SEE THE WORLD AS NEVER BEFORE ON AN A&K LUXURY EXPEDITION CRUISE

With a passion for authentic exploration and new frontiers, only
Abercrombie & Kent delivers truly unparalleled voyages of discovery
defined by luxury and extraordinary expertise at sea and on land.

“Every morning, the ship — a silken cocoon of French seafaring savoir faire on which every experience has been fine-tuned to perfection — delivers my fellow passengers and me to temples and gardens and even medieval castles, unveiling enigmatic treasures long overshadowed by the country’s major cities.”

— Amanda Castleman, *Robb Report* (January 2018); Wonders of Japan

ALL-INCLUSIVE LUXURY EXPLORATION, THE A&K WAY

More than a cruise, every exclusively chartered voyage we lead is an adventurous expedition, teeming with discoveries, and backed by our unrivaled experience at sea and on land.

Expertise in the Extraordinary

In 1991, we launched our first luxury expedition cruise to Antarctica. We set our sights on delivering the highest level of service on a cutting-edge vessel and invited only the top experts to join our Expedition Team. More than 300 voyages later, A&K continues to set the standard in modern-day luxury expedition cruising, expanding to offer some of the most innovative adventures in iconic cultural destinations. These include voyages to Japan, Greece, and this year's inaugural **Italy Cruise: Hidden Treasures from Florence to Venice.**

Exclusively Chartered to Bring You the Very Best

Every Luxury Expedition Cruise we lead is exclusively chartered by design, allowing A&K experts to combine the very best of everything — from the best ship and staff to the best itinerary and experiences — for the ultimate adventure. We choose the newest and most luxurious small ships for unparalleled exploration, and then limit the number of guests to an intimate number well below the capacity allowed for each vessel — no more than 150 guests on new 'Le Bougainville' and just 199 on beautiful 'Le Soleal.' Limiting guest capacity allows us to deliver a true small-ship cruising experience with comfortable access to beautiful public spaces, as well as a private balcony for every stateroom and suite. It also affords us one of the best personnel-to-guest ratios at 1 to 1.3, promising an optimized and intimate experience with a fantastic Expedition Team, all of it curated entirely by A&K.

Truly Luxurious, All-inclusive Cruising

Our Luxury Expedition Cruises are all-inclusive, the A&K way. That means we take care of everything so that you can fully enjoy every breathtaking moment of your adventure. Whether sailing the Mediterranean or the Sea of Japan, look forward to: engaging lectures; special events and a selection of curated shore excursions, which are always included; and joining our award-winning Expedition Team and local guides. Enjoy an elegant culinary program, and everything from included gratuities to complimentary Wi-Fi and laundry service, both new in 2019. Depending on your voyage, and before it even begins, you may also enjoy visits in fascinating cities from Florence to Kyoto to Athens, complete with stays in beautiful luxury hotels and signature guided A&K tours. All of it's included and just a sampling of what A&K provides.

Active Exploration in Unique Destinations

Unlike typical cruising, A&K Luxury Expedition Cruises are an invitation to explore with the finest experts in the field and from aboard the most luxurious and advanced small-ship cruising vessels at sea today. Our unique brand of cruising reflects brilliantly orchestrated — and always surprising — itineraries, such as you'll find on **Cruising the Greek Isles**, which visits both iconic and off-the-beaten-path gems, including Symi and Rhodes. No matter the voyage, adventure and discovery run deep when you cruise with A&K, revealing the full breadth of the world's most extraordinary destinations in ways you won't be able to anticipate.

“A guest once told me they could take the same cruise with us three times and never repeat a thing. That’s the beauty of our extensively scouted voyages, hand-crafted by our global team of experts to offer a diverse selection of curated excursions.”

— Bob Simpson
A&K VP, Expedition Cruising

EXCITING CULTURAL IMMERSION

Embark on a true adventure to the heart of a place with expertly curated A&K shore excursions and enrichment, both of which are always included.

Engaging Moments with the Best Experts

On every A&K Luxury Expedition Cruise, enjoy the benefits of an engaging enrichment program led by the best experts in their respective fields. Look forward to insight and guidance, as well as a staff-to-guest ratio of 1 to 10 — one of the best found on any expedition cruise. These friendly pros join you at every step, fully enriching your view with endless interactions that span everything from fascinating lectures at sea to visits to extraordinary cities.

Your Choice of All-Inclusive Shore Excursions

A&K cultural voyages boast an array of included shore excursions in the ports we visit. Curated and designed by our experts, each excursion is joined by a member of your Expedition Team and led by a passionate A&K guide with unique insight into the destination you're visiting. These experiences immerse you in everything from history and culture to the arts, architecture, botany, nature and culinary traditions, revealing each destination authentically through a local lens. Each is truly unique, available exclusively to our guests and typically unlike anything you'll find anywhere else. And whether a half day or full day — the latter of which also means a memorable lunch ashore — A&K excursions are always included with your cruise.

Dedicated Photo Coaches at Your Side

Every cruise we lead offers the chance to hone your skills under the wing of A&K's own professional photography coach. Look forward to lectures geared toward both experts and budding enthusiasts, hands-on workshops "on location," and tips and tricks for shooting on everything from mobile devices to professional SLRs.

THE MOST EXTRAORDINARY SHIPS TO TAKE YOU THERE

Every voyage with A&K begins aboard a superbly outfitted mega-yacht, selected by our experts and elevated to meet our exacting standards for luxury, adventure and safety.

We Select the Best Luxury Small Ships

Our experts zero in on the most advanced luxury small ships for every voyage we lead, selecting only those ideally suited for the destinations we explore. For A&K's Italy Cruise: **Hidden Treasures from Florence to Venice** and **Cruising the Greek Isles** voyages, guests sail on new 'Le Bougainville' with its innovative underwater lounge, while guests on **Wonders of Japan Cruise** enjoy a plush, sleek design aboard 'Le Soleal.' Both mega-yachts are defined by strength and boutique style, are ideally suited for island and city hopping, and offer everything you'd expect on a luxury journey with A&K. In addition, A&K guests enjoy one of the best small-ship cruising experiences at sea with a limited guest capacity of just 150 on 'Le Bougainville' and only 199 on 'Le Soleal' — something offered only on A&K charters.

A Private Balcony with Every Accommodation

Every Luxury Expedition Cruise we lead features premium accommodations for every guest — either a stateroom or suite — that are always outfitted with a private balcony, a feature available exclusively on A&K charters.

Beautiful Gathering Spaces and Accommodations

From 'Le Bougainville's' ultra-sleek interiors to 'Le Soleal's' commanding elegance, both luxury expedition cruisers boast chic decor, a convenient layout and a bevy of surprisingly comfortable offerings for every guest. A spacious Panoramic Lounge offers abundant ocean views, the Main Lounge is the place for live music, and a comfortable theater is the perfect venue for enrichment lectures and special events. Guests also enjoy a heated outdoor pool, multiple observation areas, a marina, a spa complete with a *hammam*, and a well-equipped fitness center with panoramic outside views. Beyond common areas, look forward to smart and extraordinarily comfortable staterooms and suites. Staterooms feature bedding configurations that range from king-size beds to two single beds, while Two-Room Suites feature a living room and a bedroom, or the option to convert into two bedrooms — perfect for families.

A REMARKABLE, FULLY INCLUSIVE CULINARY EXPERIENCE

Deserving of its own spotlight, a remarkable dining and beverage program is also part of your all-inclusive cruise with A&K.

Fine Dining on Board, Local Cuisine Ashore

Cruising with A&K includes every meal and unlimited house drinks aboard your luxury expedition cruise ships. Not your typical cruise fare, guests experience French *art de la table*, savoring a beautifully fresh menu inspired by French culinary heritage and encompassing everything from lavish plated and buffet entrées to carefully selected cheeses and delicate, freshly baked pastries, every day. Guests are also invited to join in included gala experiences throughout the voyage, such as a festive Captain's Dinner. And during your days ashore, look forward to unforgettable lunches at local restaurants that let you experience each destination in a most authentic light.

An Open Bar and More

Enjoy an open bar throughout your voyage and regular opportunities to cap off incredible days with cocktails in two lounges, the Panoramic Lounge for spectacular views over the sea and the Club Lounge featuring live music daily. Early-riser coffee and afternoon tea with pastries, a stocked in-room mini-fridge, and even 24-hour room service, are also included on A&K charters.

Dining As You Wish

Both 'Le Bougainville' and 'Le Soleal' feature beautiful and unique dining venues: The Restaurant for elegant plated courses and the casual Grill, which opens to an al fresco terrace and is ideal for abundant buffet service. There are no formal evenings, so "dressing for dinner" doesn't mean a tuxedo or gown. Light fare and vegetarian dishes are always available, and most special diets can be accommodated with advance notice. Guests can also take advantage of complimentary 24-hour room service, including the option to enjoy breakfast in bed at no extra charge.

COMPLETE WITH ALL THE RIGHT EXTRAS

All-inclusive cruising with A&K is about anticipating your every need with all the right amenities, always with our compliments.

AUG 20: Florence | *Tuscan Treasures*

Take another opportunity to experience the treasures of Tuscany with more excursions designed for discovery. Art lovers can head to the Accademia Gallery to see one of the most iconic sculptures ever created, Michelangelo's *David*, followed by a visit to the Uffizi Gallery, where masterpieces such as Caravaggio's *Medusa* and Botticelli's *Birth of Venus* hold court. You may also leave Florence for Pisa, taking in its charming Baptistery, the Campo Santo and the Duomo before stopping at the world-famous Leaning Tower, even climbing its 284 steps if you like. Alternately, visit the charming city of Lucca and stroll its picturesque town center, closed to car traffic. See the Piazza dell'Anfiteatro, which still follows the curve of the original Roman amphitheater, and the impressive 16th-century city walls and ramparts, now lined with leafy parks and promenades. Later, drive to Livorno to board 'Le Bougainville' and enjoy your first dinner on board. *'Le Bougainville' | Meals: B L D*

AUG 21: Corsica, France | *Mountainous French Isle*

Your first port of call lures you beyond the borders of Italy for a not-to-be-missed chance to explore Corsica. Set out on an excursion that introduces you to the city of Bastia, a place of Baroque churches and charming harborfront. Visit the Mattei distillery to sample the city's signature aperitif, Cap Corse, a wine with a uniquely bittersweet profile. Drive to the nearby village of Cardo and join your local guide, who leads you to a favorite food truck on the village square for lunch and a true taste of Corsican life. Alternately, explore the mountainous heights of Bastia on a hike, taking in its fragrant *maquis* (shrub vegetation), and superb views of the city and shoreline. Stop to visit a pair of icehouses, one of which dates back to the 16th century and both of which were in use well into the 20th century. Enjoy an awe-inspiring Corsican choir performance performed just for A&K guests. *'Le Bougainville' | Meals: B L D*

AUG 22: Rome, Italy | *The Eternal City*

Disembark this morning in the port of Civitavecchia, and then board a motorcoach for the drive into Rome, where you have your pick of expertly designed excursions. If you're a food lover, opt for a three-hour, hands-on lesson in the art of Italian cuisine, learning the secrets to delectable pasta, ravioli and tiramisù. Alternately, discover Rome's extensive Jewish heritage with a tour of the historic Jewish Ghetto, followed by the Vatican for an afternoon viewing its incomparable treasures. Also an option is a tour of central Rome's narrow streets and spacious, sunny piazzas, including world-famous Trevi Fountain and a private visit to Palazzo Colonna, the grandest of Rome's noble residences and a Baroque gem. *'Le Bougainville'* | *Meals: B L D*

AUG 23: Lipari | *Afternoon at Sea*

Spend the morning cruising the Tyrrhenian Sea, enjoying postcard-worthy views of the Aeolian Islands and the volcanic peak of Stromboli. Arrive at the island of Lipari, where you may disembark for sightseeing and an evening of lively local festivities. *'Le Bougainville'* | *Meals: B L D*

AUG 24: Palermo | *Sicily's Capital*

Begin your exploration of Sicily with a choice of three inspiring excursions. In the first, take in the sites of capital city Palermo, including the Teatro Massimo, Palermo's Duomo; the Quattro Canti, a spectacular Baroque square; and the 12th-century Cataldo Church. Another option is a journey into Sicily's rich cuisine, starting with a shopping expedition to a local outdoor market for ingredients. Proceed to a private palace for a three-hour, hands-on cooking class, where you learn the importance of food to Sicilian culture and prepare a four-course lunch. For your third option, visit Segesta, one of the finest Greek temples in the world, and then drive up the hill to Erice, stopping for lunch at a local farmhouse. Erice boasts some of Sicily's most tantalizing views over the Trapani coast, as well as its own distinctive almond pastries, which you sample before returning to the ship for dinner. *'Le Bougainville'* | *Meals: B L D*

AUG 25: Taormina | *Mount Etna & Movie History*

Explore the eastern shore of Sicily with a day in and around Taormina, a clifftop city of narrow, store-packed streets and spectacular views. Walk the city with a local guide and visit the Greek Theater, a great vantage point for viewing Mount Etna. Alternately, explore Catania, the most prosperous city in Roman Sicily and today filled with well-preserved ancient buildings. If you prefer to get up close to Sicily's greatest landmark, take a driving excursion to Mount Etna, viewing its stunning crater and learning about this volcanic peak's history. However you spend your day, enjoy a spectacular evening gala at a stunning private *castello* (castle) with a captivating history. Sit down to a lavish banquet punctuated by a variety of local entertainment and surprises. *'Le Bougainville'* | *Meals: B L D*

ROOM UPGRADES/SPECIAL REQUESTS

Upgrades are available on request at individual hotels. Specific requests such as adjacent or connecting rooms, bedding requests, smoking rooms and special dietary needs should be advised at time of booking. Please note that while every effort will be made to secure a special request, it cannot be guaranteed.

ITINERARIES

A&K reserves the right to modify program itineraries, including arranged sightseeing, and substitute accommodations, including vessels, aircraft and trains, at any time due to unforeseen circumstances or circumstances beyond A&K's control. Every effort will be made to operate itineraries as planned, but alterations may occur after the final itinerary has been issued.

AIR TRANSPORTATION

International airfare (to the journey starting point and from the ending point) is not included in program pricing. A&K has special agreements with many air carriers and can offer quotations from any gateway. Some journeys require internal flights as specified in the itinerary. This airfare is typically not included and must be purchased from A&K in addition to the journey. In the instance where charter flights are used and seating is limited, A&K reserves the right to substitute and confirm air reservations on a suitable alternative scheduled air flight. All internal air is based on economy class seating and is 100% non-refundable at time of final payment (some exceptions may apply). All international and internal air quotes are subject to change until final payment has been received by A&K. Flight confirmation is based on availability. Air reservations cannot be confirmed until a passport copy is received by A&K.

All air carriers are independent contractors and are not owned, managed, controlled or operated by A&K. Your airline ticket constitutes a contract between yourself and the airlines (and not A&K), even if purchased through A&K. A&K is not liable for, and does not assume responsibility or accept claims with regard to, seat assignments, name changes, schedule changes, flight changes and/or cancellations. Should you change or cancel your air transportation arrangements before or after your travel begins, all airline change and cancellation fees will apply.

BAGGAGE

A&K provides portage of up to two (2) pieces of baggage per person. Please note should your journey include internal/domestic or charter flights, your luggage allowance may be less than two (2) pieces of baggage and weight/size restrictions and additional costs may apply.

Details will be provided in your Pre-Travel Documentation. Baggage and personal effects are at the owner's risk throughout the travel program, and A&K assumes no liability for lost or damaged baggage. Please check with your international carrier for other baggage restrictions and fees applicable to your international flights.

PRICES AND ARRANGEMENTS

Quoted program prices are per person, double occupancy except where indicated. Marco Polo Club discount is not eligible on Connections and Connections European River Cruise Journeys for memberships established prior to November 1, 2015. For full program terms and conditions visit akmarcopolo.com. Marco Polo Journeys have two prices; a higher price that allows us to guarantee departures for small groups of two to six guests and a lower price for groups of seven or more guests. The higher price will be noted on your initial invoice and reduced before you depart if your group has seven or more guests. Although not expected, published prices may be modified due to unexpected significant external factors not forecasted at the time of printing. A&K is under no obligation to give a breakdown in costs of any journey. Pre- and Post-Tour Extensions are only available to guests booked on related group journeys. Modification of program content to accommodate a smaller group size will not affect the published program price.

CHILD POLICY

The minimum age is 10 years old unless noted on the itinerary and all children under age 18 must be accompanied

by an adult. Minimum age is 12 years old for Connections European River Cruise Journeys and varies for Family Journeys. A&K reserves the right to marginally exceed the published maximum group size on Family Journeys to accommodate a family.

ACTIVE ELEMENTS & CONDUCT

Some active elements have been incorporated into select itineraries. To enjoy the trips as intended, a minimum level of fitness is required. A&K will require prior notice if any participant has any physical or other condition or disability that would prevent them from participating in active elements of any trip and/or could create a hazard to him or herself or to other members of the group. Due to ship restrictions, women over six (6) months pregnant are not permitted to travel on Expedition Cruises. The guest represents that neither he nor she nor anyone travelling with him or her has any physical or other condition or disability that could create a hazard to himself or herself or other members of the tour. A&K reserves the right to decline acceptance of anyone whom it considers unsuitable due to fitness level. A&K also reserves the right to remove from the trip, at the participant's own expense, anyone whose physical condition or conduct negatively impacts the enjoyment of the other guests or disrupts the tour.

A&K'S GUEST PROTECTION PROGRAM

Travel insurance is not included in the price of the program and is recommended. You may purchase A&K's Guest Protection Program (which provides cancellation coverage, medical coverage and protection against lost or stolen or damaged luggage) or A&K's Guest Protection Program with Cancel for Any Reason Coverage for an additional fee. Coverage only takes effect upon A&K's receipt of payment for the plan. The Guest Protection Program is available up to final payment for your journey; however the plan must be purchased within 14 days of trip deposit in order to waive the pre-existing medical condition exclusion. The Cancel for Any Reason Program is only available for purchase within 14 days of trip deposit and is not available to New York residents and on select journeys. The cost of coverage is calculated based on the total cost of your travel arrangements and is non-refundable 10 days after purchase. For more information, visit www.affinitytravelcert.com/abk.

Special Requirement for Antarctica, Arctic and Kimberley Cruises:

Due to the remote locations, A&K requires proof of a minimum of \$100,000 per person in emergency evacuation/repatriation insurance for all Antarctica, Arctic and Kimberley cruises. This minimum amount is included in the A&K Guest Protection Program; upgrades can be purchased for higher coverage on request. If you do not purchase the A&K Guest Protection Program, we require proof of alternative coverage. Please note emergency evacuation insurance provides for covering the cost associated with emergency evacuation and repatriation up to the limits of the respective policy; however, it does not guarantee the timing, method or mode of such evacuation and repatriation, which is subject to weather, location and other conditions or variables outside of A&K's control.

PASSPORTS AND VISAS

It is the guest's sole responsibility to obtain and have available when necessary the appropriate valid travel documents. All guests are advised to check with the appropriate government authority to determine the necessary documents. A valid passport is required for U.S. citizens travelling to all international destinations. Passports must be valid for six (6) months after the return of your journey and should also have sufficient blank visa pages for entry and exit stamps. Many destinations also require a visa for U.S. citizens; this will be indicated in your Pre-Travel Documentation. Non-U.S. citizens should contact the appropriate consular office for entry requirements pertaining to their journey. You may be refused boarding or disembarked from a plane, vessel or train without liability for refund, payment, compensation, or credit of any kind if you do not have proper documentation, and you will be subject to any fine or other costs incurred by A&K which result from improper documentation or noncompliance with applicable regulations.

LIMITS ON A&K'S RESPONSIBILITY

A&K, its employees, shareholders, officers, directors, successors, agents and assigns, does not own or operate any property or entity which is to or does provide goods or services for your trip. It purchases transportation (by aircraft, coach, train, vessel or otherwise), hotel and other lodging accommodations, restaurant, ground handling and other services from various independent suppliers (including from time to time other affiliated A&K companies). All such persons and entities are independent contractors. As a result, A&K is not liable for any negligent or willful act of any such person or entity or of any third person. In addition and without limitation, A&K is not responsible for any injury, financial or physical loss, death, inconvenience, delay or damage to personal property in connection with the provision of any goods or services whether resulting from but not limited to acts of God or force majeure, illness, disease, acts of war, civil unrest, insurrection or revolt, animals, strikes or other labor activities, criminal or terrorist activities of any kind, overbooking or downgrading of services, food poisoning, mechanical or other failure of aircraft or other means of transportation or for failure of any transportation mechanism to arrive or depart on time.

There are many inherent risks in adventure travel of the type involved here, which can lead to illness, injury, or even death. These risks are increased by the fact that these trips take place in remote locations, far from medical facilities. Guest assumes all such risks associated with participating in these trips.

If you decide to participate in any activities including, but not limited to, any excursions involving animals, riding on animals, SCUBA diving, snorkeling, hot air ballooning, helicopter flights, ziplining, high altitude treks, climbing, whitewater rafting, jet boat rides, snowmobiling, primate tracking and any activity which A&K considers to carry inherent risk of serious illness, injury or death ("Activities") then you fully understand and acknowledge that Activities carry with them various inherent risks, including serious illness, injury or death and you take complete responsibility for your own health and safety and agree to assume all risks of injury, illness or death, whether foreseen or unforeseen,

that may befall you as a result of participating in any Activities and agree to release A&K and its affiliates, their agents, employees and representatives from any liability whatsoever related thereto.

Further, as consideration for being permitted to participate in the Activities; you release A&K, whether known or unknown, from, and agree not to sue or make claim against A&K for, property damage, cancellation of any Activities for any reason, illness, negligent rescue operations or procedures, personal injury, or death arising out of your participation in the Activities, and any activity related thereto, including transportation to and from the site of the Activities, regardless of whether such property damage, illness, personal injury, or death results from the negligence of A&K (but not its reckless, willful, or fraudulent conduct), and/or from any defect in equipment. You further agree to indemnify and hold A&K harmless with respect to any claim made against A&K by anyone else which (a) related to your participation, or (b) which would be subject to the above release and covenant not to sue if you had made the claim directly yourself.

TRAVEL ADVISORIES

It is the responsibility of the guest to become informed about the most current travel advisories by referring to the US State Department's travel website at travel.state.gov or by phone at 888 407 4747. In the event of a State Department Travel Advisory against travel to the specific destination location(s) of the trip, should the guest still choose to travel, notwithstanding any travel advisory, the guest assumes all risk of personal injury, death or property damage that may arise out of the events like those advised or warned against.

ARBITRATION AGREEMENT

Any controversy or claim arising out of or relating to these Terms and Conditions, to the Limits on A&K's Responsibility clause, to any A&K brochure, to any information regarding any A&K trip, service or package, or to any A&K-related trip, activity, service or package, shall be submitted exclusively to and resolved in binding arbitration in Chicago, Illinois under the CPR International Non-administered Arbitration Rules (which can be found at cpradr.org), before a single arbitrator appointed by CPR. Any party or their representative may appear for the arbitration by telephone or video conference. Each party shall bear its own fees, costs and expenses and an equal share of any arbitrator and administrative fees.
