We offer local access like no one else, thanks to a global support network nobody can match.

“Our first two A&K tour directors were exceptional but the latest exceeded even them! He gave us a master class in hospitality.”

— Kathryn; Durham, NC,

The Most Extensive Network of Travel Experts in the World

Underlying each inspiring A&K journey is the most robust tour-operator-support network in the travel industry — over 55 offices in more than 30 countries around the world, all working 24/7 to uphold the same impeccable standards. In today’s travel environment, there is no substitute for a company that trains and manages its own full-time staff, personally orchestrating every aspect of your journey with precision and flexibility down to the last detail.

The Difference Local Access Makes

For A&K, having our own local staff is only the beginning. We forge lasting, one-on-one relationships with the people who know your destination best, from craftspeople and chefs to experts in local art and history. Our itineraries don’t come out of guidebooks — they’re the result of the authentic connections established between our experts and the friendly, hospitable local people who lend your journey a unique and personal touch.

What does this mean for you as an A&K guest? It means you experience each location on your journey from a truly local perspective, all while enjoying a smooth travel experience in which every detail has been anticipated by a dedicated on-site staff.

A Reassuring Local Presence From the Moment You Arrive

The A&K difference becomes clear as soon as you arrive and meet your representative, who assists with your luggage and escorts you privately to your hotel — on an A&K journey, you don’t share a vehicle on arrival or departure transfers, even with other A&K guests.

Resident Tour Directors With Deep Local Ties

Our Resident Tour Directors have lived for decades, sometimes even their entire lives, in the places you visit. Overseeing your entire journey, they accompany you every day, sharing their unique understanding of daily life as well as your destination’s culture, history and wildlife. The result is a journey that reveals the real spirit of a place, connecting you to the people, places and wildlife you encounter in a way you’ll never forget.

A small group yields big rewards when you travel with A&K.

Small Group Journeys Designed by Experts

Our more than six decades of expertise in luxury travel informs every journey we create. Designed for like-minded travellers with a wide array of interests, A&K journeys represent today's finest small-group travel experience. They surround you in elegant comfort and reveal to you the best of spectacular destinations around the world.

Group Sizes That Average Only 14 Guests

Most Small Group Journeys feature a maximum group size of 18 guests with an average of only 14. The benefits are many, starting with the opportunity to enjoy deeper interactions with your Resident Tour Director and expert local guides, getting to know them for the insightful, dedicated travelling companions they are.

Itineraries Only Possible With a Small Group

A small group size lets us craft journeys that are seamlessly orchestrated and packed with the insider-access opportunities that are A&K's hallmark. Many of your journey's most memorable activities — whether a celebration at a local monastery or a guided tour of a private art gallery — are only possible with a smaller group. Small groups also enable A&K to reserve one-of-a-kind accommodations that can't house the typically larger groups that travel with other companies.

Unique Wings Over the World Journeys

Taking advantage of the flexibility and convenience of flying point to point by private charter air, our **Wings Over the World** journeys — most of which feature a maximum group size of 11–13 guests — are some of the most uniquely enriching adventures in our entire portfolio. Led by a Resident Tour Director, they allow you to see and experience more than you ever thought possible on a single itinerary.

Stay in accommodations chosen for their ideal blend of luxury, comfort and authenticity.

Sanctuary Zein Nile Chateau, Egypt

End Each Day in Luxury

Wherever possible, we arrange for stays in five-star accommodations that combine first-rate comfort with a keen eye toward their locale, furthering your sense of place while offering the hospitality that makes you feel at home after a day of exploring.

Intimate Boutique Camps and Lodges

As a home base for extraordinary wilderness adventures, many of our journeys feature luxurious boutique camps and lodges available only to smaller groups. These handpicked accommodations combine classic local details with modern amenities and cutting-edge eco-friendly practices — not to mention an incredible front seat to wildlife, often just outside your door.

Stylish Ships

Our commitment to luxury doesn't stop at the water's edge. When your journey includes cruising on the Nile, Yangtze or other great rivers, your sleek, modern vessel offers the same level of comfort, service and style you would experience on land, all while discovering the beauty of life on the world's most iconic waterways.

The Luxury of Location

On some of our more intrepid journeys, your hotels place you in the heart of your destination, sometimes forgoing creature comfort for the reward of a fully authentic experience, such as a stay in the Gobi Desert's Valley of Eagles in a traditional Mongolian yurt.

Accommodations for Families

On journeys geared for family travel, our local experts choose hotels with five-star style, family-friendly amenities and smartly configured accommodations (such as connecting rooms, where possible) that mean inviting comfort for your whole crew.

Upgrade Your Accommodations

Talk to an A&K Travel Consultant or your travel advisor about elevating your experience with a higher room or cabin category.

Rambagh Palace, India

Award-Winning Excellence

Many of the hotels selected for our guests are *Condé Nast Traveler* Gold List or *Travel + Leisure* World's Best properties — when luxury is what you're looking for, there's no reason to settle for second best.

Sanctuary Chief's Camp, Botswana

At every turn, we add amenities that make your journey exceptional.

Immersive Moments That Bring a Destination to Life

Experience locally inspired moments crafted by our experts, including our **Scenic Sundowner**, a refreshing cocktail enjoyed at sunset in a breathtaking locale — from the plains of Tanzania's Serengeti National Park to the tranquil moat of timeless Angkor Thom.

Make Your Journey Your Own With Design Your Day[®]

Experience your destination the way you want to with A&K's **Design Your Day** feature, available on most journeys. On a select day of your itinerary, choose from at least three expert-crafted activities, with one option created specially for guests with active interests.

Dining That Explores Local Flavors

Local cuisine can be the highlight of any journey. We provide you with the perfect mix of planned group meals — including celebratory welcome and farewell dinners — and mealtimes left unscheduled. You also experience favorite local restaurants, enjoy a **Chef's Table** cooking class or a culinary demonstration, and savor included à la carte dinners on your own and at your leisure.

Travelling Bell Boy[®] and Traveller's Valet[®]

With A&K's exclusive **Travelling Bell Boy** service, we handle your luggage for you between destinations. A&K also offers you convenient **Traveller's Valet**: exclusive, complimentary laundry service provided once per journey, to help keep your luggage light.

Private Transfers and Gratuities Included

Private arrival and departure transfers are always included with your journey, regardless of when you choose to arrive or depart. Likewise, all of your gratuities are included, save for your Resident Tour Director, which is at your sole discretion.

Added to the beginning or end of your itinerary, small-group extensions (which may include other guests from your small-group journey) focus on a city or region not included on the main journey and offer the same luxury accommodations and amenities. We can even create a custom extension exclusively for you and your travelling companions, designed around your specific interests — contact A&K or your travel advisor to learn how a custom extension can enhance your journey.

Turn a Small Group Journey Into a Private Adventure

Many of today's travellers prefer the comfort of travelling exclusively with their own family and loved ones. If you prefer to travel this way (or our departure dates don't align with your schedule), look for the **Travel Privately with A&K** box on select itineraries to book that small-group journey as a private journey — the same itinerary, hotels and sightseeing for just you and your private party, led by your own local guides.

For the ultimate in private travel, choose a Luxury Tailor Made Journey.

Creating a Journey Just for You

On a Luxury Tailor Made Journey, you travel with just family and friends, sharing every extraordinary hour with the people who matter most to you and returning home with shared memories you'll treasure. We plan departure and arrival dates — as well as the perfect balance of scheduled activity and free time — to match everyone's schedule and preferences.

Working with you or your travel advisor, we learn everything there is to know about how you love to travel and what you're looking for in your journey. From there, every amazing destination, authentic local encounter and luxury accommodation is chosen with your interests in mind, making each day an adventure you won't want to end.

Travel With Peace of Mind and in Expert Company

We oversee your journey from the moment your A&K representative welcomes you at the airport. From there, an experienced team ensures that every hour of your itinerary unfolds according to plan, freeing you to simply enjoy yourself. Joining you in every destination is a local guide with their own unique firsthand perspective. Both an expert planner and an adept improviser, your local guide also brings a sincere love for the places they call home — something you'll soon come to share.

Elevate Your Journey With Exclusive Accommodations or Private Air

We can reserve a private European villa, luxury yacht or cozy barge for your exclusive use, or make getting there as inspiring as being there with chartered helicopters and planes, the perfect complement to the journey of your dreams.

A&K Philanthropy partners with local communities to improve lives and protect the environment.

Building on a Legacy of Partnership

A&K founder Geoffrey Kent pioneered the community-first approach to conservation more than 60 years ago. Today, A&K Philanthropy (AKP) still believes that the best way to protect our planet's remaining wilderness is to invest in the communities who live there. In alignment with UN Sustainable Development Goals, we partner with local communities to improve education, environment, health and enterprise through a global network spanning 24 countries on all seven continents — a philanthropic commitment unequalled in the travel industry.

Our Global Footprint

A&K Philanthropy employs a team of Philanthropy Coordinators stationed throughout the world, dedicated specialists who facilitate our commitment to our community partners and introduce guests to our philanthropic efforts.

Experience an A&K Philanthropy Project Firsthand

A number of our small-group journeys offer opportunities to visit an AKP partner community, affording a wealth of moving experiences you won't find anywhere else. Look for this symbol  for opportunities to visit an A&K Philanthropy project on your A&K journey.

Our projects pioneer transformation in health, education, enterprise and conservation to drive meaningful change and uplift thousands of people around the world. Here are just a few of the ways in which A&K Philanthropy is helping to make a difference.

EDUCATION

Education is the key to equality of opportunity and to the conservation of our whole world. AKP partners with underserved communities to build schools, provide books and free school meals, and to foster teacher training programs. **The Children of the Rainbow School** (Fundacion Niños del Arco Iris) was founded to serve one of these communities in Peru's Sacred Valley. Alongside literacy and language lessons are sessions on nutrition, personal and social development, and respecting and caring for local plants and wildlife.

ENVIRONMENT

Through education programs with local communities and collaborating with government organizations, A&K Philanthropy promotes the protection of our planet's fragile ecosystems, from the rainforests of Uganda to the marine reserves of the Galápagos Islands. **Save the Albatross** is devoted to helping protect the albatross and other Antarctic seabirds from becoming accidentally tangled in deep sea fishing lines.

HEALTH

Safe water is a basic human need. It is a UN Sustainable Development Goal to ensure every human has access to safe and affordable drinking water by 2030, and to this end A&K Philanthropy has invested in the provision of clean-water wells, water filters and hygiene education. Since 2017, A&K Philanthropy has partnered with **LifeStraw**, a leader in accessible filtering and purification systems, to provide safe water to thousands of children in India, Kenya, Myanmar, Tanzania, Uganda, Vietnam and Zambia.

ENTERPRISE

Our community-led enterprise projects are designed to empower people to learn, earn and progress in the destinations where our guests travel. We foster local partnerships to launch start-ups, including the **Sishemo Bead Studio** in Zambia's Nakatindi Village, which helps a small group of local women to support their families and community through traditional glass bead-making.

Renowned paleontologists Mary and Louis Leakey made many notable finds here, including “Nutcracker Man,” who lived approximately 1.75 million years ago. Visit the on-site museum, take in views from the lookout point and examine the excavations, which revealed 3.7-million-year-old footprints and the 1.8-million-year-old skull of a human. Continue to your lodge, which is framed by commanding views of this land of lions, leopards, hyenas, cheetahs, giraffes and topi. The park also serves as a setting for the Great Migration when it passes through each year. Enjoy your room’s blend of elegant and contemporary design with influences from the traditional Maasai culture.

The Stark Beauty of Sossusvlei, Namibia

Namibia's Sossusvlei is a salt-and-clay pan (or dried-up lake bed) found among the spectacular red-sand dunes of the Namib Desert, which stretches for 1,200 miles along southern Africa's Atlantic coast. This region's vistas of austere, almost otherworldly beauty are never on more vivid display than during the hot air balloon ride included during your three-night stay here.

The pale color of the pan, punctuated by gnarled black tree trunks, contrasts vividly with the Mars-like red of the dunes surrounding it, prompting the feeling you've been magically transported to another planet. "Fairy circles" — naturally occurring, ring-like depressions in the earth that dot the landscape — only add to Sossusvlei's uncanny sense of place.

Nighttime offers its contrasts as well, with daytime desert temperatures cooling significantly after sunset. And since Sossusvlei is part of a dark-sky reserve, a marvelous display of astronomical wonders awaits anyone willing to brave the chill. You can even seek out the southern constellations by telescope at your lodge's on-site observatory.

Far off the beaten path, Sossusvlei is usually a stand-alone destination, yet A&K is able to include it as part of a broader portrait of Southern Africa, thanks to privately chartered air.

DAY 8: Sossusvlei, Namibia | Under the Desert Sky

Return by light aircraft to Maun and board your private charter flight to Windhoek, Namibia. On arrival, transfer by light aircraft to Sossusvlei and continue to your luxurious desert lodge. Enjoy an afternoon at leisure. After dark, gather at the lodge's state-of-the-art observatory and marvel at the sky's wonders. **andBeyond Sossusvlei Desert Lodge** | Meals: B L D

DAY 9: Sossusvlei | Among the Towering Dunes

Today, discover renowned Sossusvlei, a place of otherworldly beauty. The salt-and-clay pan is surrounded by towering dunes that, together with the sky, make up the palette of burnt oranges and vivid blues that are so distinctive to the region. After an opportunity to climb "Big Daddy" — the tallest of the dunes — return to your lodge for an afternoon at leisure. **andBeyond Sossusvlei Desert Lodge** | Meals: B L D

DAY 10: Sossusvlei | Hot Air Balloon Ride

Rise before dawn for a hot air balloon adventure, sailing on the wind over the endlessly fascinating terrain of the world's oldest desert, viewing it from a new perspective. Upon landing, enjoy breakfast in the desert. This afternoon, you may opt to venture out for a guided trail ride over the stark desert panorama on an e-bike, taking in the awe-inspiring terrain. **andBeyond Sossusvlei Desert Lodge** | Meals: B L D

Experience the Many Wonders of India

Whether it's the sinewy shape of a Bengal tiger slipping from the bush into the dappled sunlight of the forest floor or the iconic silhouette of the Taj Mahal seemingly painted against the evening sky, India's wonders come in many forms.

There are architectural wonders, like the imposing Amber Fort and the delicate Palace of the Winds in Jaipur. There's also the inspiring beauty of countless temples in Varanasi, places where structural design intersects with the everyday life of locals and pilgrims.

India's culinary wonders are on display throughout your journey as well, never more so than during a Chef's Table experience that immerses you in the intoxicating scents and colorful sights of the subcontinent's spices.

Perhaps India's most extraordinary wonders are its people, from the white-suited dabbawalas of Mumbai to the saffron-robed priests who guide the aarti ceremony and your rickshaw driver in Delhi's Chandni Chowk bazaar. Their warmth, kindness and gracious reverence for life are unmistakable wonders of their own.

Ancient Cultures Linked by the Sea

Few bodies of water on earth have played a more central role in the development of human civilization than the Mediterranean Sea. It was here that the ancient Phoenicians, Greeks and Romans sailed forth to explore new lands, do battle and conduct trade, spreading aspects of their distinctive cultures into Europe, Asia, North Africa and the Middle East as they went.

Time and tide rolled on, and new dynasties arose. The Moors conquered the northern coast of Africa and ruled Iberia for seven centuries until the crusader knights overcame them, leaving their own mark on Mediterranean history. Later still came the Venetians, who used their economic, cultural and naval might to dominate life on and around the sea.

Wings Over the Mediterranean is designed to reveal the common threads these bygone peoples wove throughout the entire region during their travels, and to discern remnants of their faded cultures that still linger today in the destinations you visit.

Only A&K's ability to craft one-of-a-kind itineraries utilizing privately chartered flights offers you this comprehensive perspective in a shorter time than ever before possible, on a single luxurious journey.

Legacy of the Moors

Spain and Morocco are both nations with rich and colorful histories influenced by many cultures down through the centuries — but perhaps by none more so than that of the Moors. The Moorish presence here began when Muslims from eastern North Africa, including Berbers and Arabs, expanded westward and northward across the Mediterranean Sea. In 711, they conquered Visigothic Hispania (the Iberian Peninsula). Later, the Berber Revolt in the Maghreb — a region that includes modern-day Morocco — led to eventual Moorish rule along the southern coast of the Mediterranean.

Over the next 700 years, the Moors developed a culture devoted to Islam while remaining comparatively tolerant of other religions. They built magnificent mosques and impressive seats of learning, including some of the oldest continuously operating universities in the world. Christian Europeans waged a centuries-long war dubbed the Reconquista to reclaim Iberia, which culminated in 1492. Moorish power later faded across Morocco as well.

Today, A&K's superb Resident Tour Directors and local guides excel at providing visitors with an in-depth understanding of the Moors' legacy of lyrical architecture, tantalizing cuisine and commitment to education, which still influences life throughout the region.

DAY 8: Marrakech | Historic Gardens & Design Your Day

At the Crossroads of Empires

The lands of present-day Greece and Turkey have been trod by many peoples of many eras, sometimes linking East with West, and at other times dividing them. The armies of vast empires have swept across these crossroads again and again, driven by the ambitions of legendary leaders and bringing with them immeasurable cultural change.

As the birthplace of democracy and the ancient home of philosophy, mathematics, theater and more, Greek culture was once without peer. In the Bronze Age, circa 3000 BC, the Greek island of Crete was home to the Minoan culture, a progenitor of Classical Greece and, by extension, Western Civilization itself. Your visit to the ruins of the palace of Knossos reveals the grace of Minoan architecture and art.

Turkey has witnessed its own share of momentous historical turning points, from the first establishment of Christianity as an organized religion in Constantinople to its role as the hub of the vast Ottoman empire that ruled the region for 600 years. Whether ballooning over Cappadocia or appreciating the majesty of the incredible Hagia Sophia, Turkey holds an inimitable appeal.

This amazing journey by private air takes you in a matter of days across two countries steeped in a shared history that took centuries to unfold.
