

ESSENTIAL INFORMATION

INDIA: THE BEAUTIFUL SOUTH

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends and should have a minimum of two (2) blank visa pages for entry and exit stamps.

A tourist visa is required for U.S. and Canadian passport holders for entry into India and must be obtained prior to departure. There are currently two options available as outlined below. A&K recommends an electronic visa (eVisa).

Electronic Visa (eVisa): To apply for an eVisa, visit indianvisaonline.gov.in/visa/tvoa.html. The current fee for a double-entry visa is USD \$100 (subject to change without notice). Do not apply for an eVisa earlier than 120 days and no later than four days before your scheduled date of arrival. Read and follow all instructions carefully to ensure a smooth arrival in India. You may be required to upload documents (e.g. passport photo or copy of your passport information page) to complete the eVisa process. If you experience technical problems with the eVisa website, try again a few hours later or the following day.

Please be aware that eVisas are valid for entry through 26 designated airports, most commonly Mumbai, Delhi and Chennai, and five seaports. A list of valid entry points will be displayed in the eVisa process. If you are arriving into India via any other point of entry, eVisas are not applicable and you must obtain a visa stamp in your passport.

Visa Stamp: A visa stamp in your passport can be obtained by applying through a visa processing service. While there are additional costs involved in using a visa service, this option is available for guests who prefer assistance in the visa process. This type of visa has a 10-year validity and allows multiple visits with stays of up to 90 days per visit.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

VACCINATIONS

A yellow fever vaccination is only required to enter India if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

CASH & CREDIT CARDS

Cash transactions can generally be made in either U.S. dollars or local currency. U.S. dollars should be recently issued bills in smaller denominations. The import and export of Indian Rupees is strictly prohibited unless you are a resident of India. So make certain to conduct any currency exchanges within India. Major credit cards are accepted on a limited basis, mainly in the larger shops, hotels and restaurants. Access to ATM machines is widespread in cities and towns but limited in rural areas.
