

ESSENTIAL INFORMATION SCOTLAND

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for at least six (6) months after your journey and should have a minimum of one (1) blank visa page for entry and exit stamps.

Holders of U.S. and Canadian passports are not required to obtain a tourist visa for entry into Scotland (United Kingdom).

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

VACCINATIONS

There are no vaccinations required to enter Scotland.

CASH & CREDIT CARDS

Hotels, shops, restaurants and many other venues accept all major credit cards and ATM access is widespread. Unattended self-service payment kiosks such as those in parking garages, train stations or gas stations only accept a Chip and PIN card or cash.

OF SPECIAL NOTE

If you are planning to golf during your stay in Scotland, it is recommended that you request your tee time at the time you book your trip. As an optional activity, golfing fees are not included in the cost of your program and must be paid directly to the course. Some Scottish courses require golfers to present an official handicap card and/or letter of introduction from their home club. When you request your tee time, ask about the requirements at the specific course you intend to play.

PACKING LIST

SCOTLAND

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to find and manage your luggage for you.

PACKING LIST

Choose versatile, casual clothing that can be layered if the weather (or level of air-conditioning) requires. Cotton and other light fabrics are comfortable choices for summertime. Spring and autumn temperatures dictate medium-weight clothing selections. Smart casual attire is generally appropriate for evenings; however, when dining at country house hotels or for specially-arranged dinners at private homes, the general standard for gentlemen is a “jacket and tie”, with an equivalent standard of eveningwear for ladies. Formal clothing is not necessary.

Cathedrals, churches, and other religious sites require conservative dress. Arms and shoulders should be covered.
