## ADVENTURES UNDER THE WING OF AN EXPERT

Dream of showing your family the Eiffel Tower in Paris, lions in Africa or penguins in Antarctica? Expect it all and more on A&K Luxury Family Journeys led by Resident Tour Directors\* who know there's more to real discovery than what meets the eye. From a hands-on baking demonstration in a Parisian *boulangerie* to a visit with local children at a Masai Mara school to a kids-only Zodiac ride with a marine biologist in Antarctica, expect real adventures that captivate curious minds, positively impress young hearts and foster a lifelong love for travel.

## A NEW BEST FRIEND: YOUR RESIDENT TOUR DIRECTOR

Our Resident Tour Directors are year-round residents boasting the kind of insight into local culture that only comes from being a local themselves. Selected for their natural ability to engage with younger guests, they know exactly how to generate excitement among budding explorers. They also oversee your entire journey, accompanying you every day to share a beyond-the-guidebook insight, and revealing everything from the Swiss Alps in their best light to a vibrant Spanish market at its most authentic hour. The result is a journey that reveals the real spirit of the destinations you encounter, connecting your family to new people and places in a way you'll never forget.

## AN UNMATCHED LOCAL PRESENCE

Our 52 offices around the world — five in Europe alone — work tirelessly to design unforgettable Luxury Family Journeys you won't find anywhere else and provide the most robust tour operator support network in the world. Unlike our competitors, we train and manage our own full-time local staff, orchestrating every aspect of your journey down to the last detail. # SMALL-GROUP TRAVEL TO ENRICH YOUR EXPERIENCE

Limiting every A&K Luxury Family Journey to no more than 24 guests who share in the thrill and lifelong benefits of travel sets the stage for an unforgettable experience.

## AN IDEAL GROUP SIZE

Our small-group size of just 24 opens up a world of insider-access opportunities for your family, including private museum openings and visits with longtime locals in their own homes. It means more one-on-one time with your fascinating Resident Tour Director. It also allows A&K to reserve our favorite luxury hotels for families, something the larger groups of 40-plus travelling with other companies cannot typically enjoy.

## ITINERARIES YOU WON’T FIND ANYWHERE ELSE

With our ideal group size, A&K experts are uniquely positioned to deliver Luxury Family Journeys that not only feature iconic destinations and inspiring discoveries, but also perfect pacing for all-ages travel. Enjoy benefits ranging from unique flight routings to longer stops in the places you most want to see, such as on **Family Galápagos**, which includes a relaxing final day at a beachfront hotel. A&K Luxury Family Journeys also feature dates well-timed with school breaks and journeys that span the right length of time.

## INTIMATE GROUPS OF LIKE-MINDED TRAVELLERS

Seasoned travellers say the best part of a journey is often the people you meet. On an A&K Luxury Family Journey, this extends not just to the locals you encounter, but to the other families travelling within your group. Each shares in countless inspiring moments with you, bringing their own unique perspectives and histories, all of which complete the tapestry that becomes your family’s journey. Many a lasting friendship has been forged travelling with A&K — both for parents and children — and those who meet on one journey are often fast making plans together for their next.

# THE A&K DIFFERENCE FROM START TO FINISH

Ever since serving our first ice-cold drink on the plains of Africa, we have always gone beyond the ordinary. This translates to an impeccable attention to detail and every included and unexpected amenity, transforming your Luxury Family Journey into an adventure that bests all others.

## DAYS OF DISCOVERY FOR EVERY AGE

Every itinerary includes daily **Family Discoveries**, a chance for kids to connect to their destination by interacting directly with nature, culture and local kids. These locally focused experiences range from scavenger hunts through bustling markets to a kids-only game of soccer with school children. On A&K Luxury Family Journeys, guests of all ages may also enjoy introductions to the local language, hands-on demonstrations and visits with artists — often right in the spaces where these creators work — and the chance to **Ride Like a Local**, such as by pedicab or camel back.

## NEW FOR 2018! EXCITING WAYS TO EXPERIENCE LOCAL CUISINE

Whether feasting on animal-shaped Chinese dumplings in Xian or dunking churros in hot chocolate in Madrid, dining opportunities on A&K Luxury Family Journeys always offer an authentic taste of the local cuisine, and often with a playful twist. New this year, we've added culinary adventures guaranteed to excite even your pickiest eater. This includes our **Family Foodie Experience**, where your family enjoys dedicated tastings of fun local dishes everywhere from the kitchen of a local chef or baker to a city's most vibrant market. As always, count on A&K to provide the perfect mix of planned group meals, including celebratory welcome and farewell dinners, and mealtimes left unscheduled — something every travelling family can appreciate.

## COMPLIMENTARY LAUNDRY

Travelling light with children can be a challenge, but we make it easier with our **Traveller's Valet**® service. Offered only by A&K, this exclusive amenity provides complimentary laundry service at the midpoint of your journey.

## HASSLE-FREE LUGGAGE SERVICE

Leave your packed bags behind in your room as you walk out the door with A&K's exclusive **Travelling Bell Boy**® service, and free yourself up to focus on your family. We handle safely transporting your bags, which you'll find waiting inside your room at your next accommodation.

## PRIVATE TRANSFERS & GRATUITIES INCLUDED

Private arrival and departure transfers for your family are always included with your A&K journey, regardless of when you choose to arrive or depart. Likewise, all of your gratuities are included, save for your Resident Tour Director, which is at your sole discretion.

## DEPARTURE DATES & PRICES ARE ALWAYS GUARANTEED

Book your journey with confidence knowing we won't cancel. Every A&K Luxury Family Journey is guaranteed to depart with a minimum of two guests. And if the price you pay for your journey drops after you book, we'll refund the difference, automatically.

## NEW FOR 2018! A SAVINGS OF \$500 FOR AGES 17 AND UNDER

A&K offers excellent value on every Luxury Family Journey with a savings of \$500 for all guests ages 17 and under. It's a savings you won't find with any other luxury tour operator, and one that speaks to our commitment to every member of your tribe.

# ACCOMMODATIONS WITH IDEAL FAMILY COMFORTS

We find the most remarkable hotels, boutique lodges and ships, and then select those that combine superior service and luxury with all the right family amenities.

## THE VERY BEST HOTELS FOR FAMILIES

When luxury is what you're looking for, there's no reason to settle for second-best. Our local experts choose the best hotels, always synonymous with five-star style and often a *Condé Nast Traveler* Gold List or *Travel + Leisure* World's Best property.

## FROM COMPLIMENTARY CONNECTIVITY TO POOLS

Your hotel should be a respite and place of comfort for your family. Beyond award-winning accommodations that perfectly blend luxury and service, we additionally select hotels and lodges that feature free Internet access and swimming pools (where possible). These ideal accommodations allow everyone in the family to relax as they wish after full days of exploration.

## ONE-OF-A-KIND LOCATIONS

When considering a hotel, our experts look at more than just the rooms. Wherever possible, we arrange for stays convenient to the places you most dream of seeing, and always within the region's best properties, whether historically iconic, coveted high-design or supremely located at the edge of a wilderness.

## INTIMATE BOUTIQUE CAMPS & LODGES

As a home base to secluded and extraordinary wilderness adventures, our journeys feature luxurious boutique camps and lodges available only to smaller groups and always with an incredible front seat to wildlife, often just outside your door.

## AT THE HEART OF WHAT WE DO

Established in 1982, Abercrombie & Kent Philanthropy (AKP) is dedicated to giving back to the extraordinary communities we are so privileged to share with our guests. Our local offices seek out and support grassroots projects in these communities, focusing on four key areas: Education, Conservation, Health and Enterprise.

Examples of AKP-supported projects include:

- **Children of the Rainbow**, which provides education and housing for underprivileged children in Peru
- **Rhino Conservation Program**, which translocates critically endangered rhinos to a reserve in Botswana where they thrive under protection against poachers
- **Cambodia Clean Water Project**, which installs wells and bio-sand filters to provide safe drinking water to families throughout rural Cambodia
- **Chipego Bike Shop**, which creates jobs for women in Nakatindi Village, Zambia, through the sale, rental and repair of more than 1,000 used bicycles donated from the U.S. and U.K.

In total, these partnerships span more than 32 projects in 18 countries worldwide and demonstrate AKP's global commitment to acting as a positive force wherever we go.

Set out today on an easy walk along the well-maintained *wanderweg* (hiking trails), stopping to visit a historic country chapel and eco-friendly farm — or just to snap a photo of a postcard-worthy Alpine scene. In the late 13th century, early alpine shepherds honed the practice of yodeling, alternating their voices between natural and falsetto pitches to communicate and round up cattle. *Romantik Hotel Schweizerhof Grindelwald | Meals: B L D*

#### **DAY 4: INTERLAKEN | DRAGON BATTLEFIELDS**

Drive to pretty Habkern, a small and secluded mountain village where local customs and traditions remain largely unchanged. Visit a family-owned workshop, one of few remaining that produces the iconic alphorn, a large wooden horn first used in the 16th century by mountain dwellers. See how these massive wind instruments — which range in length from 11 to 13 feet — are made, then learn to play with a lesson taught by one of the craftsmen. After lunch at local restaurant, visit the St. Beatus caves. Explore the caverns on a guided tour, discovering dramatic stalagmites and underground lakes, while learning of the sixth-century lore that says St. Beatus battled a dragon here. Enjoy time to explore Interlaken before returning to your hotel in Grindelwald. *Romantik Hotel Schweizerhof Grindelwald | Meals: B L*

#### **DAY 5: BERN | HISTORIC SWISS CAPITAL**

#### DAY 4: TORTUGUERO | KAYAKING THE CAÑO PALMA

This morning, head north by boat to Caño Palma (Palm Canal) for an exciting kayak adventure in the richest biological ecosystem in Costa Rica. Paddling alongside an expert local guide, enjoy a beautiful journey to Tortuguero National Park. If you prefer, choose an optional motorized boat excursion. You may wander the beach where thousands of gentle Atlantic green sea turtles return to nest each year, always on the same stretch of sand where they were born. After lunch back at the lodge, look forward to a Family Foodie Experience, during which your family has fun preparing Costa Rican specialties with a local chef. The remainder of your day is at leisure to relax together as a family, perhaps with some fun in the sun at the pool. *Tortuga Lodge & Gardens | Meals: B L D*

#### DAY 5: LA FORTUNA | FARM TOUR & ARENAL VOLCANO

Fly to La Fortuna. Upon arrival, travel to *Finca Burio* (Burio Farm) and meet the owner, Don Juan. Join him on a tour through the

fields of his plantation, where tropical birds take flight and where you learn about the tropical produce he grows. You also learn how sugar cane is processed at the *trapiche* (sugar mill). Next, sit down for a lovely organic lunch, freshly prepared at the farm. Depart for the short drive to your hotel at the base of towering Arenal Volcano. Marvel at the views of the famed volcano, now in a resting state after years of activity, and featuring a near-perfect cone soaring 5,357 feet above sea level.

*Arenal Nayara Hotel & Gardens | Meals: B L D*

#### DAY 6: LA FORTUNA | SCENIC HANGING BRIDGES

After breakfast, explore the surrounding rainforest on an unforgettable Arenal Hanging Bridges tour. See the lush treetops from nearly two miles of hanging bridges, each designed to blend with the natural environment, while leaving the forest habitat virtually intact. As you walk, observe the diversity of flora and fauna, set against the ever-imposing views of Arenal. In the afternoon, enjoy a rewarding visit to El Ciebo Hot Springs. Tucked between Lake Arenal Dam and La Fortuna nearly a mile off the main road, the springs consist of five free-flowing pools amid a natural river gorge. Cool off after your dip with smoothies and cocktails made with fresh local ingredients. Tonight, gather with the new friends you've made for a special farewell dinner at a local restaurant. *Arenal Nayara Hotel & Gardens | Meals: B D*

## AIR TRANSPORTATION

International airfare (to the journey starting point and from the ending point) is not included in program pricing. A&K has special agreements with many air carriers and can offer quotations from any gateway. Some journeys require internal flights as specified in the itinerary. This airfare is typically not included and must be purchased from A&K in addition to the journey. In the instance where charter flights are used and seating is limited, A&K reserves the right to substitute and confirm air reservations on a suitable alternative scheduled air flight. All internal air is based on economy class seating and is 100% non-refundable at time of final payment (some exceptions may apply). All international and internal air quotes are subject to change until final payment has been received by A&K. Flight confirmation is based on availability. Air reservations cannot be confirmed until a passport copy is received by A&K.

Baggage and personal effects are at the owner's risk throughout the travel program, and A&K assumes no liability for lost or damaged baggage. Please check with your international carrier for other baggage restrictions and fees applicable to your international flights.

## PRICES AND ARRANGEMENTS

Quoted program prices are per person, double occupancy except where indicated. Marco Polo Club discount is not eligible on Connections and Connections European River Cruise Journeys for memberships established prior to November 1, 2015. For full program terms and conditions visit [akmarcopolo.com](http://akmarcopolo.com). Marco Polo Journeys have two prices; a higher price that allows us to guarantee departures for small groups of two to six guests and a lower price for groups of seven or more guests. The higher price will be noted on your initial invoice and reduced before you depart if your group has seven or more guests. Although not expected, published prices may be modified due to unexpected significant external factors not forecasted at the time of printing. A&K

is under no obligation to give a breakdown in costs of any journey. Pre- and Post-Tour Extensions are only available to guests booked on related group journeys. Modification of program content to accommodate a smaller group size will not affect the published program price.

## CHILD POLICY

The minimum age is 10 years old unless noted on the itinerary and all children under age 18 must be accompanied by an adult. Minimum age is 18 years for Iran journeys, 12 years old for Connections European River Cruise Journeys and varies for Luxury Family Journeys. Some activities contained within an itinerary may have a different age restriction than the overall minimum age requirement. Details will be provided at the time of booking. A&K reserves the right to marginally exceed the published maximum group size on Luxury Family Journeys to accommodate a family.

## ACTIVE ELEMENTS & CONDUCT

Some active elements have been incorporated into select itineraries. To enjoy the trips as intended, a minimum level of fitness is required. A&K will require prior notice if any participant has any physical or other condition or disability that would prevent them from participating in active elements of any trip and/or could create a hazard to him or herself or to other members of the group. Due to ship restrictions, women over six (6) months pregnant are not permitted to travel on Expedition Cruises. The guest represents that neither he nor she nor anyone travelling with him or her has any physical or other condition or disability that could create a hazard to himself or herself or other members of the tour. A&K reserves the right to decline acceptance of anyone whom it considers unsuitable due to fitness level. A&K also reserves the right to remove from the trip, at the participant's own expense, anyone whose physical condition or conduct negatively impacts the enjoyment of the other guests or disrupts the tour.

## A&K'S GUEST PROTECTION PROGRAM

Our Guest Protection Program, which provides cancellation coverage, medical coverage and protection against lost or damaged luggage, is not included in the program price and is recommended. The plan must be purchased within 14 days of deposit in order to waive the pre-existing medical condition exclusion. Call A&K for details.

## Special Requirement for Antarctica and Arctic Cruises:

Due to the remote locations, A&K requires proof of a minimum of \$50,000 per person in emergency evacuation/repatriation insurance for all Antarctica and Arctic cruises. This minimum amount is included in the A&K Guest Protection Program; upgrades can be purchased for higher coverage on request. If you do not purchase the A&K Guest Protection Program, we require proof of alternative coverage. Please note emergency evacuation insurance provides for covering the cost associated with emergency evacuation and repatriation up to the limits of the respective policy; however, it does not guarantee the timing, method or mode of such evacuation and repatriation, which is subject to weather, location and other conditions or variables outside of A&K's control.

## PASSPORTS AND VISAS

It is the guest's sole responsibility to obtain and have available when necessary the appropriate valid travel documents. All guests are advised to check with the appropriate government authority to determine the necessary documents. A valid passport is required for U.S. citizens travelling to all international destinations. Passports must be valid for six (6) months after the return of your journey and should also have sufficient blank visa pages for entry and exit stamps. Many destinations also require a visa for U.S. citizens; this will be indicated in your Pre-Travel Documentation. Non-U.S. citizens should contact the appropriate consular office for entry requirements pertaining to their journey. You may be refused boarding or disembarked from a vessel without liability for refund, payment, compensation, or credit of any kind if you do not have proper documentation, and you will be subject to any fine or other costs incurred by A&K which result from improper documentation or noncompliance with applicable regulations.

Special Requirement for Iran: Visas for U.S. citizens to travel to Iran must be obtained prior to arrival in Iran. Authorization is required to apply for a visa which A&K will assist you in obtaining. Instructions will be provided upon deposit. You must complete the Visa Information Form and return to A&K no later than 120 days prior to departure. Failure to provide A&K with this information will result in the cancellation of your booking and forfeiture of any monies paid.

### LIMITS ON A&K'S RESPONSIBILITY

A&K, its employees, shareholders, officers, directors, successors, agents and assigns, does not own or operate any property or entity which is to or does provide goods or services for your trip. It purchases transportation (by aircraft, coach, train, vessel or otherwise), hotel and other lodging accommodations, restaurant, ground handling and other services from various independent suppliers (including from time to time other affiliated A&K companies). All such persons and entities are independent contractors. As a result, A&K is not liable for any negligent or willful act of any such person or entity or of any third person. In addition and without limitation, A&K is not responsible for any injury, financial or physical loss, death, inconvenience, delay or damage to personal property in connection with the provision of any goods or services whether resulting from but not limited to acts of God or force majeure, illness, disease, acts of war, civil unrest, insurrection or revolt, animals, strikes or other labor activities, criminal or terrorist activities of any kind, overbooking or downgrading of services, food poisoning, mechanical or other failure of aircraft or other means of transportation or for failure of any transportation mechanism to arrive or depart on time.

There are many inherent risks in adventure travel of the type involved here, which can lead to illness, injury, or even death. These risks are increased by the fact that these trips take place in remote locations, far from medical facilities. Guest assumes all such risks associated with participating in these trips.

If you decide to participate in any activities including, but not limited to, any excursions involving animals, riding on animals, SCUBA diving, snorkeling, hot air ballooning, ziplining, high altitude treks, climbing, whitewater rafting, primate tracking and any activity which A&K considers to carry inherent risk of serious illness, injury or death ("Activities") then you fully understand and acknowledge that Activities carry with them various inherent risks, including serious illness, injury or death and you take complete responsibility for your own health and safety and

agree to assume all risks of injury, illness or death, whether foreseen or unforeseen, that may befall you as a result of participating in any Activities and agree to release A&K and its affiliates, their agents, employees and representatives from any liability whatsoever related thereto.

Further, as consideration for being permitted to participate in the Activities; you release A&K, whether known or unknown, from, and agree not to sue or make claim against A&K for, property damage, cancellation of any Activities for any reason, illness, negligent rescue operations or procedures, personal injury, or death arising out of your participation in the Activities, and any activity related thereto, including transportation to and from the site of the Activities, regardless of whether such property damage, illness, personal injury, or death results from the negligence of A&K (but not its reckless, willful, or fraudulent conduct), and/or from any defect in equipment. You further agree to indemnify and hold A&K harmless with respect to any claim made against A&K by anyone else which (a) related to your participation, or (b) which would be subject to the above release and covenant not to sue if you had made the claim directly yourself.

### TRAVEL ADVISORIES AND WARNINGS

It is the responsibility of the guest to become informed about the most current travel advisories and warnings by referring to the US State Department's travel website at [travel.state.gov](http://travel.state.gov) or by phone at 888 407 4747. In the event of an active State Department Travel Warning against travel to the specific destination location(s) of the trip, should the guest still choose to travel, notwithstanding any travel advisory or warning, the guest assumes all risk of personal injury, death or property damage that may arise out of the events like those advised or warned against.

### ARBITRATION AGREEMENT
