

# ESSENTIAL INFORMATION PAPUA NEW GUINEA

## PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of two (2) blank visa pages for entry and exit stamps.

### Australia

**An Electronic Travel Authority visa (ETA) is required for U.S. and Canadian passport holders for entry into Australia and must be obtained prior to departure.** To apply for an ETA visa, visit [www.eta.immi.gov.au/ETAS3/etas](http://www.eta.immi.gov.au/ETAS3/etas). The current fee is AUD \$20 (subject to change without notice) and allows multiple entries for up to 12 months after the date of issuance. Read and follow all instructions carefully to avoid any possible complications on arrival in Australia.

### Papua New Guinea

**A tourist visa is required for U.S. and Canadian passport holders for entry into Papua New Guinea.** There are currently two options available as outlined below. A&K recommends a visa on arrival.

**Visa on Arrival:** A tourist visa can be obtained free of charge on arrival at Jacksons International Airport (POM) in Port Moresby (subject to change without notice).

**Visa Stamp:** A visa stamp in your passport can be obtained by applying through a visa processing service. While there are additional costs involved in using a visa service, this option is available for guests who prefer assistance in the visa process.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at [visacentral.com/abercrombiekent](http://visacentral.com/abercrombiekent) or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

## REQUIREMENTS RELATED TO COVID-19

Visit the U.S. Department of State at [travel.state.gov](http://travel.state.gov) or the Government of Canada at [travel.gc.ca/travelling/advisories](http://travel.gc.ca/travelling/advisories) for comprehensive and up-to-date country entry requirements as well as information for onward travel. A&K will facilitate in-country testing required for returning home or onward travel at the end of your A&K journey. Costs are paid locally and vary depending on the type and location of testing. All details specific to your journey will be included in with your **Final Documents**.

### Requirements for Returning Home or Onward Travel

#### **Guests returning to the United States**

Before boarding a flight to the United States, all travellers are required to show printed or electronic proof of a negative COVID-19 viral test (PCR or rapid antigen) result taken no more than one (1) day before travel, or documentation of recovery from COVID-19 in the last 90 days.

For up-to-date details and FAQs visit [Requirement for Proof of Negative COVID-19 Test or Documentation of Recovery from COVID-19 | CDC](#). Be sure to check state COVID-19 entry requirements, as they may vary.

#### **Guests returning to Canada**

All travellers, including Canadian passport holders, must provide printed or electronic proof of a negative COVID-19 PCR test taken within 72 hours of boarding their flight to Canada. Additional information can be found at [travel.gc.ca/travelling/advisories](https://travel.gc.ca/travelling/advisories).

Note all guests with flights connecting through and/or continuing to other countries should check the specific COVID-19 entry requirements.

## VACCINATIONS

A yellow fever vaccination is only required to enter Australia and Papua New Guinea if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

## CASH & CREDIT CARDS

### **Australia**

Cash transactions must be made in Australian currency. Major credit cards are widely accepted for goods and services. Access to ATMs is widespread in cities and towns, but may be limited in rural areas.

### **Papua New Guinea**

The country has a cash-based economy. Cash transactions must be made in local currency (Kina). Smaller denominations are preferred as many village merchants cannot make change for larger bills. Major credit cards are generally accepted at larger hotels, restaurants and shops that cater to tourists. ATMs are limited in larger cities and towns, but unavailable in rural areas.

## PACKING LIST & BAGGAGE RESTRICTIONS

On internal air flights within Papua New Guinea, each passenger is limited to 1 piece of checked baggage with a maximum weight of approximately 35 pounds (16 kilograms), plus a small carry-on bag or camera bag.

On flights between some lodges or the 'Sepik Spirit' cruise vessel, each passenger is limited to 1 piece of checked baggage with a maximum weight of approximately 22 pounds (10 kilograms), plus a small carry-on bag or camera bag with a maximum weight allowance of 11 pounds (5 kilograms).

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.

### Safe Travel Essentials

Be sure to bring personal protective equipment (PPE), including face masks, travel-sized hand sanitizer with at least 60% alcohol, facial tissues and disinfecting wipes or spray.

### Clothing

Choose versatile styles that can be layered. This will maximize the versatility of your travel wardrobe and best prepare you for both warmer (Coastal) temperatures and cooler (Highland) temperatures. Dark-colored clothing may attract mosquitoes and other unwanted insects, so clothing that is light in color is suggested. Formal clothing is not necessary.

Modest clothing is suggested for touring in Papua New Guinea. Women should be especially careful to dress modestly and avoid clothing that may be considered provocative, including revealing swimsuits, sundresses, or similar apparel.

Short shorts are not commonly worn. You will find that slacks and Bermuda-length shorts are most adaptable to both Coastal and Highland temperatures and provide greater protection from insects and the sun.

- Casual slacks
- Bermuda length walking shorts
- Polo shirts, casual short-sleeve shirts or blouses
- Long sleeve shirts or blouses
- Comfortable walking shoes with traction
- Lightweight raincoat
- Sweater or lightweight jacket
- Brimmed hat for sun protection
- Warm hat
- Warm gloves
- Sleepwear
- Personal garments (women may want to pack a supportive sports bra for bumpy roads)
- Socks
- Swimwear/cover-up
- Foldable umbrella for rain protection and sun shade

#### Other Recommended Items

- Sunglasses
- Sun block / Insect repellent
- Simple first-aid kit
- Prescriptions and medications (in their original bottles and/or packaging)
- Soap, shampoo and conditioner. Hotel amenities are often minimal.
- An inflatable pillow or stadium cushion can help make bumpy roads more comfortable.
- Extra eyeglasses/contact lenses
- Smartphone
- Charging cables for electronics
- Global travel adapter

#### Optional Items

- Small LED flashlight
- Foldable walking stick
- Lightweight binoculars
- Small daypack or fanny pack

Laundry service is available at most hotels and dry cleaning is available in larger cities. Check costs and return times before using these services. There is no laundry service on board the 'Sepik Spirit' cruise vessel.

### OF SPECIAL NOTE: TRAVEL IN PAPUA NEW GUINEA:

#### General Information

A journey to Papua New Guinea offers visitors a chance to immerse themselves in vibrant tribal cultures that have remained unchanged for centuries, while cruising rivers and exploring some of the most remote corners of the globe.

However, contrasts between the expectations of the international traveller and the realities of the destination can pose an interesting and illuminating challenge. When visiting Papua New Guinea, it is essential to pack your patience and good humor as well as your passport.

With this in mind, we would like to bring some key aspects of travel in Papua New Guinea to your attention. We hope that, by setting the proper expectations, the rewards of your cultural experience will outweigh any inconveniences imposed by the country's underdeveloped tourism infrastructure.

#### Cultural Interaction

One of Papua New Guinea's greatest attractions is the wide variety of indigenous cultures to be found. We ask that, during visits to local villages, guests be sensitive to local customs and traditions.

#### Road Travel

Vehicles used for touring are 18-20 seat coaches. The vehicles are comfortable; however, road conditions are rough and may not be paved. There are frequent potholes. An inflatable pillow or stadium cushion can help make bumpy roads more comfortable. Women may also want to equip themselves with a supportive sports bra. There are no bathrooms on the vehicles. Comfort breaks will be made during long drives; however, facilities are likely to be quite basic by western standards.

#### Foot Travel

Sightseeing in Papua New Guinea can be physically challenging. The ground will be uneven in many locations with steep steps, making walking difficult in some areas, particularly to those guests with limited mobility. In general, there are no handrails to provide assistance. In the Sepik Region, be prepared to navigate muddy embankments when boarding/disembarking rivercraft.

#### Accommodations

Hotel and lodge facilities in the more remote areas outside of Port Moresby are rustic and may operate on generator power. A&K chooses the best available properties in these regions, but accommodations are more comparable to a 2 or 3 star property by western standards. Most properties have no climate control such as heating or air conditioning, though some properties will

provide guests with electric blankets. Not all accommodations have hair dryers. Hotel amenities such as soap and shampoo are minimal and as a result, we suggest you pack your own.

#### FOOD

Meals in Papua New Guinea tend to feature meats, fish, vegetables, and tropical fruits served Australian style. At remote properties, special meal requests are not available as the meals are set menus. If vegetarian meals are required, this should be advised to the property manager at the time of check-in.

#### COMMUNICATION

In some locations there may be no cell phone, WI-FI or internet service available. When available, connections can be very slow and/or intermittent.
