We set the gold standard in luxury expedition cruising.

Nothing like a standard cruise and every bit a luxurious, intimate adventure by sea, our Luxury Expedition Cruises feature all-inclusive voyages on upscale vessels that we exclusively charter or own and operate. For your clients, this means unique itineraries in inspiring destinations inaccessible to big ships, intimate personnel-to-guest ratios and immersive experiences led by an acclaimed Expedition Team both on and off the ship.

Discover the differences that set our expeditions a world apart.

A Reputation Over 30 Years in the Making

From our first expedition to Antarctica in 1991, our mission has been to show your clients epic frontiers and unspoiled lands under the wing of the most accomplished experts. Today, more than 400 voyages later, we remain the longstanding leaders in luxury expedition cruising, exploring all seven continents on voyages still defined by innovation, exploration and expertise.

The Very Best Experts on Land and Sea

Well before your clients set foot on their ship, every aspect of their voyage has been orchestrated by our expedition cruising experts. Once their adventure begins, our famed Expedition Team of real-life explorers and acclaimed experts joins them every step of the way for an immersive experience featuring an endlessly fascinating enrichment program.

The Finest Vessels for Every Destination

We select the ideal upscale small ship for every destination: a luxury expedition cruiser for polar voyages, small explorer ships for cultural and warm-water journeys, and an elegant adventure yacht in the Galápagos. We then elevate each vessel to A&K's exacting standards, affording an intimate personnel-to-guest ratio with no more than 10 guests aboard a Zodiac or 25 guests on any cultural shore excursion.

Association of
Arctic Expedition Cruise
Operators

A&K is a fully vested member of IAATO and AECO, and proactively supports efforts made by both organizations in the polar regions.

Our Expedition Team is the best, bar none.

The key to every unforgettable journey is our acclaimed Expedition Team, comprised of accomplished adventurers with decades of experience in science, history, art and more. These experts are supplemented by an onboard photography coach, a Young Explorers Guide (on our holiday voyage), local guides on cruises to cultural destinations, snorkel and dive guides in warm-water destinations, and featured experts who deliver insights backed by one-of-a-kind firsthand experience.

Led by our Expedition Team, our enrichment program is a dynamic experience that is woven throughout the entire voyage.

Enrichment Program Highlights Include:

- ▶ Engaging lectures with the members of A&K's Expedition Team — the foremost experts in their fields
- ▶ Endless opportunities to continue the conversation with our Expedition Team every day, whether out on deck with coffee or over dinner and evening cocktails
- ▶ Curated shore excursions in cultural destinations led by A&K local guides with an authentic perspective and joined by members of the Expedition Team

NEW FOR 2025!

Embark on a Galápagos adventure beyond Darwin's wildest dreams.

When Charles Darwin first stepped foot on the Galápagos Islands nearly 200 years ago, he was awestruck by a diversity of strange and wondrous species then unknown to Western science. In 2025, our all-new **Ultimate Galápagos Expedition** will recapture this thrill of discovery in a style and luxury beyond anything Darwin could have imagined.

Theory features chic, elegant spaces inspired by the timeless beauty of the Galápagos.

Relais & Châteaux hospitality elevates the onboard experience with elegant dining and attentive open bar service.

Experience the evolution of luxury in the Galápagos.

Now part of A&K Travel Group, the sleek and stylish Ecoventura adventure yacht Theory plays host to six departures of our exciting new **Ultimate Galápagos Expedition**. A member of the esteemed Relais & Châteaux collection, Theory accommodates 20 guests in 10 staterooms, affording one of the most intimate and exclusive luxury expedition charter experiences in the Galápagos. Complementing a ship's staff of 10, three A&K Expedition Team members reveal the islands' wonders with an enriching mix of shore excursions and onboard programming. For the finest expeditions in the Galápagos Islands, look no further.

Theory's watersport complement includes a glass-bottom Zodiac, snorkeling gear, kayaks, stand-up paddleboards and more.

Three A&K Expedition Team members accompany each Galápagos expedition, enriching the voyage at every turn.

We select the perfect ship for every voyage.

In the world of Luxury Expedition Cruises, one size does not fit all. We continuously scour the world's finest expedition fleets to select the perfect vessels for every voyage, ensuring we have just the right blend of size and comfort.

Luxury Expedition Cruisers in Polar Regions

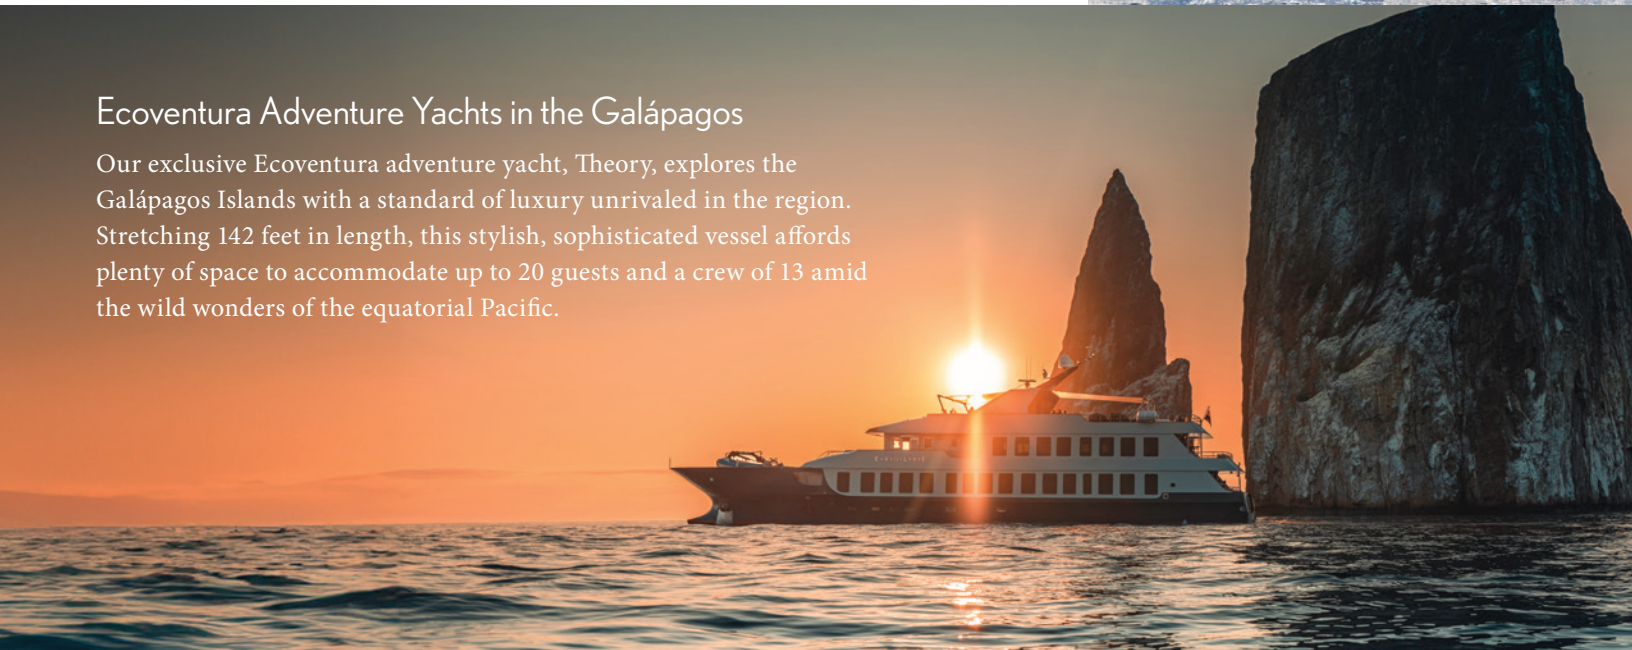

The largest vessels in our lineup, luxury expedition cruisers are big enough to handle any seas but small enough to access restricted polar areas. We exclusively charter and then specially configure these ships to limit capacity to 199 guests (from a maximum of 244), affording a personnel-to-guest ratio of 1 to 1.2 and a private balcony with every stateroom and suite.

Small Explorer Ships for Cultural and Warm-Water Voyages

When it comes to expedition vessels, small means versatile. These small explorer yachts are perfectly sized to access the exotic ports and harbors closed to bigger ships. When exclusively chartered and configured for our expeditions, these vessels feature a capacity limited to 148 guests (from a maximum of 184), a private balcony with every stateroom and suite and an intimate 1 to 1.2 personnel-to-guest ratio.

Ecoventura Adventure Yachts in the Galápagos

Our exclusive Ecoventura adventure yacht, Theory, explores the Galápagos Islands with a standard of luxury unrivaled in the region. Stretching 142 feet in length, this stylish, sophisticated vessel affords plenty of space to accommodate up to 20 guests and a crew of 13 amid the wild wonders of the equatorial Pacific.

We elevate life on board to exacting standards.

Whichever expedition your clients choose, our elegant cuisine, fine wines and attentive service enhance every moment on board.

Sumptuous Cuisine and Unlimited Beverages

Luxury cruising with A&K includes every meal and unlimited house drinks aboard your ship, even Champagne. With gourmet culinary fare at their fingertips, your clients savor a menu that includes:

- ▶ A wide range of fresh salads, buffet and à la carte options, and exquisitely plated dishes
- ▶ A lavishly coursed Captain's Dinner
- ▶ 24-hour room service and breakfast in bed
- ▶ An open bar, including all house wines, Champagne, beer, spirits, sodas, tea and coffee
- ▶ Early-riser coffee with pastries, afternoon tea and snacks, and an aperitif hour

Enjoy En Suite Butlers and Five-Star Shipboard Service

Guests who reserve any category of suite also enjoy another A&K exclusive: complimentary butler service throughout their cruise. Regardless of your clients' accommodations, the experienced, English-speaking staff is well versed in tending to every need with grace and style.

Relais & Châteaux Dining in the Galápagos

Our Ecoventura adventure yacht, Theory, features à la carte, four-course dinners inspired by Relais & Châteaux, while breakfast and lunch are served buffet style.
