

ESSENTIAL INFORMATION MYANMAR

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of one (1) blank visa page for entry and exit stamps.

A tourist visa is required for U.S. and Canadian passport holders for entry into Myanmar and must be obtained prior to departure. There are currently two options available as outlined below. A&K recommends an electronic visa (eVisa).

Electronic Visa (eVisa): To apply for an eVisa, visit <https://evisa.moip.gov.mm/>. The current fee for a single-entry visa is USD \$50 (subject to change without notice). Read and follow all instructions carefully to ensure a smooth arrival in Myanmar. Please be aware that eVisas are valid for 90 days after issuance. Therefore do not apply for your eVisa too far in advance.

Visa Stamp: A visa stamp in your passport can be obtained either by applying directly to a Myanmar consulate or through a visa processing service. While there are additional costs involved in using a visa service, this option is available for guests who prefer assistance in the visa process.

Please be aware that the Myanmar government rarely issues visas to persons with occupations it deems “sensitive,” including journalists.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K’s account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

ENTRY REQUIREMENTS RELATED TO COVID-19

Visit [travel.state.gov/COVID-19 Information](https://travel.state.gov/COVID-19) for country-specific COVID-19 information, including up-to-date entry requirements for Myanmar or any onwards travel. Entry requirements for Myanmar will be sent to you with your Final Documents, as they are subject to change.

VACCINATIONS

A yellow fever vaccination is only required to enter Myanmar if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

CASH & CREDIT CARDS

Cash transactions should be paid in Myanmar kyat, though some merchants will accept U.S. dollars. If you do pay with U.S. dollars, use recently issued bills in smaller denominations. Major credit cards are accepted on a limited basis, mainly in the larger shops, hotels and restaurants. Access to ATM machines is widespread in Yangon but limited elsewhere in the country.

BAGGAGE RESTRICTIONS

On flights within Southeast Asia, each passenger is limited to approximately 44 pounds (20 kilograms) of checked baggage in Economy Class and approximately 66 pounds (30 kilograms) in Business Class. Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.
