## PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of one (1) blank visa page for entry and exit stamps.

### Jordan

**A tourist visa is required for U.S. and Canadian passport holders for entry into Jordan.**

There are currently two options available as outlined below. *Note: Travellers entering Jordan from Israel by land via the Allenby Bridge must obtain a visa stamp prior to departure.*

**Visa on Arrival:** A tourist visa can be obtained on arrival at Queen Alia International Airport (AMM) in Amman. The government of Jordan currently waiving visa fees for visitors travelling on an organized group or individual tour program, provided they spend at least two (2) nights in Jordan and present a Passport Manifest upon arrival.

### Arrival Procedures:

- Upon arrival at Queen Alia International Airport, proceed through the arrivals corridor where an A&K representative (holding a signboard with your name on it) meets you prior to the Immigration Counter and provides you with your Passport Manifest to obtain your entry visa (one per booking).
- You will then proceed to the Immigration Counter to have your Passport and Manifest stamped. Immigration officials may also take your photograph and fingerprints.

You will need to keep your Passport Manifest and present it upon your departure from Jordan. If you do not have the Passport Manifest upon departure, you will have to pay a penalty of 40 Jordanian Dinars.

**Note:** Those entering Jordan without a Passport Manifest will be required to obtain a standard Jordanian Visa on arrival for a fee of 40 Jordanian Dinars (approximately \$60 USD). This fee must be paid in cash in local currency. There are currency exchange facilities prior to entering the immigration area.

In order to ensure that A&K can properly secure your Passport Manifest, please forward a clear, photo quality, copy of your passport to A&K no later than 60 days prior to your departure.

### Israel

**Holders of U.S. and Canadian passports are not required to obtain a tourist visa for entry into Israel for stays of up to 90 days.** You will be issued entry and exit cards for Israel upon

arrival at Ben Gurion Airport (TLV) in Tel Aviv. It is recommended that you bring a large paperclip or binder clip to secure these cards to your passport during the course of your journey.

Entry and exit cards will also be issued to travellers entering Israel via the following land border crossings from Jordan:

- Allenby Bridge in central Israel, near Jerusalem
- Arava crossing (Wadi al-'Arabah) in the south near Eilat
- Jordan River crossing via the Sheikh Hussein Bridge near the Sea of Galilee

Please be aware that the Allenby Bridge border crossing between Jordan and Israel is a secured terminal. A&K personnel are not allowed to enter this area. You will be required to pass through some portions of the immigration process on your own before being met by a VIP service member who escorts you outside to meet the A&K representative. During this entire process, your A&K representative is in telephone contact with the VIP service to monitor your progress.

Customs officials may ask to see copies of your travel documents, such as your air schedule and tour itinerary.

## CASH & CREDIT CARDS

In both **Jordan** and **Israel**: Cash transactions should be in local currency. Major credit cards are widely accepted for goods and services. Access to ATM machines is widespread in cities and towns, but may be limited in rural areas.

## OF SPECIAL NOTE: FOOD & DRINK

Most restaurants in Israel (including those located within hotels) observe kosher dietary laws which forbid the mixing of meat and dairy products in the same meal/restaurant. Some of these restaurants are also closed on Friday evenings and all day Saturday in observance of Shabbat. As a result, these factors will limit available menu and dining choices during your time in Israel.

## PACKING LIST

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.

### Clothing

Choose versatile, casual clothing that can be layered if the weather (or level of air-conditioning) requires. Smart casual attire is appropriate for evenings. Formal clothing is not necessary.

Temples, mosques and other religious sites require conservative dress. Both sexes should cover their arms, legs and shoulders (women should pack a scarf for this purpose.) Wear or carry a pair of socks when sightseeing, since shoes must be removed when visiting certain religious sites.
