Conditions permitting, board your Zodiac for an up-close view of Surtsey Island, Iceland’s southernmost point and a UNESCO World Heritage Site. Continue along Iceland’s western fjords, exploring the rugged, remote coastlines of its stunning Westfjords from the comfort of luxury ‘Le Boreal.’ Breidafjordur and Isafjordur are among the areas we plan to explore, with possible highlights to include Dynjandi waterfall, Flatey Island and the immense cliffs of Latrabjarg.

AUG 18 AT SEA | CROSSING THE DENMARK STRAIT

‘Le Boreal’ | Meals: Breakfast, Lunch, Dinner

AUG 20–23 SOUTH GREENLAND | THE VIKING TRAIL
Explore Greenland’s southern coast, inland waterways and remote villages for the next few days, retracing the early colonization trail of Erik the Red, who founded the first European settlement on Greenland. You also trace Greenland’s history of explorations, which ultimately led to the discovery of North America. Based on conditions, your Captain and Expedition Team determine the day’s best excursions, which may bring you to: Prince Christian Sound: Connecting the North Atlantic with the Labrador Sea, this stunning 60-mile-long fjord features sheer cliffs that reach as high as 3,200 feet. Conditions permitting, visit Unnartoq hot springs. Qaqortoq: It’s surrounding area has been inhabited for more than 4,300 years. Today, Qaqortoq village is still supported by a traditional subsistence economy. Visit its museum, which was formerly the village blacksmith shop; the beautiful village fountain, Minderbrønden, which depicts whales spouting water; and the Stone & Man project, an open-air art gallery. Hvalsey Ruin: This UNESCO World Heritage Site in the eastern settlement region (Eystribyggð) was settled by Erik the Red’s uncle. Also known as Qaqortukuluq, it is considered southern Greenland’s best preserved Norse site. Narsaq: Dating back to the year 1000, this colorful fishing village was originally a trading post due to its deep-water port. Present-day Narsaq is still supported primarily by its fishing industry and sheep farming. The local population climbs just over 1,500, giving the town its status as Greenland’s ninth largest community. Eriksfjord: Erik the Red chose to settle his home on this beautiful fjord. Visit his Brattahlid homestead and the first Christian church in the western hemisphere. Brattahlid also served as an ever-important launching point for the first voyages to North America. Each cruise begins with breakfast followed by morning and afternoon Zodiac excursions, which are always piloted by expert A&K naturalist driver-guides and accompanied by no more than 10 guests. You may also enjoy a guided kayaking excursion along iceberg-studded shores. After full days of exploring, unwind aboard luxury ‘Le Boreal,’ perhaps enjoying tea and well-crafted cocktails along with time on deck to take in your destination. Enjoy dinner at your choice of restaurants, and the chance to recall the day’s most inspiring moments with your Expedition team and fellow guests, and look forward to the next day’s adventures.
