

ESSENTIAL INFORMATION ISRAEL

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends.

Holders of U.S. and Canadian passports are not required to obtain a tourist visa for entry into Israel for stays of up to 90 days. You will be issued entry and exit cards for Israel upon arrival at Ben Gurion Airport (TLV) in Tel Aviv. It is recommended that you bring a large paperclip or binder clip to secure these cards to your passport during the course of your journey.

Entry and exit cards will also be issued to travellers entering Israel via the following land border crossings from Jordan:

- Allenby Bridge in central Israel, near Jerusalem
- Arava crossing (Wadi al-'Arabah) in the south near Eilat
- Jordan River crossing via the Sheikh Hussein Bridge near the Sea of Galilee

Please be aware that the border crossing between Jordan and Israel is a secured terminal. A&K personnel are not allowed to enter this area. You will be required to pass through some portions of the immigration process on your own before being met by a VIP service member who escorts you outside to meet the A&K representative. During this entire process, your A&K representative is in telephone contact with the VIP service to monitor your progress.

Customs officials may ask to see copies of your travel documents, such as your air schedule and tour itinerary.

Note: An Israel entry stamp in your passport will cause you to be denied entry into certain Islamic nations such as Iran, Saudi Arabia, Syria, Pakistan and Lebanon.

Our partner VisaCentral offers easy, efficient passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

VACCINATIONS

There are no required vaccinations to enter Israel.

CASH & CREDIT CARDS

Cash transactions should be made in local currency. Major credit cards are widely accepted for goods and services. Access to ATM machines is widespread in cities and towns, but may be limited in rural areas.

OF SPECIAL NOTE: FOOD & DRINK

Most restaurants in Israel (including those located within hotels) observe kosher dietary laws which forbid the mixing of meat and dairy products in the same meal/restaurant. Some of these restaurants are also closed on Friday evenings and all day Saturday in observance of Shabbat. As a result, these factors will limit available menu and dining choices during your time in Israel.
