Kenya, Tanzania & Ethiopia

Feel the pulse of the African heartland, a beat measured out in the stampedes of the Great Migration, on the snow-capped summit of Mount Kilimanjaro and within the corridors of rock-hewn churches.

From city to city and region to region, every destination holds a unique appeal. Go where your dreams lead you, with help from these expert recommendations.

Masai Mara Game Reserve

This vast savanna occupies a prime location along the Great Migration circuit, witnessing a seasonal cavalcade of wildebeests, Burchell’s zebras and Thomson’s gazelles. The Mara’s healthy lion population commands the top of the food chain.

Samburu National Reserve

The Ewaso Ngiro River bisects this otherwise parched landscape, concentrating thirsty elephants, Grevy’s zebras, giraffes and lions along its banks. This localized density of species makes for exceptional wildlife viewing, earning the reserve a reputation as one of northern Kenya’s finest.

Laikipia Plateau

With Mount Kenya as its backdrop, Laikipia plateau spans plains, acacia forests, swamps and rivers. The region’s private game reserves include Lewa Wildlife Conservancy, home to roughly 10 percent of Kenya’s black rhino population and the world’s largest concentration of Grevy’s zebra.

Southeastern Kenya

As home to three of Africa’s most iconic national parks (Amboseli, Chylulu Hills and Tsavo), this region plays a critical wildlife conservation role. Here, visitors can spot the “Big Five” and roam among elephants in the shadow of Mount Kilimanjaro.

Serengeti National Park

Spanning some 10,000 square miles of golden, rolling grassland, the park borders the Masai Mara Game Reserve to the north and shares in the spectacle of the Great Migration. The Serengeti supports one of the largest concentrations of wildlife in the world, including antelopes, hyenas, leopards, giraffes, lions, buffalos and cheetahs.

Ngorongoro Crater

The 2,000-foot deep chasm of Ngorongoro Crater formed when the cone of a massive volcano collapsed eons ago. Today, the crater's watering holes support a unique microcosm of wildlife, including lions, buffalos, flamingos and leopards.

Tarangire National Park

Set among vast, baobab-lined savannas, this park boasts a stunning concentration of wildlife, including one of the largest elephant populations in the world. Life in the park revolves around the Tarangire River, the only reliable source of water available to the Rift Valley's wildlife in the dry season.

Southern Tanzania

Nourished by vast riverine wilderness and mountain-fed lakes, the game reserves of Southern Tanzania (Selous Game Reserve, Ruaha National Park and Mahale Mountains National Park) shelter diverse species ranging from elephants to chimpanzees.

Lalibela

This "New Jerusalem" of monolithic churches and rock-hewn architecture draws Ethiopian Orthodox pilgrims from the farthest corners of the country. Carved straight down into Lalibela's red volcanic rock hills, the holy city's 11 monolithic churches are ringed by trenches, courtyards, graves and hermit cells, connected by a tangled maze of tunnels and passageways.

Lower Omo Valley

A homeland to several indigenous ethnic cultures, Ethiopia's Lower Omo Valley affords a window into the time-honored traditions of the Daasanach, Hamar and Mursi peoples — revealing local customs such as the Jumping of the Bulls ceremony and wearing of ceremonial lip plates.

See

In every corner of the globe, there are places that reveal the distinctive heritage and cultural vision of your destination. See the ones you'll cherish forever.

The Great Migration

Some 1.4 million wildebeest, 250,000 Burchell's zebra and a smattering of trailing Thomson's gazelle make this yearlong, round-trip trek from Tanzania's Serengeti to the Masai Mara in Kenya. Get a front-row seat as the herds make the 1,200-mile oval circuit with two things in mind: food and water.

Northern Kenya's Unique Species

The game parks of northern Kenya shelter a wealth of unique wildlife, a host of highly adapted species not found anywhere else on earth. Train your binoculars in hopes of spotting Grevy's zebras, gerenuks, Besia oryx, Somali ostrich and reticulated giraffes.

Lake Victoria

Mighty Lake Victoria feeds the White Nile, pumping a lifeline through the African heartland. Rarely visited by tourists, the villages and cities that dot the lake's shores afford an authentic glimpse into local life and culture.

Daphne Sheldrick Animal Orphanage

In a secluded corner of Nairobi National Park, join the elephant calves of the Daphne Sheldrick Animal Orphanage for their morning mud bath. Learn the stories of these adorable youngsters from their dedicated team of conservationists. You may even have the opportunity to encounter a young rhino at play.

Mount Kilimanjaro

Whether observed from afar or taken in from the summit, the highland montane, volcanic lava landscapes and breathtaking canyons of Mount Kilimanjaro inspire awe in the most seasoned of travellers. If you do opt to climb, ascend in confidence with A&K's summit rate of 97%.

Maasai Villages

Several Maasai villages dot the plains of southern Kenya and northern Tanzania, outposts of a centuries-old, semi-nomadic lifestyle. Learn more about their culture and customs as you meet with a village elder who introduces you to the community.

Wildebeest Calving

The Great Migration's epic drama of life and death plays itself out year after year, marking an eternal struggle of predator, prey, hunger, thirst and survival. Witness one of its most inspiring moments as wildebeest give birth to their calves on the golden plains of the southern Serengeti.

Bet Giyorgis

Ethiopia's massive Bet Giyorgis (also known as the Church of St. George) is the largest monolithic rock-hewn church in the world. Travel back to the reign of King Lalibela as you explore the church's interior — its chambers so finely crafted, they are said to have been carved by the angels themselves.

Do

Immerse yourself in local life, enjoying activities selected just for you by A&K. Discover all you can do with true insider access.

Soar Over the Mara or Serengeti

Ascend in a hot air balloon with your expert pilot for a bird's-eye view of the Masai Mara or Serengeti wilderness. Gain a stunning new perspective on these timeless landscapes, capturing once-in-a-lifetime photographs and taking in far more than you could ever hope to experience on land.

Explore a Local Village by *Tuk-Tuk*

Learn how Africans live today, exploring in and around the village of Mto wa Mbu, as you ride by *tuk-tuk*, a major form of transport here. See rice fields and a banana plantation, and try banana beer at a local bar. In the village, enjoy a walk through the local market to see the colorful produce on display.

Safari by Horseback or On Foot

Leave the 4x4 behind as you ride horseback or bushwalk on an active safari experience in one of Kenya or Tanzania's finest game reserves. Gain a new perspective on the nuances of your surroundings and track game more stealthily, your local guide leading the way.

Stay

Our established preferred relationships with only the finest properties let you choose your accommodations with confidence.

From city to city and region to region, every destination holds a unique appeal. Go where your dreams lead you, with help from these expert recommendations.

Bwindi Impenetrable National Park

Spanning Uganda's steep, mountainous rainforest, Bwindi Impenetrable National Park is home to just over half of the world's last surviving mountain gorilla population. The park also boasts some 360 species of birds, 200 species of butterflies and 320 species of trees within its exotic canopy.

Queen Elizabeth National Park

Renowned for its photogenic, tree-climbing lions, southwestern Uganda's Queen Elizabeth National Park also shelters large populations of hippos, elephants, lions and leopards among its savannas, bushlands, wetlands and forests.

Kibale National Park

Set in the dense tropical rainforest of eastern Uganda, Kibale National Park affords an excellent opportunity to spot chimpanzees swinging in the lush canopy high above. In addition to 11 primate species, the park also shelters mangabeys, exotic butterflies and some 300 species of birds. The park's wildlife-rich Bigodi Forest swamp teems with sitatunga, mongooses, bush pigs, otters and bushbucks.

Kigali

The Rwandan capital of Kigali meanders through a maze of valleys, its lush hillsides shading wide, bustling boulevards. Kigali underwent a significant renaissance as it emerged from the horrors of the 1994 genocide, a tragedy which shook the city's very foundations. Gleaming skyscrapers and a revived city center have seen a new day dawn in Kigali, her people looking optimistically forward while honoring the solemn memories of a violent past.

Lake Kivu

Ranking among the world's deepest and most voluminous bodies of fresh water, Lake Kivu dazzles with its sheer enormity. Tropical vegetation reaches out over the lake's sandy beaches, affording a refreshing waterfront oasis in a landlocked country. Terms & Conditions

These Abercrombie & Kent USA, LLC ("A&K") Terms & Conditions apply to Signature Series and Tailor Made journeys departing between January 1, 2018 and December 31, 2018 and bookings for future years until updated.

A&K PRICE ASSURANCE

The A&K Price Assurance applies to all Signature Series journeys available through A&K excluding international and internal air and extra services. The A&K Price Assurance applies only to 2018 advertised rates on abercrombiekent.com for the same program, travel date and accommodation classification. A&K reserves the right to modify or cancel the A&K Price Assurance for future bookings without prior notice.

INCLUDED IN JOURNEYS

All accommodations; meals; English-speaking guides and private sightseeing, except for shared excursions from safari camps/lodges, cruise vessels and trains or other exceptions, as noted in the itinerary; park and entrance fees; arrival and departure transfers; coffee/tea/soft drinks/water at included meals; local bottled water during sightseeing; portage of two (2) pieces of baggage; and hotel taxes.

NOT INCLUDED IN JOURNEYS

A&K's Guest Protection Program; international and internal airfares, unless otherwise noted; costs associated with obtaining passports or entry visas; reciprocity and other border fees; airport departure taxes, unless otherwise noted; excess baggage charges; all gratuities; meals other than those specified in the itinerary; beverages other than those noted in inclusions above or specified in the itinerary; any meals for your guide if you invite him/her to dine with you; sightseeing not included in the itinerary; and personal expenses such as laundry, communication charges, Internet access; and optional activities (which are subject to availability).

HOTEL CHECK-IN

Most hotels allow check-in to take place during the midafternoon. Should you wish to have a guaranteed room ready for your immediate check-in upon arrival, it can be arranged for an additional charge. Please ask A&K for details and prices.

SPECIAL REQUESTS

Specific requests such as adjacent or connecting rooms, types of beds, smoking rooms and special dietary needs should be advised at time of booking. Please note that while every effort will be made to secure a special request, it cannot be guaranteed.

ITINERARIES

A&K reserves the right to modify program itineraries, including arranged sightseeing, and substitute accommodations, including vessels, aircraft and trains, at any time due to unforeseen circumstances or those beyond A&K's control. Every effort will be made to operate itineraries as planned, but alterations may occur after the final itinerary

has been issued. All scheduled sightseeing has been confirmed in advance, but venues including wildlife reserves, museums and other points of interest can change their hours of operations at short notice. If this occurs, your guide will offer alternative arrangements.

AIR TRANSPORTATION

International airfare (to the journey starting point and from the ending point) is not included in program pricing. A&K has special agreements with many air carriers and can offer quotations from any gateway. Some journeys require internal flights as specified in the itinerary. This airfare is typically not included and must be purchased from A&K in addition to the journey. In the instance where charter flights are used and seating is limited, A&K reserves the right to substitute and confirm air reservations on a suitable alternative scheduled air flight. All internal air is based on economy class seating and is 100% non-refundable at time of final payment (some exceptions may apply). All international and internal air quotes are subject to change until final payment has been received by A&K. Flight confirmation is based on availability. Air reservations cannot be confirmed until a passport copy is received by A&K.

All air carriers are independent contractors and are not owned, managed, controlled or operated by A&K. Your airline ticket constitutes a contract between yourself and the airlines (and not A&K), even if purchased through A&K. A&K is not liable for, and does not assume responsibility or accept claims with regard to, seat assignments, name changes, schedule changes, flight changes and/or cancellations. Should you change or cancel your air transportation arrangements before or after your travel begins, all airline change and cancellation fees will apply.

BAGGAGE

A&K provides portage of two (2) pieces of baggage per person. Please note should your journey include internal/domestic or charter flights, your luggage allowance may be less than two (2) pieces of baggage and weight/size restrictions and additional costs may apply.

Details will be provided in your Pre-Travel Documentation. Baggage and personal effects are at the owner's risk throughout the travel program, and A&K assumes no liability for lost or damaged baggage. Please check with your international carrier for other baggage restrictions and fees applicable to your international flights.

PRICES AND ARRANGEMENTS

Quoted program prices are per person, double occupancy except where indicated. Although not expected, published prices may be modified due to unexpected significant external factors not forecasted at the time of printing. A&K is under no obligation to give a breakdown in costs of any journey. Any modifications to a Tailor Made itinerary, including dates or number of people travelling, will require a revised proposal.

CHILD POLICY

No minimum age is required unless noted on the itinerary and all children under age 18 must be accompanied by an adult. Some activities contained within an itinerary may have a different age restriction than the overall minimum age requirement. Details will be provided at the time of booking.

ACTIVE ELEMENTS & CONDUCT

Some active elements have been incorporated into select itineraries. To enjoy the trip as intended, a minimum level of fitness is required. A&K will require notice if any participant has any physical or other condition or disability that could create a hazard to him or herself. A&K reserves the right to decline acceptance of anyone whom it considers unsuitable due to fitness level. The guest represents that neither he nor she nor anyone travelling with him or her has any physical or other condition or disability that could create a hazard to himself or herself or other members of the tour. A&K reserves the right to decline acceptance of anyone whom it considers unsuitable due to fitness level. A&K also reserves the right to remove from the trip, at the participant's own expense, anyone whose physical condition or conduct negatively impacts the enjoyment of the other guests or disrupts the tour.

A&K'S GUEST PROTECTION PROGRAM

Our Guest Protection Program, which provides cancellation coverage, medical coverage and protection against lost or damaged luggage, is not included in the program price and is recommended. The plan must be purchased within 14 days of deposit in order to waive the pre-existing medical condition exclusion. Call A&K for details.

PASSPORTS AND VISAS

It is the guest's sole responsibility to obtain, and have available when necessary, the appropriate valid travel documents. All guests are advised to check with the appropriate government authority to determine the necessary documents. A valid passport is required for U.S. citizens travelling to all international destinations. Passports must be valid for six (6) months after the return of your journey and should also have sufficient blank visa pages for entry and exit stamps. Many destinations also require a visa for U.S. citizens; this will be indicated in your Pre-Travel Documentation. Non-U.S. citizens should contact the appropriate consular office for entry requirements pertaining to their journey. You may be refused boarding or disembarked from a vessel without liability for refund, payment, compensation or credit of any kind if you do not have proper documentation, and you will be subject to any fine or other costs incurred by A&K which result from improper documentation or noncompliance with applicable regulations.

RESERVATION AND PAYMENT SCHEDULE

Deposit per person required at time of booking: A deposit of \$1,000 per person for Signature Series and 25% of the program price for Tailor Made is required at the time of booking. Final payment is due 120 days prior to departure. If your reservation is made within 120 days of departure, the entire cost of the trip must be paid at the time of the request

in order to secure confirmation. Additional deposits may be required for planes, vessels and trains, including private charters; exclusive, private use of accommodations or venues; and groups of 15 or more. An additional nonrefundable permit fee is required at the time of booking for Uganda (\$1,350 per person).

CANCELLATION CHARGES

Cancellations must be received in writing and will become effective on the date of receipt, fax or email. Cancellations received by A&K are subject to the following:

CANCELLATION FEES PER PERSON

121 days prior to departure (or more):

Signature Series: \$500. Tailor Made: 10% of the program price up to a maximum of \$2,500 per person. Additional cancellation penalties may apply to planes, vessels and trains including private charters; exclusive private use of accommodations or venues; and groups of 15 or more.

120-91 days prior to departure:

20% of program price (Signature Series and Tailor Made)

90-61 days prior to departure:

50% of program price (Signature Series and Tailor Made)

60 days prior to departure (or less):

100% of the program price (Signature Series and Tailor Made)

Changes to the Itinerary: The guest will be responsible for any changes or cancellations made to the itinerary at their request or beyond their control, before or during travel, including expenses incurred due to a change, delay or cancellation of any flights. If a guest cancels or leaves a journey and a roommate remains, an additional supplement may apply to the price for the remaining guest.

CANCELLATION CHARGES FOR INTERNAL AIR

All internal air is 100% non-refundable at time of final payment (some exceptions may apply).

CANCELLATION CHARGES FOR EXTRA SERVICES

Additional hotel nights and other extra services booked in connection with A&K programs are subject to specific cancellation penalties. These will be provided at the time of booking and noted on the invoice.

CLAIMS AND REFUNDS

Refunds are not made for any missed services, except for verifiable, extenuating circumstances. Please see our Limits on A&K's Responsibility clause below. For verifiable claims to be considered, they must be received in writing within 30 days of the termination of the program and be accompanied by supporting documentation and/or a statement from the local destination company verifying the claim. Any adjustment consideration will be based on the actual price of the services involved and not on a per diem basis. Adjustments will not be made for unused sightseeing trips or meals. A&K will not accept any liability for any claims that are not received within 30 days of the termination of your travel program.

PHOTOGRAPHY DURING TRAVEL

A&K reserves the right to take photographs and video during the operation of any program, or part thereof, and to use them for promotional purposes during the program and thereafter. By booking a program with A&K, guests agree to allow their images to be used in such photographs and video. Guests who prefer that their images not be used are asked to identify themselves to their Local Guide at the beginning of their program.

LIMITS ON A&K'S RESPONSIBILITY

A&K, its employees, shareholders, officers, directors, successors, agents and assigns, does not own or operate any property or entity which is to or does provide goods or services for your trip. It purchases transportation (by aircraft, coach, train, vessel or otherwise), hotel and other lodging accommodations, restaurant, ground handling and other services from various independent suppliers (including from time to time other affiliated A&K companies). All such persons and entities are independent contractors. As a result, A&K is not liable for any negligent or willful act of any such person or entity or of any third person. In addition and without limitation, A&K is not responsible for any injury, financial or physical loss, death, inconvenience, delay or damage to personal property in connection with the provision of any goods or services whether resulting from but not limited to acts of God or force majeure, illness, disease, acts of war, civil unrest, insurrection or revolt, animals, strikes or other labor activities, criminal or terrorist activities of any kind, overbooking or downgrading of services, food poisoning, mechanical or other failure of aircraft or other means of transportation or for failure of any transportation mechanism to arrive or depart on time.

There are many inherent risks in adventure travel of the type involved here, which can lead to illness, injury, or even death. These risks are increased by the fact that these trips take place in remote locations, far from medical facilities. Guest assumes all such risks associated with participating in these trips.

If you decide to participate in any activities including, but not limited to, any excursions involving animals, riding on animals, SCUBA diving, snorkeling, hot air ballooning, ziplining, high altitude treks, climbing, whitewater rafting, primate tracking and any activity which A&K considers to carry inherent risk of serious illness, injury or death ("Activities"), then you fully understand and acknowledge that Activities carry with them various inherent risks, including serious illness, injury or death and you take complete responsibility for your own health and safety and agree to assume all risks of injury, illness or death, whether foreseen or unforeseen, that may befall you as a result of participating in any Activities and agree to release A&K and its affiliates, their agents, employees and representatives from any liability whatsoever related thereto.

Further, as consideration for being permitted to participate in the Activities, you release A&K, whether known or unknown, from, and agree not to sue or make claim against A&K for, property damage, cancellation of any Activities for any reason, illness, negligent rescue operations or procedures, personal injury, or death arising out of your participation in the Activities, and any activity related thereto, including transportation to and from the site of the Activities, regardless of whether such property damage, illness, personal injury, or death results from the negligence of A&K (but not

its reckless, willful, or fraudulent conduct), and/or from any defect in equipment. You further agree to indemnify and hold A&K harmless with respect to any claim made against A&K by anyone else which (a) related to your participation, or (b) which would be subject to the above release and covenant not to sue if you had made the claim directly yourself.

TRAVEL ADVISORIES AND WARNINGS

It is the responsibility of the guest to become informed about the most current travel advisories and warnings by referring to the U.S. State Department's travel website at travel.state.gov or by phone at 888 407 4747. In the event of an active State Department Travel Warning against travel to the specific destination location(s) of the trip, should the guest still choose to travel, notwithstanding any travel advisory or warning, the guest assumes all risk of personal injury, death or property damage that may arise out of the events like those advised or warned against.

ARBITRATION AGREEMENT

Any controversy or claim arising out of or relating to these Terms and Conditions; to the Limits on A&K's Responsibility clause; to any A&K brochure; to any information regarding any A&K trip, service or package; or to any A&K related trip, activity, service or package shall be submitted exclusively to and resolved in binding arbitration in Chicago, Illinois under the CPR International Non-administered Arbitration Rules (which can be found at cpradr.org), before a single arbitrator appointed by CPR. Any party or their representative may appear for the arbitration by telephone or video conference. Each party shall bear its own fees, costs and expenses and an equal share of any arbitrator and administrative fees.

ANY PAYMENT TO A&K CONSTITUTES YOUR ACCEPTANCE OF THE TERMS AND CONDITIONS SET OUT HEREIN AND IN MORE SPECIFIC PRE-TRAVEL DOCUMENTATION, INCLUDING THE GUEST INFORMATION FORM.
