**DAY 2 EASTER ISLAND | AN ISLAND MOST REMOTE**
This morning, fly to remote Easter Island, a UNESCO World Heritage Site situated 2,300 miles from the nearest populated point. Considered the world’s largest “open-air museum,” the 64-square-mile island is known for its moai, or human-like stone statues, which remain mysterious even to archaeologists. Upon arrival, you are draped with traditional flower and shell necklaces and transferred to your hotel. In the afternoon, take a walking tour of Hanga Roa and learn about local Rapa Nui culture. Pause for a Scenic Sundowner cocktail at the restored Ahu Tahai ceremonial complex, site of sturdy and fascinating statues. After dinner at your hotel, proceed to Hanga Vare Vare to see the first of the Tapati Rapa Nui activities. These performances may include kai kai (string figure storytelling), takona (body painting), riu and ufe (songs), pata’u ta’u (recitations), and a’amu (narratives).

Take in a vast Pacific panorama spanning the islets Motu Nui, Motu Iti and Motu Kao-Kao. This evening, experience a vibrant series of Tapati competitions at Hanga Vare Vare.

As you walk to the top of the crater, discover the pretty freshwater lake. Continue to Anakena Beach to see the partially restored Ahu Nau Nau and the Ahu Ature Huki, the first of the moai to be returned to their ceremonial placements.
