ESSENTIAL INFORMATION
AUSTRALIA & NEW ZEALAND

PASSPORT AND VISA INFORMATION
Your passport needs to be valid for at least six (6) months after your journey ends, and should have a minimum of two (2) blank visa pages for entry and exit stamps.

AUSTRALIA
An Electronic Travel Authority visa (ETA) is required for U.S. and Canadian passport holders for entry into Australia and must be obtained prior to departure. To apply for an ETA visa, visit www.eta.immi.gov.au/ETAS3/etas. The current fee is AUD $20 (subject to change without notice) and allows multiple entries for up to 12 months after the date of issuance. Read and follow all instructions carefully to ensure a smooth arrival in Australia.

NEW ZEALAND
Effective October 1, 2019, a New Zealand Electronic Travel Authority visa (NZeTA) is required for U.S. and Canadian passport holders for entry into New Zealand and must be obtained prior to departure. To apply for an NZeTA visa, visit www.immigration.govt.nz. The NZeTA visa allows multiple entries for up to 24 months after the date of issuance. The current fee is NZD $12 (approximately USD $8) if you apply on line or NZD $9 (approximately USD $6) if you apply through their mobile app. In addition, you will be required to pay an International Visitor Conservation and Tourism Levy (IVL) fee of NZD $35 (approximately USD $24). This fee is paid at the same time as your NZeTA request. All fees are subject to change without notice. Read and follow all instructions carefully to ensure a smooth arrival in New Zealand.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

VACCINATIONS
A yellow fever vaccination is only required to enter Australia if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

There are no required vaccinations to enter New Zealand.

ENVIRONMENTAL CONCERNS
Large populations of insects – including biting flies – are found in the Australian Outback and other Australian regions year round and can pose a nuisance to visitors. As a result, we suggest you pack insect repellent containing a high percentage of the active ingredient DEET. Other precautions include wearing long sleeves and trousers, fly nets that cover your face (provided) and avoiding the use of scented personal products that attract flying insects during sightseeing excursions in the Outback.

OF SPECIAL NOTE: SCUBA DIVING IN AUSTRALIA
Certain medical conditions may exclude you from SCUBA diving at certain locations. If you plan to SCUBA dive during your journey, we recommend that you obtain the latest information regarding the requirements and regulations of the specific locations where you plan to dive. Also make certain to bring your valid diving certificate and logbook.

CASH & CREDIT CARDS

In both Australia and New Zealand: Cash transactions must be made in the local currency of each country. Major credit cards are widely accepted for goods and services. Access to ATM machines is widespread in cities and towns, but may be limited in rural areas.

BAGGAGE RESTRICTIONS

For checked baggage on flights within Australia and New Zealand, passengers are allowed one piece per person with a maximum weight of approximately 50 pounds (22.5 kilograms) in Economy Class. In Business Class, two pieces per person with a combined maximum weight of approximately 70 pounds (32 kilograms) is permitted. Total dimensions of each piece must not exceed 55 inches (140 centimeters). Dimensions for checked baggage are calculated by adding together the width, height and depth of the piece of luggage.

Additional/different weight restrictions may apply on some Tailor Made programs. Contact your A&K Travel Consultant to determine the specific weight restrictions for your tour.

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.
