# DISCOVER THE ULTIMATE IN LUXURY EXPEDITION CRUISING

**Backed by 25-plus years of experience in the wildest of places, A&K carries you to Australia's vast Kimberley on a dynamic, engaging and truly all-inclusive voyage.**

## **Expertise in the Extraordinary**

In 1991, we launched our first Luxury Expedition Cruise to Antarctica and set our sights on delivering the highest level of service on a cutting-edge vessel, inviting only the top experts in their fields to join our Expedition Team. More than 300 voyages later, A&K continues to set the standard in modern-day luxury expedition cruising, creating the most innovative and exclusive adventures to the wildest places on earth, including this year's inaugural expedition to Australia's spectacular Kimberley.

## **Unique and Authentic Exploration**

Unlike typical cruising, Luxury Expedition Cruising with A&K is an invitation to explore with the finest experts in the field and from aboard the most luxurious and advanced small-ship cruising vessels at sea today. Our unique brand of cruising reflects highly curated — and brilliantly orchestrated — itineraries to the world's most extraordinary destinations, including rarely visited gems.

## **All-inclusive Adventure**

Our Luxury Expedition Cruises are all-inclusive, the A&K way. Engaging lectures and programming as well as curated shore excursions are among the offerings you'll enjoy, all at no extra cost. Look forward to an abundance of opportunities to actively and authentically immerse yourself in a place, exactly as it was meant to be explored. On our new Kimberley cruise, our all-inclusive adventures encompass naturalist-led Zodiac excursions through fascinating geological features, guided hikes to caves depicting sacred rock art and helicopter tours over the four-tiered Mitchell Falls.

# JOIN THE BEST MODERN-DAY EXPLORERS

**Trust A&K's award-winning experts to lead the way through a thrilling frontier with incredible insight and style.**

## **A&K Passion and Expertise from Start to Finish**

Before your Kimberley voyage even begins, every aspect of it has been arranged from top to bottom by A&K's Luxury Expedition Cruising staff, which collectively boasts more than 50 years of cruising experience. Executing on this itinerary is something we delegate only to the members of our Expedition Team — a cast of accomplished real-life explorers ranging from award-winning scientists to authors and photographers, each with an average of 15 years of experience sailing with us, and representing a fantastic A&K staff-to-guest ratio of 1 to 12.

## **A Journey to a Thousand Discoveries**

Look forward to enriching lectures and guidance from your Expedition Team — comprised of an Expedition Leader, Cruise Director, expert lecturers, naturalists and more — throughout your exploration of the Kimberley. At sea, look forward to embarking on Zodiac excursions piloted by seasoned field naturalists, each of whom add a brilliant layer to an already rich conversation on the enigmatic Kimberley.

## **Dedicated Photo Programming for All Levels**

Sharpen your photography skills in a stunningly photogenic region brimming with natural wonders, with included programming designed by A&K's very own photo coaching team. # EXPERIENCE A NEW LUXURY SHIP AND AN UNRIVALED A&K EXCLUSIVE CHARTER

**Step aboard new ‘Le Laperouse,’ chartered by Abercrombie & Kent to provide the ultimate in luxury adventure for just 150 privileged guests.**

## **Introducing New ‘Le Laperouse’**

For every A&K Luxury Expedition Cruise, our experts select the very best vessel available for that destination. Equipped with everything from a heated infinity pool and innovative underwater lounge to an advanced dynamic positioning system, new ‘Le Laperouse,’ launching in 2018, is the ideal luxury megayacht for exploring Australia’s Kimberley. (See page 22 for more.)

## **An Exclusive Charter for Intimate Exploration**

Every A&K voyage is exclusively chartered to ensure every aspect of your journey meets our exacting standards for luxury, adventure and safety. We limit the number of guests to just 150, giving our cruises one of the best personnel-to-guest ratios at sea at 1 to 1.3. All onboard accommodations are staterooms or suites, and all have their own private balcony. Service is top-notch and provided by an English-speaking staff, who see to your every need from the moment you come aboard. Best of all, guests who reserve any category of suite also enjoy another A&K exclusive: complimentary butler service throughout their voyage.

## **A Remarkable Culinary Experience**

Deserving of its own spotlight, top-notch dining is also part of your all-inclusive cruising experience with A&K. Savor an onboard menu encompassing everything from lavish plated and buffet entrees to delicate, freshly baked French pastries every day. Enjoy an open bar, a stocked in-room mini-fridge, and even 24-hour room service, all with our compliments. Guests are also welcome to join in special gala experiences throughout the voyage, including a Captain’s Dinner.

## **Responsible Cruising on an Eco-Friendly Ship**

A&K operates under two guidelines at all times: provide our guests with comfort and safety and protect the integrity of the unique environments we are so privileged to visit. Clean ship certified by Bureau Veritas, ‘Le Laperouse’ exceeds all environmental protocols and employs the latest environmental practices and technology, including a computerized dynamic positioning system that alleviates the need to drop anchor in fragile marine reserves; energy-efficient engines; and Zodiacs with fuel-efficient motors.

## **NEW FOR 2019! Complimentary Connectivity and Laundry**

New this season, we’re pleased to offer complimentary Wi-Fi at your hotels and aboard your ship (subject to availability), so that you may stay connected as little or as much as you like. You may also take advantage of our Traveller’s Valet® service, an exclusive A&K amenity providing complimentary laundry service at the midpoint of your cruise.

## **All the Right Extras Included**

Gratuities for both crew and staff at sea as well as your local guides on land — it’s just the start of the many little things we include so that you can enjoy a carefree voyage. Transfers with luggage assistance and port charges are also included. Invite friends and loved ones to follow your journey online with daily blog updates posted by our Expedition Team. Then back at home, look forward to reliving your journey with our commemorative photo-packed voyage journal, sent to you as a keepsake with our compliments.

The largest city in the Kimberley, Broome is home to over 14,000 residents, yet every bit as daring as its more sparsely populated counterparts. Spend the next day exploring at your leisure, taking in this swashbuckling treasure and its sweeping beaches, cinematic sunsets and relaxed atmosphere. Tonight, meet your fellow guests at a welcome cocktail reception and dinner.

*Cable Beach Club Resort & Spa/Kimberley Sands Resort & Spa | Meals: B D (Day 2)*

## **JUN 22: Broome | Jewel in the Wilds**

A day of adventure awaits with A&K experts who take you beyond the surface in ever-splendid Broome. Join a city tour that reveals Broome's historic pearling industry and rich multicultural past. Later, your adventure moves from the shore to sea when you board 'Le Laperouse,' your luxury expedition cruiser for the next 10 nights. *'Le Laperouse'* | *Meals: B L D*

## **JUN 23-27: Kimberley's Wild Coast | Extraordinary Tides**

For the next five days, enjoy privileged insight and access to one of the most rarely visited regions in Australia. Each day, inspiring lectures, briefings and stimulating conversations with your Expedition Team elevate your discoveries in the Kimberley, bringing this vast wonderland into focus in a most enriching way. Grasp the tremendous benefit of exploring with our experts as luxury 'Le Laperouse' cruises through archipelagos and along the Kimberley coast. Your Captain and Expedition Team determine the best daily excursions, which may include these stunning regions:

**Lacepede Islands:** Set atop a coral reef, these four low-lying cay islands are separated from mainland Australia by the Lacepede Channel. The "Lacepedes," as they are often called, are an important nesting site for green sea turtles and several species of seabirds, including brown boobies, red-chested frigate birds, crested terns and speckled ruddy turnstones.

**Silica Beach:** Named for its pure white silica sand, this treasured natural beach is the only one of its kind along the entire Kimberley coast. The beach boasts powdery soft sands and tranquil waters, nestled into rock reefs and a vegetated foredune.

**Horizontal Falls:** An exciting visit awaits at Horizontal Falls, described by David Attenborough as “one of the greatest natural wonders of the world.” Set within Talbot Bay, the unique, horizontally flowing waterfalls are created when massive and intense tidal currents squeeze through two narrow gorges. Experience the phenomenon on a boat excursion that takes you close to these unique falls.

**Montgomery Reef:** The Kimberley’s theme of extreme tides continues at Montgomery Reef, Australia’s largest inshore reef. Board Zodiacs to explore the reef system’s lagoons, islets and rushing channels. The denouement comes at low tide, when water dramatically cascades off the reef’s emerging sandstone platform covered in coralline and algae, perchance revealing astonishing sea life.

**Raft Point:** Enjoy a guided bushwalk at Raft Point that leads to a cave depicting indigenous rock art. A magnificent display of sacred Wandjina figures, the ancient paintings reveal the ways of the Worrorra people, their myths, traditions and powerful connection to the sea. *‘Le Laperouse’ | Meals: B L D*

**Mitchell Falls:** Opt for a thrilling helicopter flight over the vast Mitchell Plateau to the sandstone-carved Mitchell Falls, which tumble through a series of emerald pools into a gorge. Explore the surrounding area on foot and perhaps enjoy a refreshing swim in the freshwater pools formed by the falls.

**Hunter River:** Join your naturalist guides and navigate by Zodiac through the river’s small tributaries fringed by mangroves and tidal mud flats, searching for crocodiles, mud skippers and fiddler crabs, and the many bird species that nest in the dense vegetation. *‘Le Laperouse’ | Meals: B L D*

**JUN 28: Bigge Island | Sacred Art of the Wunambal**  
Sacred to the indigenous Wunambal people for more than 20,000 years, Bigge Island is home to an incredible array of indigenous rock art. Discover its well-preserved Wandjina paintings and visual recordings of the European entrance into this ancient way of life. With luck, you may also spot rock wallabies, the smallest of the wallabies, which are numerous on the island. *‘Le Laperouse’ | Meals: B L D*

## SALTWATER CROCODILE

See “Salties,” the largest reptile in the world with a length approaching 23 feet, all from the safety of A&K’s expertly guided excursions.

## HORIZONTAL FALLS

Experience an exciting excursion to the narrow gorges of Talbot Bay, where tidal currents forge the spectacular two-way Horizontal Falls.

# JOURNEY HIGHLIGHTS

Join A&K for authentic discovery and endless adventure across the rugged outback and impenetrable coastlines of the Kimberley.

## HELICOPTER TOUR OVER MITCHELL FALLS

Fly across the rugged Mitchell Plateau to the multi-tiered Mitchell Falls, which cascade down a dramatic red escarpment.

## SACRED ROCK ART

At Raft Point and Bigge Island, discover indigenous rock paintings depicting the sacred, big-eyed Wandjina, which are found only in the Australian Kimberley.

## BROWN BOOBIES

Spot exotic birds across the Kimberley coast, including the eye-catching brown booby, one of three species of booby found in the region.

Fly over the Bungle Bungles, one of Australia's iconic landmarks

**JUN 29: King George River & Falls | *The King's Treasure***

Arrive in Kooloma Bay at the mouth of the King George River, named in honor of King George V. Our naturalist guides pilot Zodiacs upriver through a spectacular canyon, draped in sandstone cliffs, gorges and mangroves, where you may also spy impressive Aussie wildlife, such as the saltwater crocodile. Arrive before the awe-inspiring King George Falls, plummeting from an elevation of 276 feet. *'Le Laperouse'* | *Meals: B L D*

**JUN 30: Wyndham | *Gateway to Natural Wonders***

Beautifully poised between rugged hills and Cambridge Gulf in the northernmost region of the Kimberley, the former gold-rush town of Wyndham is the gateway to a bounty of photogenic wetlands. This includes the spectacular Ord River, where you may spot unique birds; the man-made Argyle Dam; and Purnululu National Park, home to the iconic Bungle Bungle range. During this stop, you may opt for a wildlife cruise on the thriving Ord River or a scenic flight over east Kimberley and the Bungle Bungles, one of Australia's greatest natural wonders. *'Le Laperouse'* | *Meals: B L D*

**JUL 1: At Sea/Pulau Meatimiarang, Indonesia | *The Timor Sea***

Enjoy a day at sea and the opportunity to unwind with fellow guests and your Expedition Team, while 'Le Laperouse' cruises to Pulau Meatimiarang, Indonesia, to clear customs. Take time to reflect on your adventures, share photos and attend another intriguing lecture. You may also choose to relax and enjoy the ship's facilities, perhaps at the spa or in your room with views from your own private balcony. ## CHILD POLICY

The minimum age is 10 years old unless noted on the itinerary and all children under age 18 must be accompanied

by an adult. Minimum age is 12 years old for Connections European River Cruise Journeys and varies for Family Journeys. A&K reserves the right to marginally exceed the published maximum group size on Family Journeys to accommodate a family.

## ACTIVE ELEMENTS & CONDUCT

Some active elements have been incorporated into select itineraries. To enjoy the trips as intended, a minimum level of fitness is required. A&K will require prior notice if any participant has any physical or other condition or disability that would prevent them from participating in active elements of any trip and/or could create a hazard to him or herself or to other members of the group. Due to ship restrictions, women over six (6) months pregnant are not permitted to travel on Expedition Cruises. The guest represents that neither he nor she nor anyone travelling with him or her has any physical or other condition or disability that could create a hazard to himself or herself or other members of the tour. A&K reserves the right to decline acceptance of anyone whom it considers unsuitable due to fitness level. A&K also reserves the right to remove from the trip, at the participant's own expense, anyone whose physical condition or conduct negatively impacts the enjoyment of the other guests or disrupts the tour.

## A&K'S GUEST PROTECTION PROGRAM

Travel insurance is not included in the price of the program and is recommended. You may purchase A&K's Guest Protection Program (which provides cancellation coverage, medical coverage and protection against lost or stolen or damaged luggage) or A&K's Guest Protection Program with Cancel for Any Reason Coverage for an additional fee. Coverage only takes effect upon A&K's receipt of payment for the plan. The Guest Protection Program is available up to final payment for your journey; however the plan must be purchased within 14 days of trip deposit in order to waive the pre-existing medical condition exclusion. The Cancel for Any Reason Program is only available for purchase within 14 days of trip deposit and is not available to New York residents and on select journeys. The cost of coverage is calculated based on the total cost of your travel arrangements and is non-refundable 10 days after purchase. For more information, visit [www.affinitytravelcert.com/abk](http://www.affinitytravelcert.com/abk).

## Special Requirement for Antarctica, Arctic and Kimberley Cruises:

Due to the remote locations, A&K requires proof of a minimum of \$100,000 per person in emergency evacuation/repatriation insurance for all Antarctica, Arctic and Kimberley cruises. This minimum amount is included in the A&K Guest Protection Program; upgrades can be purchased for higher coverage on request. If you do not purchase the A&K Guest Protection Program, we require proof of alternative coverage. Please note emergency evacuation insurance provides for covering the cost associated with emergency evacuation and repatriation up to the limits of the respective policy; however, it does not guarantee the timing, method or mode of such evacuation and repatriation, which is subject to weather, location and other conditions or variables outside of A&K's control.

## PASSPORTS AND VISAS

It is the guest's sole responsibility to obtain and have available when necessary the appropriate valid travel documents. All guests are advised to check with the appropriate government authority to determine the necessary documents. A valid passport is required for U.S. citizens travelling to all international destinations. Passports must be valid for six (6) months after the return of your journey and should also have sufficient blank visa pages for entry and exit stamps. Many destinations also require a visa for U.S. citizens; this will be indicated in your Pre-Travel Documentation. Non-U.S. citizens should contact the appropriate consular office for entry requirements pertaining to their journey. You may be refused boarding or disembarked from a plane, vessel or train without liability for refund, payment, compensation, or credit of any kind if you do not have proper documentation, and you will be subject to any fine or other costs incurred by A&K which result from improper documentation or noncompliance with applicable regulations.

There are many inherent risks in adventure travel of the type involved here, which can lead to illness, injury, or even death. These risks are increased by the fact that these trips take place in remote locations, far from medical facilities. Guest assumes all such risks associated with participating in these trips.

that may befall you as a result of participating in any Activities and agree to release A&K and its affiliates, their agents, employees and representatives from any liability whatsoever related thereto.

Further, as consideration for being permitted to participate in the Activities; you release A&K, whether known or unknown, from, and agree not to sue or make claim against A&K for, property damage, cancellation of any Activities for any reason, illness, negligent rescue operations or procedures, personal injury, or death arising out of your participation in the Activities, and any activity related thereto, including transportation to and from the site of the Activities, regardless of whether such property damage, illness, personal injury, or death results from the negligence of A&K (but not its reckless, willful, or fraudulent conduct), and/or from any defect in equipment. You further agree to indemnify and hold A&K harmless with respect to any claim made against A&K by anyone else which (a) related to your participation, or (b) which would be subject to the above release and covenant not to sue if you had made the claim directly yourself.
