ITALY CRUISE: HIDDEN TREASURES FROM FLORENCE TO VENICE

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for at least six (6) months after your journey and should have a minimum of three (3) blank visa pages for entry and exit stamps.

Holders of U.S. and Canadian passports are not required to obtain a tourist visa for entry into Italy or France (Corsica) for stays of up to 90 days.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

HEALTH & VACCINATIONS

Health and safety screening and protocols will be required prior to and during your cruise. Details will be provided as appropriate prior to departure to ensure they reflect the latest regulations and standards.

There are no vaccinations required to enter Italy or France.

SPECIAL CONSIDERATIONS FOR EXPEDITION CRUISES

Please ensure that we are aware of any physical, medical or other condition that might affect your ability to participate on this journey. You may be required to produce a doctor's certificate prior to travel. Due to ship restrictions, women who will be six (6) months or more pregnant at any time during the cruise are not permitted to travel on Expedition Cruises. The ship owner's medical staff and Captain reserve the right to refuse passage to anyone who is deemed unfit for travel either before or during the journey.

CASH & CREDIT CARDS

Major credit cards are widely accepted (American Express less so). ATM access is widespread.

'Le Bougainville' uses the euro as its official currency. Guests can pay for incidentals with U.S. dollars as well and exchange rates will be provided by the Purser when making payment. For purchases on board, guests should present their Boarding Swipe card to the cashier, who in turn will swipe the card and process a charge docket for signature. The charges will automatically be transferred to your onboard account. Any personal expenses incurred on board (including Champagnes and non-house wines, boutique, laundry, communications charges, medical services and medications) will be charged to your shipboard account and presented for payment at the end of each expedition.

Cash, travellers' checks (in euros) and credit cards are accepted as payment of onboard accounts. Visa and Mastercard are the recommended brands, although American Express is accepted as well. Personal checks cannot be cashed on board and funds for cashing travellers' checks are limited.

All onboard transactions made by bank or credit card are processed via the ship owner's home office in Marseille, France, and charges from your onboard account may not be processed for one month after your cruise. Call your bank or credit card company to let them know about your travel

plans and advise that onboard charges are processed through France to avoid having your overseas purchases viewed as suspicious. When reviewing your credit card statement, please note credit card charges from the vessel will show on your statements as charged to 'Le Bougainville.' There is no currency exchange facility on board.

A limited number of adaptors are available on board; however, supplies are not guaranteed. We recommend you bring a global travel adapter set with you.

LANGUAGE AND COMMUNICATIONS

English is the language used by staff on board A&K charters.

'Le Bougainville' is equipped with the INMARSAT system that allows direct communication by telephone and e-mail. Although staterooms feature telephones, transmission may not always be possible in remote areas or during heavy sea conditions. Please note that charges for maritime satellite connections are significantly higher than those for land services. Fees for on-board communication services will be added to guests' shipboard accounts. (Fees are subject to change.)

Although Wi-Fi internet is offered on A&K charters, please be prepared for periods of time during your voyage where Wi-Fi internet access may not be available. Satellite phone reception and transmission as well as the speed and accessibility of wireless internet are affected the ship's location (including your location on the vessel), weather and atmospheric conditions. Internet speed is also affected by the number of users on board relative to the ship's available bandwidth. When internet access is available, guests may access their emails via their personal accounts with their personal device. While the ship's wireless access is suitable for simple e-mail and communication, do not rely on it for heavy duty applications such as social media sites, downloading files or streaming movies. Your patience and understanding are appreciated when this situation occurs.

Access time may be obtained from Reception for onboard usage and you will be issued a username and password. These codes will be unique to you and not stored anywhere in the system, so it is important that you keep a record of this information. This procedure is subject to change.

FOOD AND DRINK

Dining is a special treat on board 'Le Laperouse'. International cuisine is available in two different restaurants. The first dining area, located on Deck 3, features outside sitting and serves grilled meats daily, along with a selection of salads and desserts. The main, 850 square foot dining room is located at the rear of Deck 4 and offers panoramic views. This unique dining area, which opens onto the outside, offers a selection of salads, hot meals, cheeses and desserts.

Room service is also available. Early riser coffee and breakfast pastries, afternoon tea and late-night snacks are offered daily. Meals on board are scheduled around the day's sightseeing and shipboard activities. Please consult your daily program for mealtimes and opening hours.

Bottled water, bar drinks (exclusive of premium Champagnes, wines and spirits) soft drinks, and house wines (white and red) and beer during lunch and dinner are included at no extra charge. On board 'Le Bougainville,' tap water is purified, and bottled water is provided in your stateroom daily.

If you have special dietary requirements (vegetarian or vegan menus, food allergies, etc.) please advise Abercrombie & Kent at least 6 weeks prior to the beginning of your journey. Chefs on board 'Le Bougainville' will make every effort to accommodate your needs. If you have food allergies and/or special dietary requirements, in addition to advising A&K prior to departure, please take the opportunity early in the cruise to meet with the Maître D' and Cruise Director to discuss your special requests and inform your server prior to dining. Kosher meals are not available on board.

OF SPECIAL NOTE

Maritime law does not allow guests unrestricted access to the bridge. Dependent on the Captain's discretion there may be scheduled opportunities offered during the cruise when guests may visit the bridge in such a way that the vessel's commitment to these security measures will not be compromised.

Access to outdoor areas may be restricted during inclement weather and ship maneuvers. The day's scheduled sightseeing events and timings on board 'Le Bougainville' may be altered and a certain degree of flexibility and spontaneity is required. Additionally, every effort will be made to follow the published itinerary but please note that they are subject to change to conditions and variables which may include but are not limited to weather, sea, and other conditions beyond Abercrombie and Kent's control and are at the discretion of the Captain's command. Port calls are subject to approval by local government officials and can be altered without prior notice.
