of the Kings

Fly to Luxor, site of the ancient city of Thebes. Begin your full day of exploring here with a journey to the Temple of Karnak, where generations of pharaohs wished to record their names. Walk through the Great Hypostyle Hall; its expertly aligned columns, the largest of which is 80 feet high with a 33-foot circumference, are a sight to behold. Then, step aboard Sanctuary ‘Sun Boat IV,’ where you enjoy lunch. Afterward, disembark to explore the west bank of the Nile and the Valley of the Kings, burial ground of the pharaohs and a UNESCO World Heritage Site. For a period of 500 years beginning in the 16th century BC, tombs were built along this valley for pharaohs and nobles, including that of “the boy king,” Tutankhamun. Found in 1922 by British archaeologist and Egyptologist Howard Carter, the tomb of Tutankhamun is yours to discover, as you set foot inside its 3,500-year-old walls. Also visit the tomb of Seti I, the father of Ramses II, one of the best preserved tombs in the Valley of the Kings. Also, enjoy a photo stop at the Colossi of Memnon.

Sanctuary ‘Sun Boat IV’ | Meals: B L D

DAY 5: Cruising the Nile | Luxor to Esna

Journey once more to the east bank of the Nile, this time visiting...
Sail around the Aswan Islands, gliding on a felucca along the Nile.

Gather on board Sanctuary ‘Sun Boat IV’ for a Chef’s Table cooking experience, where you join the chef in preparing and sharing a local Egyptian dish.

DAY 6: Cruising the Nile | Edfu to Kom Ombo
Cruise to Edfu to view the Temple of Horus, falcon-headed god of the sky. Built in 230 BC by Ptolemy III and once buried in sand and debris, this stunningly well-preserved and colorful structure reveals what temple worship in ancient Egypt was like. Join your chef back on board for a local cooking lesson. Later, disembark at Kom Ombo (hill of gold) to visit the Greco-Roman temple dedicated to Haroeris (the sun god) and Sobek (the crocodile god), who was considered by some ancient Egyptians to be the creator of the world. While there, view the mummified remains of several crocodiles that once basked along the ancient Nile shore, just as their descendants do today. Sanctuary ‘Sun Boat IV’ | Meals: B L D

DAY 7: Aswan | Majestic Philae
Cruise to Aswan and ride a motorized boat to Philae Temple on the island of Agilika. This sacred complex was dedicated to the Goddess Isis and reflects a fusion of three great civilizations — Egyptian, Greek and Roman. The temple was dismantled, and then painstakingly reassembled when the Aswan High Dam was constructed. Built in the 1960s, the dam spans the Nile River, more than two miles across and incorporating 16 times the amount of material that went into the Great Pyramid at Giza. It provides irrigation and hydro-electric power to much of Egypt, and the reservoir that formed behind it, Lake Nasser, is 340 miles long. Proceed to the impressive granite quarries and site of the Unfinished Obelisk. Illustrating the skills of Egypt’s stonemasons, this monolith is one-third taller than any other ancient Egyptian obelisk. Later, Ride Like a Local around the Aswan islands in a felucca, weather permitting. Sanctuary ‘Sun Boat IV’ | Meals: B L D

“The entire trip was flawless from start to finish. Our Resident Tour Director was one of the best I have ever had. Amazing knowledge, and a fantastic person.” — Jarod; Pittsburgh, PA, September 2017
DAY 8: Abu Simbel | Temples of Ramses II & Nefertari
Today, bid farewell to Sanctuary ‘Sun Boat IV,’ disembarking to fly to Abu Simbel. There, discover the commanding twin temples of Ramses II and his wife, Queen Nefertari. The former’s façade is dominated by four statues of the pharaoh, each nearly 70 feet tall. Perhaps even more impressive, this entire site was disassembled and moved here to save it from the floodwaters caused by the Aswan High Dam. Return to Cairo for an afternoon at leisure.
Four Seasons Hotel Cairo at Nile Plaza | Meals: B L

“We designed this itinerary to capture the most remarkable sites and sounds spanning Egypt’s 5,000 years of history.”

DAY 9: Cairo | Islamic Cairo & Bustling Souks
This morning, explore the Mosque and Madrasa of Sultan Hassan, built in AD 1356 and among the finest examples of early Mamluk architecture. Next, walk from the twin-towered Bab el-Foutouh, a fortified gate in Cairo’s Old City walls, to Khan el-Khalili Bazaar, one of the city’s major souks (open-air marketplaces). Browse the tightly packed stalls displaying everything from spices and leather goods to jewelry and vegetables, all on a street that has hardly changed for centuries. Bargaining is expected, so prepare to negotiate. After lunch, choose to visit Coptic Cairo or return to your hotel for an afternoon at leisure. This evening, gather with your fellow guests to reflect on your journey through Egypt and along the Nile at a farewell dinner hosted by Abercrombie & Kent.

DAY 10: Depart Cairo
After breakfast, transfer to the airport and depart. Meals: B

New Sites for 2019: The Temple of Khnum and the Tombs of the Builders

Expand your understanding of life in ancient Egypt with the help of some newly added elements of this popular itinerary. On the Giza Plateau, after exploring the inside of one of the pyramids, visit the tombs of the people who built them — part of the estimated workforce of 20,000 required to complete a single edifice. Decorations, inscriptions and items found in these tombs reflect the everyday lives of the pyramid builders, including year-round skilled workers and seasonal laborers.

In the Valley of the Kings near Luxor, explore the tomb of Seti I, who reigned from 1313 to 1292 B.C. Noted for the colorful paintings and bas-reliefs that decorate the walls of its many chambers, it is also the largest tomb ever found in the valley, 446 feet long. Although best known as the father of Ramses II, Seti I was considered a great pharaoh in his own right, both a successful military leader and a champion of the arts.

Later in your journey, during your four-night Nile cruise, disembark from Sanctuary ‘Sun Boat IV’ in Esna, a city sacred to ancient Egyptians and home to the stunning Temple of Khnum. Admire its magnificent architecture, from the towering vertical columns out front to the detailed stone reliefs that adorn its interior. Marvel at the carved depiction of ram-headed god Khnum himself along with his consort, Menhit, as well as other scenes that offer a glimpse into distant antiquity.

DAY 2: Caesarea & Acre | Capitals & Seaports
Take a scenic coastal drive to the ancient Roman capital, Caesarea, where Herod laid out a classical city and constructed a revolutionary, artificial harbor. Near its amphitheater, view a partial inscription mentioning Pontius Pilate — the only secular reference to his existence. Then, visit the seaport cities of Haifa and Acre, the latter a UNESCO World Heritage Site that dates back to Phoenician and Crusader times. While at Acre, tour the Knights’ Halls, view the El Jazaar Mosque and explore the elaborate covered markets. Later, gather for a welcome dinner, savoring your first taste of the kinds of dishes that have become part of Israel’s vibrant culinary scene. Scots Hotel | Meals: B L D

DAY 3: Sea of Galilee | In the Footsteps of Jesus
Begin a day that carries you back in history to the time of Jesus. Cruise the Sea of Galilee by private boat and stop at Capernaum, site of the synagogue where Jesus taught. See St. Peter’s House, now a converted church; Tabgha, where the miracle of the loaves and fishes is said to have occurred; and the commemorative fifth-century mosaic in the Church of Multiplication. Then, visit the Mount of Beatitudes, site of the Sermon on the Mount, perhaps imagining yourself as part of the crowd that was the first to hear a doctrine that changed the world. Shift perspectives from the ancient to the modern, as you continue to the Golan Heights, the much-disputed rocky plateau bordering Syria and Lebanon, overlooking the Sea of Galilee. Scots Hotel | Meals: B L D

DAY 4: Nazareth | Sites of the New Testament
Visit Nazareth, where Jesus spent much of his life. See the Basilica of the Annunciation, built on the traditional site of Mary’s home; Mary’s Well, where an angel is said to have visited; and the basement of the Church of St. Joseph, with its cavern believed to have been the carpentry workshop of Joseph. Continue through the Jordan Valley to the Decapolis city of Beit Shean. Later, arrive in Jerusalem. The King David | Meals: B L D

DAY 5: Jerusalem | Spiritual Epicenter
Explore the fascinating, history-rich Old City of Jerusalem, built by King David in 1004 BC. Start at the Mount of Olives for a view of the city. Visit the Garden of Gethsemane, where Jesus prayed with his disciples before his crucifixion. Stop at the Western Wall, one of Judaism’s most sacred sites and a tangible link between Israel’s past and present. View the Temple Mount area (Al Haram el-Sharif) with its Dome of the Rock; El Aksa Mosque, built on a site revered by both Jews and Muslims; and the Davidson Center, home to fine art and archaeological finds. In the Christian Quarter, stroll the Via Dolorosa, where

**DAY 7: Masada | Zealot Stronghold**

Stay at Belmond Sanctuary Lodge, the only on-site accommodations at Machu Picchu, so you can explore later on one day and start earlier the next, in the quiet hours when fewer visitors are present.

**DAY 5: Machu Picchu | Bingham’s Stunning Discovery**
Prepare for your visit to Machu Picchu with a private, interactive lecture from a renowned scholar and certified expert on the Incan ruins. Next, journey deep into the Andes toward Machu Picchu on board the PeruRail Sacred Valley, a train inspired by the elegance of the 1920s, which is reflected in both its Dining and Observatory Bar Cars, gazing out at the spectacular Peruvian countryside. Arrive to begin a thrilling overnight stay at the only hotel located on site at Machu Picchu, exploring the breathtaking Incan city from sunrise to sunset. Overlooking the Urubamba River and discovered in a hidden tangle of trees atop a mountain by American historian Hiram Bingham in 1911, Machu Picchu forever holds the secret of its passing — its Incan inhabitants left no written records of its purpose. Built in the 15th century at the height of the Inca empire, it was most likely the estate of an emperor. Curiously, excavations here have revealed skeletons, artifacts and woolen clothing, but no gold. Tour the ruins with your expert guide, and then enjoy exploring on your own. You may view the Temple of the Sun or Intihuatana, a ritual stone that may have been an astronomical clock or calendar. As you wander, sense the majesty of the age-old stone walls and picture life as it might have been for the leaders, warriors, priests and craftsman who once inhabited this Incan citadel some 8,000 feet above sea level. Tonight, rest easy in your accommodations, designed to echo the soaring natural surroundings. *Belmond Sanctuary Lodge | Meals: B L D*

**DAY 6: Machu Picchu/Cusco | Walking the Spectacular Ruins**
Rise with the sun to walk through Machu Picchu in the early morning mist before the crowds arrive, for an experience some consider the spiritual highlight of the journey. You may opt for a hike to Inti Punku (Sun Gate), the entry point to the ruins from the Inca Trail, or trek up to Huayna Picchu, the high mountain that forms the backbone of the ruins, to enjoy spectacular views of the surrounding area. After your explorations, bid adieu to
this “Lost City of the Incas” and board the Vistadome train to Ollantaytambo. Its fortress is a formidable structure of massive stone terraces that hug the mountain slopes — and the site of the Incas’ greatest victory over the invading Spanish — which you explore firsthand. Afterward, continue to Cusco where you check in to your hotel, once a 16th-century monastery.

**DAY 7: Cusco | The Immense Stone Marvel of Sacsayhuaman**
Discover Cusco on a city tour that includes the Cathedral on the Plaza de Armas and the Santo Domingo Temple, a Dominican church built on the foundations of the Koricancha, the Incas’ principal religious building. Later, explore the well-preserved ruins of Sacsayhuaman, a testament to Incan architectural skill. Compiled of massive stones, the largest of which may weigh as much as 200 tons, the walls were cut and placed together with incredible precision and without a single drop of mortar to hold them in place. This ancient fortress, which witnessed the greatest battle between the Spanish and the Incas, overlooks the red-tiled roofs of Cusco. Visit San Pedro market, and then spend your afternoon at leisure. This evening, enjoy an Andean music presentation by a regional expert on the subject, to learn the history and stories of a wide array of handmade musical instruments. Afterward, gather for a farewell dinner at the elegant MAP Café.

Days 4-8: The Galápagos | Spectacularly Diverse Wildlife
Lying 600 miles off the coast of Ecuador, the Galápagos Islands are a haven for some of the world’s most varied wildlife. It was this diversity that first led naturalist Charles Darwin to propose that species evolved in response to their environment. Darwin’s work also helped to alert the world to the need — urgent even in his own day — to preserve these islands from degradation by humans. Today, tourism to the Galápagos is closely managed, protecting the wildlife while allowing you to experience the environment much as Darwin did. Because weather, water and

Visiting Guayaquil and the Galápagos Islands
wildlife conditions are subject to constant change, your cruise itinerary is not fixed, but two daily excursions are planned to the main sites and islands. This cruise itinerary explores the true origins of the archipelago, and includes landmarks such as Punta Espinoza on Fernandina Island, the intriguing red beach of Rabida Island, the Champion Inlet of Floreana Island, and the Charles Darwin Research Station on Santa Cruz Island. Each cruise day begins with a hearty breakfast, before boarding a sturdy panga for the morning shore excursion. As soon as your feet touch terra firma, expect to spot flora and fauna (differing species, depending on the island), take photos and confer with your naturalist guide. You may see sun-bathing sea lions; skittering Sally Lightfoot crabs; tangles of marine and land iguanas; penguins, flamingos, finches, terns and blue-footed boobies; even a century-old tortoise diligently trudging over the sand. Return to ‘La Pinta’ for a refreshing lunch, perhaps taken al fresco on deck, followed by time at leisure to nap or socialize. Keep your binoculars handy for possible sightings of dolphins or seabirds. In the afternoon, return to the pangas for the second excursion of the day, perhaps with an opportunity to swim, kayak or snorkel. You may well come face to face with a water-dwelling inhabitant, such as a curious sea turtle stopping by to inspect those visiting its equatorial home. Back on board ‘La Pinta,’ enjoy time to shower and relax before gathering in the dining room for another wonderful meal. Each evening, your time is your own: Attend a lecture presented by one of your affable guides, who recaps the day and gives a sneak peek at tomorrow’s itinerary; explore the mysteries of the night sky with a fascinating astronomy lecture on deck; peruse the ship’s library for further insight into a species you encountered; or gather for cocktails in the lounge to cap a day of extraordinary discoveries. Drift asleep in your air-conditioned cabin to the rise and fall of gentle ocean swells. ‘La Pinta’ | Meals: B L D

DAYS 9-10: Guayaquil | Farewell Dinner & Departure
Disembark today and fly back to Guayaquil. Enjoy time to relax before gathering for a farewell dinner at your hotel’s restaurant. The next morning, transfer to the airport to board a flight home. Hotel Oro Verde Guayaquil | Meals: B D (Day 9); B (Day 10)

NOTE: ‘La Pinta’ is an adventure vessel, and while it is ideal for small-group exploration in the Galápagos, it is not a luxury ship. The ship and its shore excursions are shared with other passengers.
Meet the Natives

From the finches that inspired Darwin to the whales that return to the islands each fall, wildlife sets the Galápagos apart. Encounter each island’s unique species up close with the help of your naturalist guide.

Sea Lion
The social sea lion hardly bats an eye at human visitors. When not congregating on the beach, sea lions are swift, powerful swimmers. Want to swim with the sea lions? January through March is a great time of year for water clarity and warmer temperatures. Or come in October for a chance to snorkel with sea lion pups.

Sally Lightfoot Crab
This brilliant-hued crab is perhaps the islands’ most photogenic species. It occupies the rocky coasts, feeding on algae, year round.

Blue-Footed Booby
Given to foot-stamping mating displays that make it a favorite of Galápagos visitors, the endearing blue-footed booby may be found mating and nesting year round, depending on conditions.

Flightless Cormorant
Over the eons since arriving by air in the Galápagos, this living experiment from “Nature’s Laboratory” evolved into the world’s only flightless seabird besides penguins. Its nests from May to October.

Marine Iguana & Land Iguana
Called “imps of darkness” by Darwin, marine iguanas are well adapted to the water, with finlike tails and teeth designed to scrape algae from rocks. They begin nesting in February. Their terrestrial kin, land iguanas, prefer dining on prickly pear cactus and have a mating schedule that varies by island.

Galápagos Penguin
Both the rarest and the most northerly penguin species, this island denizen arrived at the Galápagos via the chilly Humboldt Current from Antarctica. Penguins and many other Galápagos bird species, such as red-footed boobies, start nesting in January.

Giant Tortoise
Overhunting and habitat loss nearly drove these placid, stately reptiles to extinction. Happily, conservation efforts are proving successful and many subspecies’ populations are on the increase. Visit in January to see tortoises lay their eggs. Come between March and May to see their rare aquatic cousins, green sea turtles, nesting on the beaches.
