

ESSENTIAL INFORMATION ETHIOPIA

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of one (1) blank visa page for entry and exit stamps.

A tourist visa is required for U.S. and Canadian passport holders for entry into Ethiopia.

There are currently two options available as outlined below. A&K recommends an electronic visa.

Electronic Visa (eVisa): To apply for an eVisa, visit www.evisa.gov.et. The current fee for a single-entry visa, which is valid for 30 days, is USD \$52 (subject to change without notice). The validity of an eVisa starts from your date of arrival in Ethiopia, not from the date of issuance. Read and follow all instructions carefully to ensure a smooth arrival in Ethiopia. *Please be aware that eVisas are only valid for entry at Bole International Airport (ADD) in Addis Ababa.*

Visa on Arrival: Tourist visas can be obtained on arrival at Bole International Airport (ADD) in Addis Ababa. The current fee for a single-entry visa is USD \$50 (subject to change without notice.) The fee must be paid in cash and one (1) passport-size photo is required. *The U.S. Department of State advises against using this option due to unreliable visa on arrival procedures and reports of significant wait times.*

If you are asked to provide contact information for your local tour operator, please use:

KIBRAN TOUR OPERATIONS PLC

Kebele 05 House Number 188

Micky Land Street

Addis Ababa, Ethiopia

Telephone: +251 11 662 6214

Emergency Telephone: +251 91 122

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

REQUIREMENTS RELATED TO COVID-19

Visit the U.S. Department of State at travel.state.gov or the Government of Canada at travel.gc.ca/travelling/advisories for comprehensive and up-to-date country entry requirements as well as information for onward travel. A&K will facilitate in-country testing required for returning home or onward travel at the end of your A&K journey. Costs are paid locally and vary depending on the type and location of testing. All details specific to your journey will be included in with your **Final Documents**.

Requirements for Returning Home or Onward Travel

Guests returning to the United States

All travellers, including U.S. passport holders, must provide printed or electronic proof of a negative COVID-19 viral test taken within three (3) days of boarding their flight to the United States or written documentation verifying they have recovered from COVID-19 within 90 days preceding travel. Additional details can be found at [U.S. COVID-19 Entry Requirements | CDC](https://www.cdc.gov/travel/qa/covid-19-entry-requirements.html). State COVID-19 entry requirements may vary and can be found at [COVID-19 Travel Planner | CDC](https://www.cdc.gov/travel/qa/covid-19-entry-requirements.html).

Guests returning to Canada

All travellers, including Canadian passport holders, must provide printed or electronic proof of a negative COVID-19 molecular test taken within 72 hours of boarding their flight to Canada. Additional information can be found at travel.gc.ca/travelling/advisories.

Note all guests with flights connecting through and/or continuing to other countries should check the specific COVID-19 entry requirements.

VACCINATIONS

A yellow fever vaccination is only required to enter Ethiopia **if** you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa – including East African countries such as Kenya and Uganda. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

STAY HEALTHY ON THE ROAD

Because of Ethiopia's high elevations, you may experience altitude sickness. Please consult your healthcare provider for suggestions on prevention and treatment.

CASH & CREDIT CARDS

Ethiopia has a cash-based economy. Cash transactions can be made in either U.S. dollars or local currency. U.S. dollars should be recently issued bills in smaller denominations. Major credit cards are accepted on a very limited basis, mainly in the largest shops, hotels and lodges. Access to ATM machines is available in Addis Ababa but limited in rural areas.

PACKING LIST & BAGGAGE RESTRICTIONS

On flights within Ethiopia, each passenger is limited to 1 piece of checked luggage with a maximum weight of approximately 44 pounds (20 kilograms). Total dimensions of checked bags must not exceed 62 inches (158 centimeters.) Dimensions for checked baggage are calculated by adding together the width, height and depth of the piece of luggage. For carry-on baggage, each passenger is limited to 1 piece of luggage with a maximum weight of approximately 15 pounds (7 kilograms). Dimensions of your carry-on bag should not exceed 9 inches (23 centimeters) x 15 inches (40 centimeters) x 21 inches (55 centimeters). In addition, each passenger may carry on a personal item with a maximum weight of 11 pounds (5 kilograms).

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.

Safe Travel Essentials

Be sure to bring personal protective equipment (PPE), including face masks, travel-sized hand sanitizer with at least 60% alcohol, facial tissues and disinfecting wipes or spray.

Clothing

Choose versatile, casual clothing that can be layered if the weather (or level of air-conditioning) requires. Smart casual attire is appropriate for evenings. Formal clothing is not necessary.

Beachwear or other tight or revealing clothing is not appropriate street wear in Ethiopia. Local people dress conservatively and appreciate visitors who do the same.

Churches, temples, mosques and other religious sites require conservative dress. Both sexes should cover their arms, legs and shoulders (women should pack a scarf for this purpose.) Wear

or carry a pair of socks when sightseeing, since shoes must be removed when visiting certain religious sites.

- Casual slacks
- Walking shorts
- Polo shirts, casual short-sleeve shirts or blouses
- Long sleeve shirts or blouses
- Long comfortable skirts for women
- Scarf large enough to cover neck and shoulders for women
- Sweater or lightweight jacket
- Comfortable walking shoes with traction
- Brimmed hat for sun protection
- Sleepwear
- Personal garments
- Sports bra for women for bumpy roads
- Socks
- Swimwear/cover-up

Other Recommended Items

- Sunglasses / Sun block
- Insect repellent with high % of DEET to protect against mosquitos and tsetse flies
- Simple first-aid kit
- Prescriptions and medications (in their original bottles and/or packaging)
- Extra eyeglasses/contact lenses
- Smartphone
- Charging cables for electronics
- Global travel adapter

Optional Items

- Small LED flashlight
- Foldable walking stick
- Lightweight binoculars
- Small daypack or fanny pack
- Inflatable pillow or stadium cushion can make bumpy roads more comfortable
- Low-suds detergent for washing small items of personal laundry

Laundry Service is available at most properties. Because some laundries in Africa do not accept any underclothing, be prepared to wash your own smalls. Laundry techniques may not be suitable for delicate and/or synthetic fabrics. Check costs and return times before using these services.
