ESSENTIAL INFORMATION
KENYA & TANZANIA

PASSPORT AND VISA INFORMATION
Your passport needs to be valid for at least six (6) months after your journey ends, and should have a minimum of four (4) blank visa pages for entry and exit stamps.

KENYA
A tourist visa is required for U.S. and Canadian passport holders for entry into Kenya. There are currently two options available as outlined below. A&K recommends an electronic visa.

Electronic Visa (eVisa): To apply for an eVisa, visit evisa.go.ke/evisa.html. The current fee for a single-entry* visa is USD $51 (subject to change without notice). A tourist visa is only valid for 90 days from the date of issuance, so do not apply for your Kenya visa more than 90 days prior to departure. If the visa application asks you to provide an email address for your host tour operator in Kenya, please use info@abercrombiekent.co.ke Read and follow all instructions carefully to ensure a smooth arrival in Kenya. You may be required to upload documents (e.g. passport photo or copy of your passport information page) to complete the eVisa process. If you experience technical problems with the eVisa website, try again a few hours later or the following day.

Visa on Arrival: The current fee for a single-entry visa is USD $50 (subject to change without notice) and must be paid in cash in U.S. dollars. Kenya is presently offering visas on arrival as they transition towards the eVisa program; however, this option can be suspended at any time without notice.

* A single-entry eVisa for Kenya allows you to enter, exit and re-enter the country after visiting either Tanzania or Uganda, without having to purchase a multiple-entry visa.

Note: Kenya is currently waiving visa requirements for children age 15 or younger. Children in this age group need only present a valid passport upon arrival.

TANZANIA
A tourist visa is required for U.S. and Canadian passport holders for entry into Tanzania. There are currently two options available as outlined below. A&K recommends an electronic visa (eVisa).

Electronic Visa (eVisa): To apply for an eVisa, visit eservices.immigration.go.tz/visa. The current fee for a multiple-entry visa is USD $100 (subject to change without notice). We recommend that you apply at least 60 days prior to your arrival date. In the section that asks for “Port Type” you can list either Airport or Road based upon the type of entry/exit in your specific itinerary. The specific ports of entry are not required fields and can be left blank. In the section that asks for an email address for your host tour operator in Tanzania, please use info@abercrombiekent.co.tz Read and follow all instructions carefully to ensure a smooth arrival in Tanzania. If you experience technical problems with the eVisa website, try again a few hours later or the following day.

Visa Stamp: A visa stamp in your passport can be obtained either by applying directly to a Tanzanian consulate or through a visa processing service. While there are additional costs involved in using a visa service, this option is available for guests who prefer assistance in the visa process.

Note: Visas can be obtained on arrival in Tanzania, however, the Tanzanian government has implemented recent changes to the visa on arrival process that require applicants to wait in several different lines and can take in excess of two hours to complete.
Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K’s account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

VACCINATIONS
A yellow fever vaccination is only required to enter Kenya and Tanzania if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa—including East African countries such as Kenya, Tanzania and Uganda. The CDC and WHO each provide a current list of all affected countries. As your itinerary includes visits to both Kenya and Tanzania, vaccination for yellow fever is necessary and you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

CASH & CREDIT CARDS
Both Kenya and Tanzania have cash-based economies. Cash transactions can be made in either U.S. dollars or the local currency in each country. U.S. dollars should be recently issued bills in smaller denominations. Major credit cards are accepted on a very limited basis, mainly in the largest shops, hotels and lodges. Access to ATM machines is available in large cities such as Nairobi, Arusha and Dar es Salaam, but limited in rural areas.

OF SPECIAL NOTE: PLASTIC BAGS IN KENYA AND TANZANIA
The governments of Kenya and Tanzania have implemented a ban on plastic bags. The ban applies to “carrier and flat bags,” primarily targeting bags from shops and grocery stores, but also extending to Ziploc bags, duty-free bags and bubble wrap. If tourists have those types of bags visible while in the airport, they are likely to be confiscated. Bags designed for multiple use, such as zipperred cosmetic bags, are not included in the ban.
PACKING LIST & BAGGAGE RESTRICTIONS
KENYA & TANZANIA

BAGGAGE RESTRICTIONS
On flights within East Africa, each passenger is limited to a maximum baggage weight of 33 pounds (15 kilograms). This includes the weight of purses and camera equipment in addition to regular luggage. Luggage restrictions are adhered to very strictly and passengers should pack their bags accordingly. Soft-sided luggage or duffels are preferable to hard luggage for storage on safari vehicles and also on aircraft used throughout East Africa. Dimensions should not exceed 23 inches (58 centimeters) long x 13 inches (33 centimeters) high x 10 inches (25 centimeters) wide. As a convenience, A&K provides each safari guest with a complimentary, custom-designed A&K Duffel. This bag is specifically crafted to meet airline standards.

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.

PACKING LIST
Choose comfortable and casual clothing in natural, "breathable" fabrics and versatile styles that can be layered, as temperatures may vary considerably in the course of the day. For game viewing, wear neutral colors (though not camouflage, which is illegal in most national parks and reserves). Black, navy or other dark colors tend to attract insects. Smart casual attire is appropriate for evenings. Formal clothing is not necessary.
