

ESSENTIAL INFORMATION INDONESIA

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of two (2) blank visa pages for entry and exit stamps.

A tourist visa is required for U.S. and Canadian passport holders for entry into Indonesia.

There are currently three options available as outlined below. A&K recommends a visa exemption. All entrance procedures and fees subject to change without notice.

Visa Exemption: This is a no-fee stamp placed in your passport upon arrival for tourists staying less than 30 days; no extensions are allowed and no adjustment to another visa status permitted. You must enter and exit through an immigration checkpoint at major airports and seaports. You also must have a return or onward ticket to another country and have not been previously refused entry to Indonesia or blacklisted.

Visa on Arrival: Travellers entering Indonesia from entry points not part of the visa exemption will be required to pay a fee of USD \$35 in order to obtain their tourist visa on arrival. This fee must be paid in cash and can be paid in U.S. dollars or local currency.

Visa in Advance: A visa stamp in your passport can be obtained either by applying directly to an Indonesian consulate or through a visa processing service. While there are additional costs involved in using a visa service, this option is available for guests who prefer assistance in the visa process.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

REQUIREMENTS RELATED TO COVID-19

Visit the U.S. Department of State at travel.state.gov or the Government of Canada at travel.gc.ca/travelling/advisories for comprehensive and up-to-date country entry requirements as well as information for onward travel. A&K will facilitate in-country testing required for returning home or onward travel at the end of your A&K journey. Costs are paid locally and vary depending on the type and location of testing. All details specific to your journey will be included in with your **Final Documents**.

Requirements for Returning Home or Onward Travel

Guests returning to the United States

Before boarding a flight to the United States, all travellers are required to show printed or electronic proof of a negative COVID-19 viral test (PCR or rapid antigen) result taken no more than one (1) day before travel, or documentation of recovery from COVID-19 in the last 90 days.

For up-to-date details and FAQs visit [Requirement for Proof of Negative COVID-19 Test or Documentation of Recovery from COVID-19 | CDC](#). Be sure to check state COVID-19 entry requirements, as they may vary.

Guests returning to Canada

All travellers, including Canadian passport holders, must provide printed or electronic proof of a negative COVID-19 PCR test taken within 72 hours of boarding their flight to Canada. Additional information can be found at travel.gc.ca/travelling/advisories.

Note all guests with flights connecting through and/or continuing to other countries should check the specific COVID-19 entry requirements.

VACCINATIONS

A yellow fever vaccination is only required to enter Indonesia if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

CASH & CREDIT CARDS

Cash transactions can generally be made in either U.S. dollars or local currency, though some smaller shops may require payment in Singapore dollars. U.S. dollars should be recently issued bills in smaller denominations. Major credit cards are widely accepted for goods and services. Access to ATM machines is widespread in cities and towns but may be limited in rural areas.

PACKING LIST

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.

Safe Travel Essentials

Be sure to bring personal protective equipment (PPE), including face masks, travel-sized hand sanitizer with at least 60% alcohol, facial tissues and disinfecting wipes or spray.

Clothing

Choose versatile, casual clothing that can be layered if the weather (or level of air-conditioning) requires. Smart casual attire is appropriate for evenings. Formal clothing is not necessary.

Temples, mosques and other religious sites require conservative dress. Both sexes should cover their arms, legs and shoulders (women should pack a scarf for this purpose.) Wear or carry a pair of socks when sightseeing, since shoes must be removed when visiting certain religious sites.
