

ESSENTIAL INFORMATION ZAMBIA & ZIMBABWE

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of (4) blank visa pages for entry and exit stamps.

A tourist visa is required for U.S. and Canadian passport holders for entry into Zambia and Zimbabwe. A&K recommends obtaining a KAZA UNIVISA (valid for both countries) on arrival.

KAZA UNIVISA: Can be obtained on arrival at certain ports of entry in either Zambia or Zimbabwe. It is valid for 30 days and allows multiple entries into either country. The current fee is USD \$50 (subject to change without notice). This amount must be paid in cash in U.S. dollars.

The allowable ports of entry include:

ZAMBIA

- KK International Airport Lusaka
- Harry Mwaanga International Airport Livingstone
- Victoria Falls Land Border with Zimbabwe
- Kazangula Land Border with Botswana

ZIMBABWE

- Harare International Airport
- Victoria Falls International Airport
- Victoria Falls Land Border with Zambia
- Kazangula Land Border with Botswana

Availability of the KAZA UNIVISA can be sporadic. In the event the KAZA UNIVISA is unavailable, individual visas for Zambia and Zimbabwe can be obtained on arrival in each country as follows:

ZAMBIA

- Single-entry visa for Zambia: USD \$50. Valid for 90 days.
- A “day trip” visa for Zambia: USD \$20. Valid for one day (no overnight lodging). This visa is a good option for travellers staying in Zimbabwe who want to visit Victoria Falls from the Zambian side.
- Note: Multiple-entry visas for Zambia are not offered on arrival.

ZIMBABWE

- Single-entry visa for Zimbabwe USD \$30. Valid for 30 days.
- Multiple-entry visa for Zimbabwe USD \$60. Valid for 60 days.

All visa fees subject to change without notice. Payment must be made in cash in U.S. dollars.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

VACCINATIONS AND MEDICATIONS

A yellow fever vaccination is only required to enter **Zambia** or **Zimbabwe** if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

Restrictions on Taking Non-Prescription Medications into Zambia

The Zambian Drug Enforcement Commission (DEC) has in the past detained a number of travellers for possession of Benadryl and other over-the-counter medications which contain small quantities of diphenhydramine, an active ingredient that is on Zambia's list of controlled substances. Although unaware of these restrictions, travellers have been charged with drug trafficking offenses, had their passports confiscated, and been jailed. As a result, you should consider leaving all non-prescription medications behind.

CASH & CREDIT CARDS

Zambia: The country has a cash-based economy. Cash transactions can be made in either U.S. dollars or local currency. U.S. dollars should be recently issued bills in smaller denominations. Major credit cards are accepted on a limited basis at shops, hotels, safari lodges and restaurants. Access to ATM machines is extremely limited.

Zimbabwe: Cash transactions must be made in U.S. dollars as Zimbabwe does not have its own currency and uses the U.S. dollar as its legal tender. U.S. dollars should be recently issued bills in smaller denominations. Major credit cards are accepted on a limited basis shops, hotels, safari lodges and restaurants. Access to ATM machines is extremely limited and any ATMs you do find are likely to be either out of order or out of money.

OF SPECIAL NOTE:

Connecting through Johannesburg en route to Zambia

If you are connecting through Johannesburg en route to Zambia, in order to reduce the risk of your luggage being lost or delayed, we highly recommend that you do NOT check your luggage all the way through to Zambia and instead check it only through to Johannesburg and then re-check it prior to boarding your flight to Zambia.

In addition to this, as a further precaution, we highly recommend that you pack at least one change of clothing in your carry-on luggage as a precautionary measure in the event that your checked luggage is delayed.

Airport Taxes and Fees in Zambia and Zimbabwe

PACKING LIST & BAGGAGE RESTRICTIONS

ZAMBIA & ZIMBABWE

BAGGAGE RESTRICTIONS

On flights within Southern Africa, each passenger is limited to 1 piece of checked luggage and 1 carry-on bag with a combined total weight of no more than 44 pounds (20 kilograms) per passenger. This includes the weight of purses and camera equipment in addition to your other luggage. Luggage restrictions are adhered to very strictly and passengers should pack their bags accordingly. Soft-sided luggage or duffels are required for luggage storage on safari vehicles and also on light aircraft used throughout Southern Africa. Dimensions of your checked bag should not exceed 23 inches (58 centimeters) long x 13 inches (33 centimeters) high x 10 inches (25 centimeters) wide. As a convenience, A&K provides each safari guest with a complimentary, custom-designed A&K Duffel. This bag is specifically crafted to meet airline standards. Your carry-on bag should be small enough to fit in your lap or under your seat.

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.

PACKING LIST

Choose comfortable and casual clothing in natural, "breathable" fabrics and versatile styles that can be layered as temperatures may vary considerably in the course of the day. For game viewing, wear neutral colors (though not camouflage, which is illegal in most national parks and reserves). Black, navy or other dark colors tend to attract insects. Smart casual attire is appropriate for evenings. Formal clothing is not necessary.

Note: If your itinerary includes a journey aboard the Rovos Rail train, the required dress code at dinner in the main dining car is a jacket and tie for gentlemen, and elegant for ladies, such as cocktail/evening dresses or suits. The Victoria Falls Hotel in Zimbabwe has relaxed its long standing dress code for dining in the Livingstone Room. Long pants and collared shirts for men and corresponding attire for women are now considered the standard.
