Tour the Shanga Workshop with a private guide to learn about the handmade jewelry and homeware created there. Return to your lodge for lunch, and then fly to Tarangire National Park, where open grasslands, acacia trees and the Tarangire River paint the wild landscape. DAY 4 NGORONGORO CRATER | AMPHITHEATER OF ANIMALS
As you cross the Great Rift Valley, stop for a market visit in Mto wa Mbu, where stalls brim with vibrant local produce. Then, see the village from a different perspective as you Ride Like a Local on a tuk-tuk, viewing the local community and rice fields as you go. Next, take a scenic drive to tranquil Gibb’s Farm, where you stop for a lunch made with organic, just-picked ingredients. Later, arrive at the natural amphitheater of Ngorongoro Crater, a 2,000-foot-deep caldera. A fascinating microcosm of East African wildlife — including buffalo, flamingos, lions and leopards — resides inside. Climb the outer wall, passing through dense vegetation until a breathtaking view across the crater floor appears. Arrive at your camp, nestled in a wooded area with easy access to the crater floor and featuring elegant, tented accommodations adorned with handwoven rugs, comfortable beds with crisp linens, and en suite bathrooms with flush toilets. Refresh yourself with the bucket shower, enjoying plenty of hot water provided by your private tent attendant, and relax on your veranda to view the panoramic natural wonderland.

This afternoon, visit with an elder at a Maasai village, where you learn about the tribe’s traditional, nomadic lifestyle and coexistence with wildlife. You also partake in an artisan visit with a demonstration in traditional beadwork and crafts. Later, witness a private dance performance at your tented camp. Fly to the fabled Serengeti National Park and settle into your remote and authentic camp. Then, set out on the boundless Serengeti, one of the oldest and least-changed ecosystems on earth, where the circle of life plays out every day, as it has for eons. It is home to one of the world’s largest concentrations of wildlife, with lions, hyenas and leopards all endemic. The region also hosts the spectacular Great Migration, when a flurry of wildebeests and zebras arrive in search of grass and water. It is an epic spectacle you may witness, depending on your choice of departure. This evening, as the equatorial sun hangs low over the plains, take a moment to sip a cocktail and reflect on the majesty of Africa during a relaxing Scenic Sundowner experience.
