ESSENTIAL INFORMATION
SOUTH AFRICA

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for at least six (6) months after your journey ends, and should have a minimum of two (2) consecutive blank visa pages for entry and exit stamps.

Note: you will need 2 blank visa pages, each time you enter or re-enter South Africa during the course of your journey. Therefore, keep this in mind if your specific itinerary includes travel to countries outside of South Africa followed by a return to South Africa.

Holders of U.S. and Canadian passports are not required to obtain a tourist visa for entry into South Africa for stays of up to 90 days.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K’s account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

Of Special Note: Adults Entering and/or Exiting South Africa with Minor Children

South Africa has instituted requirements for adults travelling with children under the age of 18.

Parents travelling with children will be requested to provide an official birth certificate that includes the details of the full name of both the child's father and the mother of all travelling children. This applies even when both parents are travelling with their children and it also applies to foreigners and South Africans alike. When children are travelling with guardians, these adults are required to produce affidavits from parents providing permission for the children to travel. All documents must be in English.

Both parents travelling with child:

• When both parents are travelling with a child, nothing additional is required provided the child and both parents share the same surname. If this is not the case, such parents must produce an official birth certificate that includes the details of both the child's father and mother.

One parent travelling with child:

• In the case of one parent travelling with a child, he or she must produce an official birth certificate that includes the details of both the child's father and the mother. In addition, the parent must produce one of the following:

  • If the travelling parent has shared legal custody of the child: Consent in the form of an affidavit from the other parent registered as a parent on the birth certificate of the child authorizing him or her to enter into or depart from South Africa with the child he or she is travelling with.

  • If the travelling parent has sole legal custody of the child: A court order granting full parental responsibilities and rights, or legal guardianship, in respect of the child, if he or she is the parent or legal guardian of the child; or where applicable, a death certificate of the other parent registered as a parent of the child on the birth certificate.

Child travelling with a relative (for example grandparent) or with a person given the parents' approval to enter into or depart from South Africa with the child:
• Where a person is travelling with a child who is not his or her biological child, he or she must produce a copy of the official birth certificate that includes the details of both the child's father and the mother.

• An affidavit from the parents or legal guardian of the child confirming that he or she has permission to travel with the child.

• Copies of the identity documents or passports of the parents or legal guardian of the child.

• The contact details of the parents or legal guardian of the child.

VACCINATIONS

A yellow fever vaccination is only required to enter South Africa if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

CASH & CREDIT CARDS

Cash transactions should be made in South African Rand. Major credit cards are widely accepted at shops, hotels, safari lodges and restaurants. Access to ATM machines is widespread in large cities such as Johannesburg and Cape Town but limited in rural areas.

OF SPECIAL NOTE: AGE RESTRICTIONS ON BUSH WALKS IN SOUTH AFRICA

Due to South African government regulations, persons under the age of 16 are not allowed to participate in bush walks (game viewing on foot) at National Parks and private game reserves in South Africa. Persons over the age of 60 are required to produce a note from their physician stating that they are fit enough for such an activity. Note: Enforcement of these regulations can vary at each safari property in South Africa. We recommend guests over the age of 60 carry the physician’s note as a precaution.
PACKING LIST & BAGGAGE RESTRICTIONS
SOUTH AFRICA

BAGGAGE RESTRICTIONS

On flights within Southern Africa, each passenger is limited to 1 piece of checked luggage and 1 carry-on bag with a combined total weight of no more than 44 pounds (20 kilograms). This includes the weight of purses and camera equipment in addition to your other luggage. Luggage restrictions are adhered to very strictly and passengers should pack their bags accordingly. Soft-sided luggage or duffels are required for luggage storage on safari vehicles and also on light aircraft used throughout Southern Africa. Dimensions of your checked bag should not exceed 23 inches (58 centimeters) long x 13 inches (33 centimeters) high x 10 inches (25 centimeters) wide. As a convenience, A&K provides each safari guest with a complimentary, custom-designed A&K Duffel. This bag is specifically crafted to meet airline standards*. Your carry-on bag should be small enough to fit in your lap or under your seat.

*Note: in addition to the size and weight restrictions noted above, O.R. Tambo International Airport in Johannesburg, South Africa also imposes additional restrictions for checked baggage. The A&K Duffel meets these additional requirements as well. However, if you plan to check any bags other than the A&K Duffel during the course of your journey, please be aware of the following regulations:

• Only regular shaped bags will be allowed to be checked in. All bags must have at least one flat surface to be accepted. Round or irregular-shaped bags will not be allowed.

• Bags with long straps will not be allowed. Long straps need to be detached and stored in the luggage (the strap on the A&K Duffel easily detaches and can be stored inside).

Passengers whose bags do not conform to the above rules will be required to have their baggage wrapped with one flat side at an approved baggage wrapping station within the airport.

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.

PACKING LIST

Choose comfortable and casual clothing in natural, "breathable" fabrics and versatile styles that can be layered as temperatures may vary considerably in the course of the day. For game viewing, wear neutral colors (though not camouflage, which is illegal in most national parks and reserves). Black, navy or other dark colors tend to attract insects. Smart casual attire is appropriate for evenings. Formal clothing is not necessary.

Note: If your itinerary includes a journey aboard the Rovos Rail train, the required dress code at dinner in the main dining car is a jacket and tie for gentlemen, and elegant for ladies, such as cocktail/evening dresses or suits.

Clothing

☐ Casual slacks
☐ Polo shirts, casual short-sleeve shirts or blouses
☐ Comfortable walking shoes with traction
☐ A pair of rubber beach sandals to use as slippers.
☐ Walking shorts
☐ Long sleeve shirts or blouses
☐ If you are travelling during Africa’s winter months of mid-May through early September, bring warm clothing — heavy sweater, hat, gloves, lined jacket — to protect against chilly early morning and evening temperatures
- Brimmed hat for sun protection
- Personal garments
- Sleepwear

Other Recommended Items
- Sunglasses / Sun block
- Prescriptions and medications (in their original bottles and/or packaging)
- Extra eyeglasses/contact lenses
- Charging cables for electronics

Optional Items
- Small LED flashlight
- Lightweight binoculars
- Inflatable pillow or stadium cushion can make bumpy roads more comfortable

*Note: many properties provide insect repellent in rooms/tents. However you may wish to bring your own preferred brand.

Laundry Service is available at most hotels, lodges and camps. Because some laundries in Africa do not accept any underclothing, be prepared to wash your own smalls. Laundry techniques may not be suitable for delicate and/or synthetic fabrics. Check costs and return times before using these services.
While decisions regarding tipping rest entirely with you, we suggest the following gratuities (noted in U.S. dollars) depending on the type of journey.
