On board 'Le Bougainville' electricity runs 220 volts. All staterooms have a 110/220 volt-shaving socket in the bathroom, to be used for electric razors only. A limited number of adaptors are available on board; however, supplies are not guaranteed. We recommend you bring a global travel adapter set with you.

LANGUAGE AND COMMUNICATIONS

English is the language used by staff on board A&K charters.

'Le Bougainville' is equipped with the INMARSAT system that allows direct communication by telephone and e-mail. Although staterooms feature telephones, transmission may not always be possible in remote areas or during heavy sea conditions. Please note that charges for maritime satellite connections are significantly higher than those for land services. Fees for on-board communication services will be added to guests' shipboard accounts. (Fees are subject to change.)

Although Wi-Fi internet is offered on A&K charters, please be prepared for periods of time during your voyage where Wi-Fi internet access may not be available. Satellite phone reception and

transmission as well as the speed and accessibility of wireless internet are affected the ship's location (including your location on the vessel), weather and atmospheric conditions. Internet speed is also affected by the number of users on board relative to the ship's available bandwidth. When internet access is available, guests may access their emails via their personal accounts with their personal device. While the ship's wireless access is suitable for simple e-mail and communication, do not rely on it for heavy duty applications such as social media sites, downloading files or streaming movies. Your patience and understanding are appreciated when this situation occurs.

Access time may be obtained from Reception for onboard usage and you will be issued a username and password. These codes will be unique to you and not stored anywhere in the system, so it is important that you keep a record of this information. This procedure is subject to change.

FOOD AND DRINK

Dining is a special treat on board 'Le Bougainville'. International cuisine is available in two different restaurants. The first dining area, located on Deck 3, features outside sitting and serves grilled meats daily, along with a selection of salads and desserts. The main, 850 square foot dining room is located at the rear of Deck 4 and offers panoramic views. This unique dining area, which opens onto the outside, offers a selection of salads, hot meals, cheeses and desserts.

Room service is also available. Early riser coffee and breakfast pastries, afternoon tea and late-night snacks are offered daily. Meals on board are scheduled around the day's sightseeing and shipboard activities. Please consult your daily program for mealtimes and opening hours.

Bottled water, bar drinks (exclusive of premium Champagnes, wines and spirits) soft drinks, and house wines (white and red) and beer during lunch and dinner are included at no extra charge. On board 'Le Bougainville,' tap water is purified, and bottled water is provided in your stateroom daily.

If you have special dietary requirements (vegetarian or vegan menus, food allergies, etc.) please advise Abercrombie & Kent at least 6 weeks prior to the beginning of your journey. Chefs on board 'Le Bougainville' will make every effort to accommodate your needs. If you have food allergies and/or special dietary requirements, in addition to advising A&K prior to departure, please take the opportunity early in the cruise to meet with the Maître D' and Cruise Director to discuss your special requests and inform your server prior to dining. Kosher meals are not available on board.

OF SPECIAL NOTE

Maritime law does not allow guests unrestricted access to the bridge. Dependent on the Captain's discretion there may be scheduled opportunities offered during the cruise when guests may visit the bridge in such a way that the vessel's commitment to these security measures will not be compromised.

Access to outdoor areas may be restricted during inclement weather and ship maneuvers. The day's scheduled sightseeing events and timings on board 'Le Bougainville' may be altered and a certain degree of flexibility and spontaneity is required. Additionally, every effort will be made to follow the published itinerary but please note that they are subject to change to conditions and variables which may include but are not limited to weather, sea, and other conditions beyond Abercrombie and Kent's control and are at the discretion of the Captain's command. Port calls are subject to approval by local government officials and can be altered without prior notice.
