

ESSENTIAL INFORMATION LEBANON

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of one (1) blank visa page for entry and exit stamps.

A tourist visa is required for U.S. and Canadian passport holders for entry into Lebanon.

Tourist visas are currently being offered free of charge on arrival at Rafic Hariri International Airport (BEY) in Beirut (subject to change without notice).

Note: Individuals who were born in Israel, hold Israeli passports or have an Israel entry stamp in their passport are generally not permitted to enter Lebanon. If you have a non-removable Israel entry stamp from a previous visit, you will need to obtain a new passport.

Our partner VisaCentral offers easy, efficient passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

VACCINATIONS

A yellow fever vaccination is only required to enter Lebanon if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

CASH & CREDIT CARDS

Cash transactions can be made in either U.S. dollars or local currency. Major credit cards are widely accepted for goods and services. Access to ATM machines is widespread in cities and towns, but may be limited in rural areas.
