Minors Travelling to/Through Brazil Without One or Both Parents

Brazilian law requires any minor who is a Brazilian citizen (even dual nationals who are both U.S. and Brazilian citizens) to have permission from each parent to travel within Brazil or exit the country. When the minor travels with only one parent or without either parent, he or she must have **two original written authorization letters from each absent parent** and carry a copy* of the child's birth certificate or have an annotation in his/her Brazilian passport authorizing travel alone or with only one parent. **While Brazilian law related to travel authorization does not explicitly apply to non-citizens of Brazil, Federal Police have, at times, delayed the travel of non-Brazilian minors who lack appropriate authorization from both parents.** For this reason, we recommend that families of non-Brazilian minors travelling to/through Brazil without one or both parents compose two original written authorizations for each child travelling prior to departing the U.S., and ensure that the minor, or the minor's traveling companion, carries the original or notarized copy* of the minor's birth certificate.

*Travel authorization documents for minors frequently need to be issued, authenticated, or legalized directly from the Brazilian Embassy or Consulate. Authorizations and birth certificate must be translated into Portuguese by a certified translator and apostilled at the Brazilian Embassy or Consulate, not a U.S. notary public. Please contact the nearest Brazilian embassy or consulate for more information.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

ENTRY REQUIREMENTS RELATED TO COVID-19

Visit [travel.state.gov/COVID-19 Information](https://travel.state.gov/COVID-19/Information) for country-specific COVID-19 information, including up-to-date entry requirements for Brazil or any onwards travel. Entry requirements for Brazil will be sent to you with your Final Documents, as they are subject to change.

VACCINATIONS

A yellow fever vaccination is only required to enter Brazil **if** you are arriving from Angola or the Democratic Republic of Congo. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

CASH & CREDIT CARDS

Major credit cards are widely accepted in urban areas. ATM machines are easily accessible. When using credit cards or ATMs in Brazil, exercise caution when using these payment methods

and carefully monitor your banking online for non-authorized charges during the course of your visit.

OF SPECIAL NOTE

Travelling to the Amazon & Pantanal

If travelling to the Amazonian rainforest regions or Pantanal wetlands, please note that temperatures and humidity can be extreme. Take precautions against mosquitos by wearing long-sleeved shirts, long pants and hats and use an insect repellent to help prevent bites. (Higher percentages of active ingredient provide you with longer protection.)

If you are taking a cruise on the Amazon River, most of the activities require transferring from the ship to small boats. Brazil's wetlands are one of the world's most diverse and best preserved wilderness ecosystems. However, the vast majority of the diversity is in the form of insects, small mammals and birds. Larger species are shy and unpredictable. When you do encounter wildlife, you will not have a clear ample field of view as in Antarctica or on the plains of Africa. A good pair of binoculars (along with a sense of curiosity) will enhance your experience in these ecosystems.

BRAZIL

BAGGAGE RESTRICTIONS

For checked baggage on flights within Brazil, each traveller is limited to one (1) piece per person with a maximum weight of 50 pounds (23 kilograms) with linear dimensions (height+width+depth) not to exceed 62 inches (157 centimeters). For carry-on baggage, each traveller is allowed one (1) personal item (such as a purse or laptop) and one (1) piece weighing up to 17 pounds (8 kilograms). Any additional or overweight pieces will be charged on check-in and excess baggage fees are the traveller's responsibility.

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to find and manage your luggage for you.
