ESSENTIAL INFORMATION
CROATIA

PASSPORT AND VISA INFORMATION
Your passport needs to be valid for at least six (6) months after your journey and should have a minimum of one (1) blank visa page for entry and exit stamps.

Holders of U.S. and Canadian passports are not required to obtain a tourist visa for entry into Croatia for stays of up to 90 days.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K’s account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

REQUIREMENTS RELATED TO COVID-19
Visit the U.S. Department of State at travel.state.gov or the Government of Canada at travel.gc.ca/travelling/advisories for comprehensive and up-to-date country entry requirements as well as information for onward travel.

Entry Requirements
The following are the current COVID-19 screening requirements for entry into Croatia for U.S. and Canadian residents. Requirements are subject to change.

• All travellers entering Croatia must present one of the following:
  ➢ An original COVID-19 vaccination certificate indicating full vaccination completed at least 14 days and no more than 270 days prior to arrival. The current approved vaccines are Pfizer, Moderna, AstraZeneca and Janssen (Johnson & Johnson).
  ➢ A negative COVID-19 PCR test taken within the past 72 hours.
  ➢ A negative COVID-19 Rapid Antigen test taken within the past 48 hours.
  ➢ Documented proof of recovery from a COVID-19 infection within the past 11-270 days. This verification can be in the form of a positive PCR or rapid antigen test, or a certificate of illness issued by a physician.

• Any person failing to meet one of the criteria noted above, will be required to take a COVID-19 test on arrival and proceed directly to their hotel and self-isolate until the result is received. All related costs are the responsibility of the traveller.

• All travellers must complete and submit an online visitors’ pre-registration form for Croatia. To access this form please visit entercroatia.mup.hr. After completing the form, you will receive an electronic “announcement certificate” which you will then present to immigration officials upon arrival in Croatia.

• Travellers aged 11 years and younger accompanied by a parent/guardian are exempted from the above entry requirements.

• All travellers are subject to health screenings on arrival in Croatia.
• All travellers entering Croatia for the purpose of tourism must present a printed copy of their day-by-day itinerary, showing pre-paid hotel reservations.

Requirements for Returning Home or Onward Travel
A&K will arrange COVID-19 PCR testing during your time in Croatia. The current cost for local testing ranges from USD $130-$300 (subject to change), plus any necessary transport, payable by credit card or cash in local currency. Results are typically provided within 24–48 hours.

 Guests returning to the United States
All travellers, including U.S. passport holders, must provide printed or electronic proof of a negative COVID-19 viral test taken within three (3) days of boarding their flight to the United States or written documentation verifying they have recovered from COVID-19 within 90 days preceding travel. Additional details can be found at U.S. COVID-19 Entry Requirements | CDC. State COVID-19 entry requirements may vary and can be found at COVID-19 Travel Planner | CDC.

 Guests returning to Canada
All travellers, including Canadian passport holders, must provide printed or electronic proof of a negative COVID-19 molecular test taken within 72 hours of boarding their flight to Canada. Additional information can be found at travel.gc.ca/travelling/advisories.

Note all guests with flights connecting through and/or continuing to other countries should check the specific COVID-19 entry requirements.

STAY HEALTHY ON THE ROAD
In accordance with local regulations, face masks must be worn during any indoor or outdoor activities where physical distancing is not possible. We encourage you to bring your own masks; a supply will be on hand where needed. Note all protocols are subject to change in accordance with relevant guidelines, local regulations and conditions.

CASH & CREDIT CARDS
Cash transactions should be made in local currency. Major credit cards are widely accepted for goods and services. Access to ATM machines is widespread in cities and towns, but may be limited in rural areas.

PACKING LIST
Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to find and manage your luggage for you.

Safe Travel Essentials
Be sure to bring personal protective equipment (PPE), including face masks and disposable gloves. We also recommend travel-sized hand sanitizer with at least 60% alcohol, facial tissues and disinfecting wipes or spray.

Clothing
Choose versatile, casual clothing that can be layered if the weather (or level of air-conditioning) requires. Cotton and other light fabrics are comfortable choices for summertime. Spring and autumn temperatures dictate medium-weight clothing selections. Smart casual attire is appropriate for evenings. Formal clothing is not necessary.

Cathedrals, churches, and other religious sites require conservative dress. Arms and shoulders should be covered.
