Exclusions

Travel insurance doesn't cover everything, and terms, conditions, and exclusions apply to all benefits under this plan. An "exclusion" is something expressly not covered by this plan. Generally, unless specifically excepted, a loss resulting from an excluded cause is not covered. Exclusions may include, but are not limited to: pre-existing medical conditions (unless you qualify for a waiver of this exclusion); losses, conditions or events that were known, foreseeable, intended, or expected when you purchased your plan (for example, a named storm, an announced strike, or an event identified by a Coverage Alert posted on our website at azcontent.us/coverage-alerts); mental or nervous health disorders; the use or abuse of drugs or alcohol; epidemics/pandemics; war (declared or undeclared); nuclear reaction/radiation; pollution or threat of pollution; acts, travel alerts/bulletins, or prohibitions of a government or public authority; acts committed with intent to cause loss; participation in extreme or high risk sports/activities; criminal acts (unless you are the victim of the act); and others. This is not an exhaustive list, and other exclusions apply. Exclusions may vary by state and may be subject to exceptions (for example, an insured's illness may be covered even if caused by an epidemic or pandemic disease). A complete list of exclusions can be found in your plan details. See your plan for details.

Pre-Existing Medical Conditions Coverage & Exclusions

A pre-existing medical condition is an injury, illness or medical condition that exhibited symptoms or was treated on, or within the 120 days prior to, the purchase date of your plan. This plan waives the exclusion for pre-existing medical conditions if the following conditions are met: A) Your policy purchased on or before final trip payment to qualify for existing medical conditions on this plan; B) You were a U.S. resident when the policy was purchased; C) You were medically able to travel when the policy was purchased; and D) On the policy purchase date, you insured the full non-refundable cost of your trip with us. This includes trip arrangements that will become non-refundable or subject to cancellation penalties between the policy purchase date and the departure date.

Maximum coverage for pre-existing medical conditions is limited to the trip cancellation or trip interruption coverage limit (as applicable), not to exceed \$50,000.

Please be Advised: This plan contains insurance benefits (which may include disability and/or health insurance benefits) that only apply during the covered trip. This optional coverage may duplicate coverage already provided by your personal auto, home, renter's, health, life, personal liability, or other insurance policy or source of coverage but may be subject to different restrictions. You should review the terms of this policy with your existing coverage. If you have any questions about your current coverage, call your insurer/health plan or insurance agent/broker. This insurance is not required to purchase any other products/services. Unless licensed, travel retailers and their employees may provide general information about the insurance, including a description of coverage and price, but are not qualified/authorized to answer technical questions about terms, benefits, exclusions, and conditions of the insurance or evaluate the adequacy of existing coverage. Plans are intended for U.S. residents only and may not be available in all jurisdictions.
