ESSENTIAL INFORMATION
THAILAND

PASSPORT AND VISA INFORMATION
Your passport needs to be valid for at least six (6) months after your journey ends, and should have a minimum of one (1) blank visa page for entry and exit stamps.

Holders of U.S. and Canadian passports are not required to obtain a tourist visa for entry into Thailand for stays of up to 30 days.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K’s account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

REQUIREMENTS RELATED TO COVID-19
Visit the U.S. Department of State at travel.state.gov or the Government of Canada at travel.gc.ca/travelling/advisories for comprehensive and up-to-date country entry requirements as well as information for onward travel. A&K will facilitate in-country testing required for returning home or onward travel at the end of your A&K journey. Costs are paid locally and vary depending on the type and location of testing. All details specific to your journey will be included in with your Final Documents.

Requirements for Returning Home or Onward Travel
Guests returning to the United States
All travellers, including U.S. passport holders, must provide printed or electronic proof of a negative COVID-19 viral test taken within three (3) days of boarding their flight to the United States or written documentation verifying they have recovered from COVID-19 within 90 days preceding travel. Additional details can be found at U.S. COVID-19 Entry Requirements | CDC. State COVID-19 entry requirements may vary and can be found at COVID-19 Travel Planner | CDC.

Guests returning to Canada
All travellers, including Canadian passport holders, must provide printed or electronic proof of a negative COVID-19 molecular test taken within 72 hours of boarding their flight to Canada. Additional information can be found at travel.gc.ca/travelling/advisories.

Note all guests with flights connecting through and/or continuing to other countries should check the specific COVID-19 entry requirements.

VACCINATIONS
A yellow fever vaccination is only required to enter Thailand if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

CASH & CREDIT CARDS
Cash transactions can often be made in either U.S. dollars or local currency, though Thai Baht are generally preferred. U.S. dollars should be recently issued bills in smaller denominations. Major credit cards are widely accepted in larger shops, hotels and restaurants. Access to ATM machines is widespread in cities and towns such as Bangkok and Chiang Mai but limited in rural areas.

PACKING LIST & BAGGAGE RESTRICTIONS

On flights within Southeast Asia, each passenger is limited to approximately 44 pounds (20 kilograms) of checked baggage in Economy Class and approximately 66 pounds (30 kilograms) in Business Class. For carry-on baggage in both Economy and Business Class, passengers are allowed one piece of luggage with a maximum weight of approximately 11 pounds (5 kilograms).

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.

Safe Travel Essentials

Be sure to bring personal protective equipment (PPE), including face masks, travel-sized hand sanitizer with at least 60% alcohol, facial tissues and disinfecting wipes or spray.
