PASSPORT AND VISA INFORMATION

Your passport needs to be valid for at least six (6) months after your journey ends and should have a minimum of one (1) blank visa page for entry and exit stamps.

A tourist visa is required for U.S. and Canadian passport holders for entry into Egypt. There are currently three options available as outlined below. A&K recommends an electronic visa (eVisa).

Electronic Visa (eVisa): To apply for an eVisa, visit visa2egypt.gov.eg/eVisa/Home. The current fee for a single-entry visa is USD $25 (subject to change without notice) and requires a minimum of seven (7) days for processing. Read and follow all instructions carefully to ensure a smooth arrival in Egypt. You may be required to upload documents (e.g. passport photo or copy of your passport information page) to complete the eVisa process. Please be aware that eVisas are valid for 90 days after issuance. Therefore do not apply for your eVisa too far in advance. If you experience technical problems with the eVisa website, try again a few hours later or the following day.

Visa on Arrival: A tourist visa can be obtained on arrival at Cairo International Airport (CAI). The current fee for a single-entry visa is USD $25 (subject to change without notice) and must be paid in cash in U.S. dollars. Please be aware that long lines are common.

Visa Stamp: A visa stamp in your passport can be obtained either by applying directly to an Egyptian consulate or through a visa processing service. While there are additional costs involved in using a visa service, this option is available for guests who prefer assistance in the visa process. Please note that Egyptian consulates will often not accept visa applications submitted more than 30 days prior to your arrival in Egypt, so do not apply for your visa too early.

Our partner VisaCentral offers easy, efficient passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K’s account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

VACCINATIONS

A yellow fever vaccination is only required to enter Egypt if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

CASH & CREDIT CARDS

Cash transactions can be made in either U.S. dollars or local currency. Major credit cards are widely accepted for goods and services. Access to ATM machines is widespread in cities and towns, but may be limited in rural areas.

OF SPECIAL NOTE: EARLY WAKE-UP CALLS
In order to maximize sightseeing opportunities and avoid the extreme heat of the mid-day hours, most Egypt journeys include several days with very early wake-up calls. Airport transfers to board local flights may be as early as 3:00 a.m.
PACKING LIST & BAGGAGE RESTRICTIONS EGYPT

BAGGAGE RESTRICTIONS
For checked baggage on flights within Egypt, passengers are allowed one piece per person with a maximum weight of approximately 33 pounds (15 kilograms). For carry-on baggage, passengers are allowed one piece per person with a maximum weight of approximately 11 pounds (5 kilograms). These limitations are strictly enforced. Excess luggage can be stored at your hotel in Cairo.

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.
