

A scenic landscape featuring a savanna with tall grass and scattered trees. In the background, a prominent mountain peak rises against a soft, hazy sky. In the foreground, a safari vehicle is partially visible on the left, with a table set up on its back holding various bottles and a yellow cloth. Four people are standing in the field: two men in khaki uniforms and caps, and a man and a woman in safari attire, including hats and khaki pants. The overall atmosphere is peaceful and adventurous.

A&K's How to Sell Guide

2026

Your new guide for selling A&K

This year marks the start of an exciting new era for A&K. We've completely reimagined our branding to celebrate the pioneering heritage of the world's leading luxury travel company with a whole new look and feel. We've also added a host of new journeys to broaden our product portfolio's appeal. However, one thing we'll never change is our commitment to you, the travel advisor. With that in mind, we've created this handy guide to help you sell all things A&K.

In the pages that follow, we've consolidated everything you need to support your sales and put it right at your fingertips. You'll find an overview of the new A&K Trade Hub, formerly Agent Services. Broken out by style of travel, you'll also find handy overviews, standard inclusions lists, featured journeys and helpful questions to start the conversation with your clients. Finally, a list of Trade Sales Contacts connects you with all the support you'll need to succeed.

But first, let's take a quick look at a few of our new offerings for 2026. We've added more than 15 Small Group Journeys, including an all-new culinary itinerary and more active adventures than ever before. Three new Expedition Cruises and Private Jet Journeys have also joined the lineup, along with fresh offerings including A&K Sanctuary and A&K Villas — and those are just the highlights.

With all of these changes, we haven't strayed from what's worked for nearly 65 years: our unmatched local connections, our commitment to the places we travel, and our valued partnerships with travel advisors like you. As always, we thank you for your continued support.

Small Group Journeys

SHARED MEMORIES IN SOUGHT-AFTER DESTINATIONS

A&K Small Group Journeys are a collection of shared adventures that reveal the world's most extraordinary destinations to their fullest. Book your clients with confidence, knowing that journeys are guaranteed to depart with a minimum of two guests.

UNRIVALED CONNECTIONS

Our unparalleled network of destination specialists, local guides, cultural trailblazers and super-fixers can arrange exclusive experiences beyond the reach of most travellers.

UNBEATABLE LOCAL INSIGHT

We've forged lasting relationships in local communities to ensure that every itinerary goes far beyond any guidebook to reveal each place from an authentic local perspective.

TRAVEL WITH CONFIDENCE

Behind every journey is an international network of more than 3,000 staff, in over 65 offices and 40 countries. We put the safety and security of our guests at the heart of everything we do.

Expedition Cruises

SETTING A NEW STANDARD FOR ADVENTURES AT SEA

Backed by more than 30 years of experience, A&K's Expedition Cruises set a new standard for adventures at sea. Cruising aboard stylish world-class ships, our highly acclaimed Expedition Team leads engaging, expert-designed experiences at every port of call, taking guests further, closer and deeper into the Arctic, Antarctic, Mediterranean, Northern Europe, Pacific and Indian Ocean.

WHY BOOK AN A&K EXPEDITION CRUISE?

THE BEST EXPEDITION TEAM, BAR NONE

Ask any guest who's sailed on an A&K voyage and they'll concur: our Expedition Team sets the gold standard. This acclaimed team of adventurers brings decades of passion and experience in everything from art history to marine biology.

ONLY THE FINEST VESSELS

We select the ideal upscale ship for every destination: an expedition cruiser for polar voyages; small explorer ships in Northern Europe, the Mediterranean Sea, and Pacific and Indian Oceans; and elegant Ecoventura adventure yachts in the Galápagos. We then elevate each vessel to A&K's exacting standards, affording an intimate personnel-to-guest ratio with no more than 10 guests aboard a Zodiac or 25 guests on any cultural shore excursion.

IMMERSIVE ENRICHMENT ON LAND AND AT SEA

From shore excursions and onboard presentations to impromptu wildlife sightings and casual conversations with team members over cocktails, our enrichment program elevates your client's experience at every turn.

ALL-INCLUSIVE, ALL-INSPIRING

We pride ourselves on having the most comprehensive list of inclusions at sea. From open bar and meals to laundry service and gratuities, we include it all so your clients can make the most of every moment.

WHAT'S INCLUDED ON AN A&K EXPEDITION CRUISE?

While our voyages are as varied as they are superlative, the following always come as standard:

Engaging lectures and workshops on everything from the wildlife you will spot to art, archaeology, botany and geology

Adventures ashore that are as illuminating as our programs at sea

Thrilling excursions in Zodiacs — workhorse inflatable boats that can navigate with ease and are ideal for wildlife viewing on polar and tropical cruises

Complimentary polar gear for Arctic and Antarctic voyages

Food and drink with à la carte menus and unlimited house drinks, including Champagne

A private balcony with every stateroom and butler service with every suite (except in the Galápagos Islands)

UNRIVALED LUXURY ON THE NILE AND IN THE AMAZON BASIN

Meanwhile, on the enchanting waters of the Nile and Amazon Basin, our five A&K Sanctuary riverboats range from a six-suite dahabiya (traditional Egyptian sailboat) to our newest addition — Pure Amazon.
