VACCINATIONS
There are no vaccinations required to enter Italy or France.

STAY HEALTHY ON BOARD
The ship has a limited number of handicap-accessible staterooms; however, guests in wheelchairs or those with a condition which demands special attention while travelling are required to travel with a companion as the staff, crew or fellow guests are not able to provide care for guests with medical conditions. For access to ship’s tenders, you must be able to negotiate stairways, walk up and down gangplanks and about the ship with little to no assistance.

Local sightseeing excursions may involve walks of up to a few miles in length, often over rough ground or among the fallen stones and uneven footing of archeological sites. Your destinations may require the ability to navigate cobbled streets and stairs without railings, and the ability to enter and exit a variety of transport vehicles.

Travel is not suitable for people who require frequent or on-going medical attention. The Captain and Abercrombie & Kent reserve the right to decline passage to anyone who either failed to advise of a physical disability or is deemed unsuitable due to fitness level. Please ensure that we are aware of any physical disability or frequent or on-going medical requirements.

It is recommended to use caution at all times when out on deck or on private balconies. Access to outdoor areas (including private passenger balconies) may be restricted during times of heavy seas or inclement weather. Balcony doors must be kept closed in these conditions. You will be advised when this restriction is in effect and all passengers will be required to comply with ship Captain’s command.

There is an experienced, qualified physician and nurse aboard 'Le Bougainville,' and fees for any minor medical services and all medicines which may be dispensed during your cruise will be charged to your passenger account (specific prescriptions are not available).

CASH & CREDIT CARDS
Major credit cards are widely accepted (American Express less so). ATM access is widespread.

‘Le Bougainville’ uses the euro as its official currency. Guests can pay for incidentals with U.S. dollars as well and exchange rates will be provided by the Purser when making payment. For
purchases on board guests should present their Key card to the cashier who in turn will swipe the card and process a charge docket for signature. The charges will automatically be transferred to your onboard account. Any personal expenses incurred onboard (including and not limited to premium Champagnes, premium liquors and non-house wines, boutique, laundry, spa and salon services, communications charges, medical services and medications) will be charged to your shipboard account and presented for payment at the end of the cruise.

Cash and credit cards are accepted as payment of onboard accounts. VISA and MasterCard are the recommended brands although American Express is accepted as well. Personal checks cannot be cashed on board. Traveler’s checks are not recommended as there are limited funds on board. The ship does not have an ATM.

All onboard transactions made by bank or credit card are processed via the Ponant home office in Marseille, France and charges from your on-board account may not be processed for one month after your cruise. Call your bank or credit card company to let them know about your travel plans and advise on board charges are processed through France to avoid having your overseas purchases viewed as suspicious. Please note when receiving your credit card statement, credit card charges from the vessel will show on your statements as charged to ‘Le Bougainville.’
Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to find and manage your luggage for you.

ELECTRICITY

On board ‘Le Bougainville’ electricity runs 220 volts. All staterooms have a 110/220 volt-shaving socket in the bathroom, to be used for electric razors only. Staterooms have one 110v plug (U.S. three-prong outlet) by the bedroom TV, in addition to the standard 220v outlets (European 2-
prong style). A limited amount of adaptors are available on board; however, supplies are not guaranteed. We recommend you bring a global travel adapter set with you.

LANGUAGE AND COMMUNICATIONS

English is the language used by staff on board A&K charters.

'Le Bougainville' is equipped with the INMARSAT system that allows direct communication by telephone and e-mail. Although staterooms feature telephones, transmission may not always be possible in remote areas or during heavy sea conditions. Please note that charges for maritime satellite connections are significantly higher than those for land services. Fees for on-board communication services will be added to guests’ shipboard accounts. (Fees are subject to change.)

Although Wi-Fi internet is offered on A&K charters, please be prepared for periods of time during your voyage where Wi-Fi internet access may not be available. Satellite phone reception and transmission as well as the speed and accessibility of wireless internet are affected the ship's location (including your location on the vessel), weather and atmospheric conditions. Internet speed is also affected by the number of users on board relative to the ship’s available bandwidth. When internet access is available, guests may access their emails via their personal accounts with their personal device. While the ship’s wireless access is suitable for simple e-mail and communication, do not rely on it for heavy duty applications such as social media sites, downloading files or streaming movies. Your patience and understanding are appreciated when this situation occurs.

Access time may be obtained from Reception for onboard usage and you will be issued a user name and password. These codes will be unique to you and not stored anywhere in the system so it is important that you keep a record of this information. This procedure is subject to change.

FOOD AND DRINK

The main restaurant on Deck 4 offers French and international cuisine augmented with local items and accommodates all guests in a single sitting. This restaurant offers indoor seating and features a buffet of salads, cheeses and desserts and waiters provide table service for hot meals. An outdoor dining area on Deck 3 offers grilled meats, salads and desserts. Room service is also available. Early riser coffee and breakfast pastries, afternoon tea and late night snacks are offered daily. Meals on board are scheduled around the day's sightseeing and shipboard activities. Please consult your daily program for meal times and opening hours.

Bottled water, bar drinks (exclusive of premium champagnes, wines and spirits) soft drinks, and house wines (white and red) and beer during lunch and dinner are included at no extra charge. On board 'Le Bougainville,' tap water is purified and bottled water is provided in your stateroom daily.

If you have special dietary requirements (vegetarian or vegan menus, food allergies, etc.) please advise Abercrombie & Kent at least 6 weeks prior to the beginning of your journey. Chefs on board ‘Le Bougainville’ will make every effort to accommodate your needs. If you have food allergies and/or special dietary requirements, in addition to advising A&K prior to departure, please take the opportunity early in the cruise to meet with the Maître D’ and Cruise Director to discuss your special requests and inform your server prior to dining. Kosher meals are not available on board.

OF SPECIAL NOTE

Maritime law does not allow guests unrestricted access to the bridge. Dependent on the Captain’s discretion there may be scheduled opportunities offered during the cruise when guests may visit the bridge in such a way that the vessel’s commitment to these security measures will not be compromised.
Access to outdoor areas may be restricted during inclement weather and ship maneuvers. The day’s scheduled sightseeing events and timings on board ‘Le Bougainville’ may be altered and a certain degree of flexibility and spontaneity is required. Additionally, every effort will be made to follow the published itinerary but please note that they are subject to change to conditions and variables which may include but are not limited to weather, sea, and other conditions beyond Abercrombie and Kent’s control and are at the discretion of the Captain’s command. Port calls are subject to approval by local government officials and can be altered without prior notice.
